Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Hulk heard a Pokemon cry.

Hulk: Hulk found mascot for Hulk.

We saw a MEGA MACHAMP!

Me: WHOA! Mega Machamp.

Hulk: Perfect for Hulk.

Mega Machamp: Sure am.

Hulk: Hulk give food?

Mega Machamp: Thank you.

He gave him apples.

Mega Machamp: Thanks.

He ate them.

Hulk: Mega Machamp come with Hulk?

Mega Machamp: I would like that.

Hulk: Hulk happy too.

Nico: Cool.

Poromon: YAY!

But then we smelled a fruity scent.

Me: (Sniffs) Hey smell that?

Qin: (Sniffs) Did I put on too much perfume again?

Me: No it smells like... (Sniffs) Strawberries.

Chris: What's this about perfume?

Jimmy (EENE): Oh Qin wears a lot of perfume and I smelled it while she was sleepwalking.

Qin: I got to tone down on the perfume.

Me: It's not Qin's perfume. Hers is more flowery. This smells like Strawberries.

Nico: Strawberries? Uh oh. Is Lotso near?

Kairi: I hope not

Me: No this is not Lotso. He smelled like strawberries and garbage.

Camie: Yeah. This is strawberries entirely. Fruity.

Laney: I think the smell is coming from that!

We saw a Mega Meganium!

Me: WHOA! A Mega Meganium!

Nico: Wonder how that got in here.

Me: Must be one of Dark Gale's work.

Kouta: Let's see here.

He used Telepathy and gasped!

Kouta: It's my sister Sonya! You will like her.

Me: Lets go help her!

We went over to her.

Kouta: Sonya it's me Kouta!

Me: Calm down and lets talk.

Nico: Also, Kimiko, Seviper saw you meditating. Why is that?

Kimiko: I like getting in some meditation every day before breakfast.

Nico: Oh. That makes sense.

Seviper: It's part of her routine.

Nico: I get it.

She used Sweet Scent on Horsea but she put her clone in front of her. The scent hit May too.

They both fell asleep from how it smelled.

FWOMP!

Manaphy: Mama!

Me: That was Sweet Scent. Boy they are knocked out.

Nico: Yep.

Kouta: Okay then.

I snapped my fingers and she reverted back. She was a girl with red hair, red eyes and red angel wings and had Mega Meganium on her forehead and on her arm was a heart with a strawberry and the symbol of the Strawberry Lockseed on her arm and a no sign over the Yggdrasil Corporation logo on her arm too.

We wrapped her in a blanket and brought her over to a chair.

May: (Snoring)

She woke up to see Horsea's smiling face

Sonya Kazuraba: (Groans) Huh? A Horsea?

Horsea: Hey you hit my clone! Also you smell really nice.

Sonya Kazuraba: Oh why thanks. Also I love strawberries. Got any to eat?

Strawberry Sunrise: Here you go.

She gave her a bowl of strawberries.

Kouta: Hey sis.

Sonya Kazuraba: (GASP) Kouta!

She hugged him!

Sonya Kazuraba: I thought you were dead!

Kouta: Do I look dead to you?

Sonya Kazuraba: I heard you vanished and thought you were killed by Kougane.

Kouta: No I'm not dead.

Me: You were turned into a Mega Meganium by Dark Gale.

Sonya Kazuraba: Oh man! I was battling a Berserker Inves in the Helheim Forest when it happened.

Me: I remember that one. It was ugly!

Nico: Yeah.

Sonya Kazuraba: I know.

Poromon: What rider are you?

Sonya Kazuraba: I am Kamen Rider Ichigo and I am for Strawberries.

Me: Cool!

Horsea: I don't think Sweet Scent damages Pokemon, does it?

Me: No it just makes them go to sleep.

Horsea: Oh.

Lillian Hale: Also we blew the entire Yggdrasil Corporation building to smithereens.

Sonya Kazuraba: (GASP) Is that what that massive explosion was!?

I saw it all the way from Mount Fuji as I was hiking.

Me: That was us. Also we killed Kougane earlier.

Nico: Yep.

Sonya Kazuraba: Good riddance.

Me: And you are going to be shocked about this. Your brother is now a god like all of us.

Sonya Kazuraba: (GASP) Is all that true!?

Kouta showed his god form.

Kouta: (Echoing Divine Voice) It's true sis.

Sonya Kazuraba: Oh wow! That is amazing!

Shanan: We found out lot of amazing things about the Helheim Forest. It's located on the planet Femushinmu located about 3 and a half billion lightyears from Earth. That was amazing.

Sonya Kazuraba: It sure is.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new red clothes and a pink sword and she got a Gaim Belt and the Strawberry Lockseed and a Strawberry Kunai too.

Sonya Kazuraba: I look great!

Me: You sure do.

May was snoring.

Nico: Time to wake up, babe.

She was sleeping.

Me: I got this. Luna can I borrow your cymbals?

Luna Loud: You got it dude.

She gave them to me and I clashed them...

LOUD CYMBAL CLASH!

MAY SCREAMED! SHE WOKE UP!

May: WHOA! Man what was that!?

Me: Sorry May but you were sleeping and we ahd to wake you up.

May: I'm awake now!

Me: Sorry. I learned that one from Luna when she and Lincoln's sisters were giving him advice on how to smash a bully's face in.

May: I see.

Lillian Hale: Also Sonya I'm Kouta's sister. Long story.

Sonya Kazuraba: Oh wow! I see.

Me: Yep

Poliwag: Can I try the Crystal Glasses now?

Me: Sure why not?

I gave them to Poliwag and he activated them and he saw he and Horsea having an awesome family on an island in the middle of a buffalo chicken dip lake. It was adorable.

Poliwag: Aww! (Tears up) Me and Horsea and our kids look so adorable! (CRYING IN HAPPINESS)

Horsea: Aww so awesome!

Qin: Yeah.

Horsea: Let me try the glasses now!

She tried them on and activated them and saw Horsea and the mascots THRASHING AND SMASHING AND BEATING UP THE DIGIMON EMPEROR IN OUR PRISON AND MAKING HIM PAY FOR HIS CRIMES AGAINST NICO AND THEY KILLED HIM BY SLASHING HIS HEAD OFF!

Horsea: YEAH WE'RE GOING TO THRASH THAT DIGIMON EMPEROR DIRTCLOD GOOD!

Me: WHOA! She must've seen them beating up the Digimon Emperor and killing him too.

Nico: Yep. Nice.

Lincoln: Tick tock, guys, tick tock! Vlad's still out there. And considering the main mission later, I don't think it's wise to keep him waiting!

Me: Oh right. Sorry buddy.

Lincoln: No worries. (Sensed for Vlad) AHA! There he is! I just spotted Vlad, he's 20 yards away in the training bay of the Treehouse.

We then walked to take down Vlad and get The Crystal Glasses.

We were walking, and there, we saw Vlad.

Me: There he is.

Nico: Shall we give him our greeting?

Lincoln: Gladly. One Russian style greeting coming right up.

Suddenly, Lincoln formed a massive ice blue energy ball with snow, ice, snowflakes, and ice crystals surrounding it.

Lincoln: (Echoing Voice) PHOENIXHEART ARCTIC ICE STORM BURST!

Lincoln fired the massive energy ball and it hit Vlad and he wound up getting frozen in a block of ice.

Me: WHOO! Now, that's cold!

Nico: No fooling, wow!

We landed. Then...!

POW!

Lincoln punched the block of ice and shattered it, and Vlad was freed, but he wound up getting a case of frostbite.

Lincoln: (Speaking Russian) Что с вами, товарищ Влад? Я думал, вы привыкли к холоду. (Translated: What's the matter, Comrade Vlad? I thought you'd be used to the cold.)

Exile: (Russian Accent) I thought so too, but your ice powers, they're even stronger than ever, Comrade Lincoln.

Me: I agree.

Nico: Wow. So, not even the toughest person could survive cold that intense.

Shanan: Planet Glaciana's power did this.

Gallia Glaciana: That and all the training we ice wielders gave him.

Nicole: I was about to say. (Sensed something bad) Oh shit, Lincoln, watch out!

Lincoln dodged an incoming strike from a halberd.

Caleb Maxwell: What the hell was that?!

Lincoln: I think I know what that was. It's been two years since I killed you, Lu Bu.

Suddenly, we saw who it was that tried to attack Lincoln: it was Lu Bu.

Sun Shang Xiang: It's no coincidence Lu Bu would come after us.

Lincoln: Dark Chase Young may not have sent him after us, but I can think of one pig who'd do this. (Growls) Dong Zhuo.

Lu Bu: That pig didn't sent me to do his dirty work, I came here on my own. Come then, entertain me just like before.

Caleb Maxwell: Why you...!

Me: (Speaking in Russian) Привет, Влад, приятно видеть тебя в твоем лесу в матушке-России. (Hello Vlad nice to see you in your neck of the woods in Mother Russia.)

Vlad: (Russian Accent) Nice to meet you at last Comrade Knudson. Comrade Spicer good to see you again.

Jack Spicer: I missed you too. But you're still not invited to Megan's next birthday after that jumpscare prank.

Me: He did that to Megan?

Jack Spicer: Yeah he sure did. It was for my cousin Megan.

Me: I see.

Vlad: It wasn't all that bad.

Me: Oh really.

Vlad: You have something of mine.

Me: Oh you mean these?

I pulled out the Crystal Glasses.

Vlad: That's them.

Me: Well then come and take them. But it's not going to be easy. Just ask your comrades on the Heylin side.

Vlad: Did you try them at least?

Poromon: We sure did!

Me: The mascots saw all kinds of things in the future. Lynn saw her brother killing Dark Chase Young.

Lynn: Have you ever heard of the Prophecy of Amaterasu?

Vlad: Ah yes Comradess Lynn. The Prophecy that will bring down the monster Chase Young.

Me: That's right. Lincoln is chosen to bring down his 1,900+ year reign of terror.

Vlad: Yes indeed. I never liked that jerk.

Me: Neither have we. He always found TONS of ways to piss us off.

Jack Spicer: I saw how he was to you before.

Me: A Grade A absolute asshole.

Vlad: Indeed. He was going to kill me in the end.

Me: He was going to kill everybody. But thankfully Omi and friends stopped him.

Vlad: Yes.

Me: How about this? You can join up with Vypra and the M.O.E. After we defeat you? Sound like a good offer?

Jack Spicer: Bottom line? The Heylin Side sucks. It's why I left.

Vlad: That is true. I will join the M.O.E. On one condition.

Ray Fillet: And that would be?

Vlad: To have all the borscht I want for my meals there.

Ray Fillet: Done.

Yolei: I love borscht!

Me: Yolei loves Russian food as much as anyone in Mother Russia.

Vlad: She has good taste.

Me: Yep. Also later today we're going after Dark Chase Young to end his reign of terror for good. He's located on a distant planet in a volcano called Mount Horrorflame. I'm having King Kai look into where it's at. It'll be a while before we find it.

Vlad: Good. Anyway shall we dance?

Me: Like this?

I danced Russian style.

(RUSSIAN MUSIC PLAYS)

Me: HEY!

I danced with him.

Jack Spicer shurgged join in with the dancing

We danced too.

Anastasia: Russian Dance Music is fun.

Numbuh 521: It sure is comrades.

Zangief joined in too being from Russia. We were having fun.

Me: Good dancing.

Vlad: It sure is.

Eddy: Left yourself open!

Eddy fired his blaster and blasted him.

Mega Machamp charged at him and bashed and smashed him and bashed him.

Me: Dark Spicer has the Antitrix. Jack was purified and relieved of his dark side back in 2019.

Vlad: Ah its been a while since fought last.

Me: It sure has.

Lori: Literally.

Vlad: Indeed and Comradess Lori you have the eternal gratitude of Mother Russia for destroying Rasputin. I never liked that guy.

Lori: No one has.

Me: He was a monster.

Anastasia: Especially after how he destroyed my family.

Vlad: Indeed your highness. I'm sorry for what happened.

Anastasia: I'm just glad my family can rest.

Lori: To be honest, he was one of the first villains to be fought in the simulator

Me: It's true.

Nico: Yep.

Vlad: I see and I'm glad you fought and killed him.

Me: Yep. Now that we got the chat done shall we resume?

Vlad: We shall.

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted him.

Nico: Never gets old!

Me: No it doesn't!

Numbuh 521: Nope. J.D.?

She beckoned me and whispered something into my ear and I was shocked.

Me: Oh man! That's crazy Yulia.

Nico: What did she say?

Me: They torture the prisoners in the White Swan and Black Dolphin prisons by making them watch Blood and Honey.

Nico: REALLY!? Oh fuck!

Poromon: LOOK AT IT!

Me: Poromon!

Poromon: Sorry.

Poromon pecked at him.

POINK POINK POINK POINK!

Poliwag and Skitty slapped him all over the place!

Sonya: HENSHIN!

She donned the Strawberry Arms and turned into KAMEN RIDER ICHIGO!

Sonya: Yep. Watch. STRAWBERRY KUNAI BARRAGE!

She fired waves of Strawberry Kunai and slashed him all over the place!

Me: And the Spotlight is on you Vlad for us kicking your butt!

Nico: Ooh nice!

Qin: Yeah!

Strawberry Sunrise: Lets make this a Strawberry themed combo first.

Sonya: Lets!

Strawberry Sunrise and Sonya: STRAWBERRY PIE MEGA BOMBS!

They fired strawberries and it formed into Strawberry Pies and they hit Vlad and exploded!

KRABBBBBBBOOOOOOOOMMMMMM!

Me: WHOA! Now I got a huge craving for strawberry pie all of a sudden!

Kouta: Now with me!

Kouta and Sonya: FRUITS OF HELHEIM BARRAGE!

They fired waves of energy and fruits and blasted him all over the place.

Me: Vlad you know what the worst fruit of all is?

Vlad: What would that be?

Me: The Durian fruit!

I activated the Durian Lockseed.

Me: DURIAN STINKYNESS BLAST!

I BELCHED AND FIRED A BLAST OF STINKY DURIAN BREATH AND BLASTED HIM!

Nico: OH GOOD GOD!

Qin: OH YUCK!

Me: Durian's smell like rotten socks and taste like rotten almonds.

Kouta: It's true!

Me: It's one of the reasons why they are banned in Southeastern Asia.

Vlad: YUCK!

Me: No kidding.

Me: Got it, Lincoln.

Caleb Maxwell: We can't let Lincoln fight him on his own, this guy's giving off an aura of pure untamed fury.

Sun Jian: It'll be okay, Caleb.

Nicole: Master Sun Jian's right, Caleb. Two years ago, Lincoln beat Lu Bu and sent him to The Black Gates, and he'll do so again, but this time, he'll ensure he dies here once and for all.

Lincoln went after Lu Bu and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 105 massive and long brown wolf tails, and letting his massive white wolf with massive white angel wings companion also attacked them too with incredible fury and he fired intense fire blasts at him and they exploded with fiery and intense power.

Then, they clashed ferociously on the field and flames sparked immediately. But, then, an ominous red and black aura surrounded Lu Bu.

Cage Blunt: Okay, this is starting to get dangerous!

The battle was getting even more intense, but Lincoln found an opening as he disarmed Lu Bu of his halberd, and...!

SHEEN!

Lincoln ran his massive greatsword right through Lu Bu's chest: it was finally over.

Nicole: He did it. Lincoln triumphed.

Suddenly, the red and black energy aura began flowing out of Lu Bu and into Lincoln as he began sucking out and assimilating Lu Bu's Superhuman strength, Warrior skills, Extremely high intelligence, Cunning, Combat proficiency, Swordsmanship, Horsemanship, Poise, Political influence, Agility, Merciless fury, Spear proficiency, and Weapons expertise, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, as soon as Lincoln was done, all that was left of Lu Bu was nothing: it's as if he vanished into a bright light.

Caleb Maxwell: What the? He's...gone. How on...?

Diao Chan: Lincoln absorbed all of Lu Bu's power, his unmatched strength, and abilities. But, the reason why is unknown. Unless...!

Lu Lingqi: Dark Chase Young..., that has to be the reason. Dong Zhuo tried to make a deal with him, but my father got in the way and tried to fight him. But, as strong as my father was, he was no match for him.

Xinnia Xiaolin Young: So, he went to fight Lincoln to try and get stronger, but Lincoln won once against Lu Bu once more, and he wound up absorbing all of your father's power, his unmatched strength, and abilities, Lingqi.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye with golden yellow circle around them turned crimson red, his fangs then grew longer and his rows of straight teeth remained the same, his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings remained the same, his 105 massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks in the back going down to his upper back became wilder and his large gold halo behind and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings turned neon red.

Lincoln had unlocked a more powerful version of Omnipotent Rage: LINCOLN HAS TRANSFORMED INTO TRUE OMNIPOTENT RAGE LINCOLN!

Lincoln, Nico, and I did one final powerful energy slash that hit Vlad hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Vlad was on his last legs and he was really really mangled.

Then, Lincoln fired a rainbow energy blast that turned into a straitjacket that tied Vlad up and he was sent to The M.O.E. through a portal Lincoln opened up. We cheered as we holstered our weapons and powered down.

Nico: That should do it.

Me: You said it.

Lincoln: That was an awesome battle, and we managed to get The Crystal Glasses and threw Vlad to The Masters of Evil.

Eli: That's for sure. But, with Dark Chase Young running loose, there's no telling what he'll do next.

Me: And we still got the added problem of Alecto Slytherin running loose as well.

Lincoln: We'll end Dark Chase Young for good and fulfill the prophecy and it'll also anger Alecto big time that he'll come after us just like Dark Sebastian and his demonic cronies, but we'll send him slithering back to the shadows where he belongs.

Me: Yep.

Me: We'll find out.

Nico: Oh, Volt Catfish, what do you like to do in your free time?

Volt Catfish: Oh I like working at the fish market and get fish ready for people to eat.

Me: Nice.

Qin: Cool!

Ronnie Anne: We'll have to stop by and get fish from you next time we make Abuela's soup.

Ymir: Abuela?

Me: That means Grandma in Spanish. Ronnie Anne's Grandmother Rosa makes great traditional Mexico soup and it's awesome.

Ronnie Anne: It's true.

Ymir: Wow! I'll have to try it.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Kimiko.

Kimiko: This could be another of my relatives.

Lincoln: Yep, but we also got to watch it, Dark Chase Young may have also sent another of Yami's demons to kill us. But, we'd killed all of Yami's demonic cohorts along with Yami, The Lord of Darkness himself and sent them to The Black Abyss, however, there are still others out there, but we'll be ready for them.

Eli: Right. Whoa, and one of The Anothers is The Avatar of The Jump Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Me: So we got Another Ray Fillet, Titanium Chef and the Flower Kunoichi Team.

Nico: Yep. And Volt Catfish, Tiera, Raiden "Ray" Pierce-Okamoto, Allie Underhill, Gabe Wallace, Nadia Lobachevsky and Alakshmi are up.

Qin: Yep.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow

angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Titanium Chef and Flower Kunoichi Team.

Me: WHOA! You know we should come up with a roll call for the Flower Kunoichi team.

Ayame: That would be awesome! Flower themed.

Me: It sure would.

Another Titanium Chef: (In a girls voice) I agree.

They reverted back and were the gene-slammers of Matador Fiend and Banderillero Fiend!

Nico: (GASP) Maria Matador and Billie Banderillero!

Maria Matador: Good to see you J.D.

Me: OLE! Pleasure to meet you girls.

Maria Matador: Si and you too J.D.

Billie Banderillero: Yeah.

Alexis: 2 gene-slammers for some of Titan's cards.

Maria Matador: That's right.

Me: Yep. By the way girls are the rest of the Anothers friendly or hostile?

Billie Banderillero: Friendly and Kimiko you are going to get a surprise from the another you.

Kimiko: Whoa! This will be interesting

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for Backup! (TURNS DIAL) MUSHROOM FORCE 6

She summoned Matango Mushroom People, Mayor Toadstool, Shroomy, SCP 5771, Mushroom Phantom Kraurum and Wild Wheel

Me: YEAH!

Nico: And now we wait.

Me: Yep. We don't have to wait long!

We saw Another Ray Fillet and Kimiko!

Me: This is gonna be fun!

Qin: It sure is!

Another Ray: (In a girls voice) It sure will be.

She reverted back and it was the Avatar of The Jump Card.

Lincoln: Jenna Jump! Wow!

Jenna Jump: Good to see you Lincoln. I know you are going to do great today.

Me: He sure will. Care to introduce us?

Anna Anyanova: Sure. This is Jenna Jump, Avatar of The Jump Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with incredible agility, jumping prowess, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Jump Clow Card, and the magic of Clow Reed. She's The Jump Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Jenna Jump is a master of the powers of The Jump Clow Card and she's a powerful master of jumping, agility, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Jenna Jump came to Royal Woods where she met Lincoln, and she taught him how to master agility, jumping prowess, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Jump Card, and the magic of Clow Reed, and over time, Lincoln gained incredible agility, jumping prowess, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Jump Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by jumping so high into the air, and she dropped down on them with her feet, and they were flat on the ground dazed and dizzy.

Me: WHOA! That is awesome!

Jenna Jump: It sure is.

Nico: And your friend?

Another Kimiko: A proud dragon of her sister.

Kimiko: (GASP) That voice

She reverted back and it was a pink hair version of Kimiko and had the power of Flowers.

Kimiko: SAKURA!

She went and hugged her!

Kimiko: I'm so happy to see you.

Sakura Tohomiko: You too sis.

Kimiko: Guys this is my sister Sakura. She is the Xiaolin Dragon of Flowers.

Me: WHOA! Pleasure to meet you.

Sakura Tohomiko: Same here. I heard all about Dark Chase Young causing problems. I'm here to help.

Me: We appreciate that. This Prophecy is very important to freeing the world of his reign of terror.

Nico: It sure is.

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead,

They got weapons from said teams.

Jenna Jump: No he didn't.

Sakura Tohomiko: I used my skills and trapped him in a dandelion cocoon and we ran.

Sakura Knudson: That explains why I found him sneezing for a while. He was extremely allergic to dandelions and they make him break out in hives and he sneezed uncontrollably.

Me: He had a nasty case of hay fever.

Sakura Knudson: He sure did.

Sakura Tohomiko: I can tell. Also Sakura you look so much like me. We could be twin sisters!

They squealed giddily!

WE LAUGHED!

Me: Yeah you two do look alike!

Sougo: (gets out Boonboomger Ridewatch) We're glad you're here

Geiz: (Gets out King Ohger Ridewatch) We could use all the help we can get later on.

Sougo got BunRedArmor while Geiz got KuwagataOhgerArmor

Me: Yeah this is Lincoln's day of reckoning and justice.

Sakura Tohomiko: I will gladly help you all.

Me: Awesome! Lets separate you girls.

We did so.

Nico: (Gets out Ray Fillet's ridewatch) MANTA it up!

May, Universe 666 May and Maria: (Gets out Flower Kunoichi Team's Ridewatches) FLOWER IT UP!

Tiera: (Gets out Titanium Chefs ridewatch) Lets Metal it up!

They used the powers of Ray Fillet, Titanium Chef and the Flower Kunoichi Team and they blasted the Anothers all over!

Nico: YEAH!

Poromon: Take that!

Then Cyborg Bear, Volcano Bear (OC), Universe 666 Vincent (Over the Hedge), Polarclaw (Robots In Disguise 2015), Ignited Golden Freddy and Sir Finkleberg (Fairly Oddparents) came.

Me: WHOA!

Nico: WHOA! Nice team Cyborg Bear.

Cyborg Bear: Thanks Nico.

Me: Look for the Bear Necessities!

Nico: You said it!

Crescent Grizzly: That means my team is next.

Me: Yep!

Qin: Awesome!

Then a smash was heard and in came a HUGE BIRD HEAD!

It ate the Anothers and spit out the ridewatches.

Me: WHOA! THAT IS A GINORMOUS ALBATROSS BIRD!

Qin: It's huge!

Giant Albatross: (In a girls voice) Sorry for the scare.

Nico: Adelaide Albatross! Wow!

She reverted back and landed in front of us.

Adelaide Albatross: That was awesome!

I purified the ridewatches that were covered in spit.

Me: Yuck!

Adelaide Albatross: Sorry about that.

Me: No worries.

Nico: Nice job anyway.

Adelaide Albatross: Thanks Nico. Just as fun as being down in Antarctica.

Me: Yep.

Tiera: Do you have any good memories of Nico?

Adelaide Albatross: I sure do. When me and Nico were down in McMurdo station and we were playing with the huskies there and one of them brought back a sword. This sword in my hands right here.

Nicole: WHOA! The Ice Sword of The Arctic Cold.

Adelaide Albatross: Yep. Its my weapon that chose me for that.

Me: Amazing!

Kate Lloyd: At least you didn't go through what we went through with the Thing.

Marissa Clarke: I agree there myself. But I think I remember seeing you there at McMurdo a while back.

Adelaide Albatross: I remember that Marissa. You found an amazing legend in Antarctica.

Nico: Yep.

Nico hugged her.

Nico: I've missed you.

Adelaide Albatross: Same here.

We went back home

Lincoln: Ah, we're here in Kansas, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're here to take down the clone of DarkMercury who has The Dark Jump Card in her hands, and once I suck out the powers of The Dark Jump Card, I'm also going to absorb the clone of DarkMercury.

Volt Catfish: I got a feeling it won't be easy though.

Lincoln: No, and we're going to be in for a tough fight, DarkMercury is the Hypothetical Akuma of Sailor Mercury and a master of water and ice. She was made because of Queen Beryl killing her and vowed to kill that monster.

Lincoln got out his sketchbook and we saw her: it was the planet Mercury with a blue aura surrounding her and a scary face.

Nico: Ooh boy.

Suddenly, we spotted the clone of DarkMercury, and then, Lincoln blasted him forcing The Dark Jump Card to come out and took on her true form. Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Jump Card and he began sucking out all his jumping powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Jump Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Jump Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Jump Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of DarkMercury.

We turned to the clone of DarkMercury who roared in anger at us and fired water and ice at us, but Lincoln absorbed the water and ice into his body.

Lincoln: Okay, let's get her.

Robin Hood went after the clone of DarkMercury, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit her, then he attacked him with the blades on his bow leaving scars on her, and he fired arrows at her that transformed into many arrows with leaves surrounding them and she got hit all over the place.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of DarkMercury and he began absorbing her and assimilated DarkMercury's powers of water and ice and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of DarkMercury and he also sucked out all the energy remaining in her soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Jump Card and Lincoln absorbed the clone of DarkMercury.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, blue sleeveless strapless top, blue skirt with Gem-Knight Lady Lapis Lazuli, white bridal gloves, blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Lady Lapis Lazuli, she has a greatsword, and with her are the four girls.

Lincoln: (GASPS) Laura Lapis Lazuli, Avatar and Gene-Slammer of Gem-Knight Lady Lapis Lazuli.

Laura Lapis Lazuli: That's right, and I got the girls away from the clone of DarkMercury and The Dark Jump Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Jump Card when I sucked out her powers and absorbed the clone of DarkMercury. (To Laura Lapis Lazuli) And it's so good to see you again, Laura.

Laura Lapis Lazuli: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Laura Lapis Lazuli had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Laura Lapis Lazuli was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We

hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Laura Lapis Lazuli: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Laura Lapis Lazuli's waist and hugged her, and Laura Lapis Lazuli is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Laura Lapis Lazuli: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Laura Lapis Lazuli, Avatar and Gene-Slammer of Gem-Knight Lady Lapis Lazuli, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of

Lapis Lazuli gems and crystals. She's known as The Lapis Lazuli Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Laura Lapis Lazuli came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Rene Alaister, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Laura's parents in cold blood, and she swore to kill Rene Alaister and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Laura.

Lincoln with his massive muscular arms still wrapped around Laura Lapis Lazuli's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and

the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Laura Lapis Lazuli: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Lapis Lazuli with lapis lazuli gems on the gold lightning bolts and lapis lazuli crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Laura Lapis Lazuli: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Laura Lapis Lazuli.

Laura Lapis Lazuli had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Laura Lapis Lazuli's waist, and he leaned down to her face and kissed her on the lips, and with Laura Lapis Lazuli's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Laura Lapis Lazuli had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Laura Lapis Lazuli: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The four girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're

gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Akari Himeno, Kaede Shiina, Aki Kokonoe, and Yui Kurumizawa from Adam's Sweet Agony.

Lincoln: Oh whoa, it's Akari Himeno, Kaede Shiina, Aki Kokonoe, and Yui Kurumizawa from Adam's Sweet Agony.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're voluptuous school girls.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Akari Himeno: Yes, we're okay, thanks to you.

Akari Himeno: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akari Himeno: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akari Himeno, Kaede Shiina, Aki Kokonoe, and Yui Kurumizawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's clones.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she

has the body of a goddess and large breasts, tanned skin, long golden yellow hair, yellow eyes, massive golden yellow angel wings, and she has on a golden yellow bikini.

Lincoln: (GASPS) Briebella Cheesewheel, Queen of the Cheesairans of Planet Cheesaira.

Nico: The only surviving Cheesairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Briebella Cheesewheel, Queen of the Cheesairans of Planet Cheesaira, she's Lincoln's Guardian Angel from the planet of Cheesaira in The Forbidden Zone. She was the Queen of the Cheesairans who ruled the planet of Cheesaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over all cheeses and the ability to grow even stronger, but she was also born with angel wings, the powers of honey, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Briebella Cheesewheel came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of all cheeses, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of all cheeses, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Cheesairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them trapped in a prison of the stinkiest cheese in the world with the power of Cheesaira.

Briebella Cheesewheel: And I knew Lincoln absorbed the souls of the male Cheesairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Briebella Cheesewheel: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Briebella Cheesewheel to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white

angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Briebella Cheesewheel with golden yellow gems on the gold lightning bolts and golden yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Winnie Goldhoney: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or

massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Briebella Cheesewheel: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Cheesairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Jump Card of all its powers and absorbed the clone of DarkMercury after he and all of us took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Laura Lapis Lazuli saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Laura Lapis Lazuli: My God, I was right that Lincoln's really grown into a 14'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Laura, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Laura Lapis Lazuli: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Laura Lapis Lazuli: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Buster Bunny took out a videotape.

Buster Bunny: Okay, guys, I think you're gonna laugh your heads off on this one. This was taken two weeks after we'd established our alliance, but of course, Sebastian was on the attack again, and he'd sent Raditz and Nappa to attack Plucky and Hampton separately and he attacked me, so we decided to use the reverse psychology trick The Eds used on The Kankers.

Babs Bunny: But, for this, Fifi, Shirley, and I decided to do just that.

Me: You know, I wouldn't be surprised if those three acted like The Kankers.

Bugs Bunny and Goku: Uh, about that...!

Nico: Oh God...! They did act like The Kankers.

Lincoln: In terms of physical violence, right?

Hampton Pig: Exactly. But, it got really ugly.

Buster Bunny put the tape in, and it played on the screen and it showed Acme Acres, it'd been two weeks since the toons established an alliance with The Z-Fighters after taking down Sebastian, but he and the resurrected foes of The Z-Fighters were on the attack again.

Past Plucky Duck: What's with those three monsters?! They're just like The Kanker Sisters!

We saw that Buster Bunny, Plucky Duck, Hampton Pig, Dizzy Devil, Gogo Dodo, Furrball, Babs Bunny, Fifi La Fume, Fowlmouth, and Shirley the Loon along with The Looney Tunes got beaten up badly by Sebastian, Raditz, and Nappa.

Past Plucky Duck: What? You too?

Past Buster Bunny: It all happened so quick!

Past Plucky Duck: What's with those stupid morons?! Why can't they just leave us alone!

Suddenly, a hideous odor came from Plucky's armpits.

Past Buster Bunny: GOOD GOLLY ALMIGHTY! What is that hideous odor?! Dizzy!

Dizzy shook his head.

Past Hampton Pig: Not Dizzy, Buster, it's Plucky.

Past Plucky Duck: Hey, I had a Mendez hairball stuck in the shower.

Past Buster Bunny: Calm down, Plucky. I'm sure if we put our heads together, we...!

Past Plucky Duck: YOU THINK OF SOMETHING, SMART GUY!

Babs whacked him on the head.

Past Buster Bunny: I got an idea, we'll use reverse psychology on them, but Babs, Fifi, Shirley, we need you three for this one, it's true we all hate that lunatic, but you three aren't going to like this.

Past Babs Bunny: Let's do this. (Tough Girl Voice) Buckle up, boneheads, cause you're going for a ride all the way back to Hell!

Nico: Ooh, nice one with the tough girl voice and Evil Dead reference.

Babs Bunny: Thanks.

Then, the screen transitions to the west of Acme Acres, and Sebastian, Raditz, and Nappa were plotting another attack on the toons.

Past Raditz: I say we head down there right now and destroy this pathetic town once and for all.

POW!

But, it got violent.

Past Nappa: If anyone's going to do that, it's me.

Suddenly, he was grabbed by the throat by Sebastian.

Past Sebastian Mendez: Oh no, you don't!

Then, he threw Nappa right into Raditz.

Past Sebastian Mendez: We're gonna play this right, so you need to obey every word I say, got it?!

Past Nappa: (Grabs Sebastian by the hair) We don't have to listen to a word you have to say!

Then, Nappa threw him right into a tree leaving a shaped hole in the tree.

Past Sebastian Mendez: (Gets out of the tree) Is that so?!

Nappa ran, but Sebastian ran after him, and...!

POW!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

THOSE THREE WERE BEATING EACH OTHER UP IN A MASSIVE FIGHT CLOUD!

Then, Babs Bunny, Fifi La Fume, and Shirley the Loon came down from the tree and approached the fight cloud!

Past Babs Bunny, Past Fifi La Fume, and Past Shirley the Loon: Hiya, boys!

Suddenly, they stopped!

Past Sebastian Mendez: Look, boys! Guess who's shown up to be skinned alive!

Past Raditz: Too bad your boyfriends aren't around to save you!

Past Nappa: Well, when we finish with you three, they're next!

Then, they started circling around them, and they were out for blood!

Past Sebastian Mendez: I say we tear their throats out and rip their heads off and leave their mangled bodies for all of Acme Acres to see, huh, guys!? (CACKLING INSANELY)

They were laughing malevolently!

Past Plucky Duck: You better right about this, or they're goners.

Past Buster Bunny: Have faith, Plucky.

Past Sebastian Mendez: I say, on the count of three, we jump them and tear them to pieces! Ready?!

Past Babs Bunny: Eh, buzz off, crazy!

Babs Bunny punched Raditz in the face and sent him flying off.

Past Sebastian Mendez: What the?!

Past Nappa: So, we got a couple of fighters, huh? Well, then, if you wanna fight, let's fight!

Past Sebastian Mendez: You little...!

Suddenly, Fifi and Shirley grabbed Nappa and Sebastian by the throat and sent them flying and they crashed into an area off-screen, and they did the same to Raditz, and that pissed off the two Saiyans and Sebastian, but they're already starting to freak out.

Past Sebastian Mendez: Those three are starting to freak me out, boys. (Pushes Babs, Fifi, and Shirley) BACK OFF, LUMPY!

Past Buster Bunny: Guys, look, it's working.

Past Plucky Duck: It is? I knew it's working.

Babs Bunny, Fifi La Fume, and Shirley the Loon got back up.

Past Raditz: What are they up to now?!

Past Fifi La Fume: (French Accent) Okay, boys, time to pucker up!

They put on lipstick and made kissy noises, and that caused those three to back up!

Past Raditz: Master, do something!

Past Sebastian Mendez: RUN FOR IT, BOYS!

They ran off! Then, as soon as the coast was clear, the boys came out.

Past Plucky Duck: Hah, take that, you monsters. Now, let's head home.

Past Buster Bunny: We're not done yet, Plucky.

Past Hampton Pig: Not done?

Past Buster Bunny: No, Hampton, in order to ensure a Mendez nightmare-free future, we must strike while the iron is hot.

Past Plucky Duck: No way, I'll wait for the movie.

Plucky Duck walks away.

Past Buster Bunny: (Smirks) Dizzy, please don't get Plucky.

Dizzy didn't move, but then, his feet started moving, and he went after Plucky, who didn't want to go.

Edd: This is just like our reverse psychology plan against The Kankers until it backfired.

Eddy: And it worked on two Saiyan warriors and a psychopathic bloodthirsty demon.

Nico: Wow...! That was...! Impressive.

Buster Bunny: But, here's where we struck while the iron was hot.

Then, the scene transitions to Perfecto Prep, the school where The Perfecto Prep students were at, but it was taken over by Sebastian Mendez and the resurrected foes of The Z-Fighters and used as their lair. Then, we saw Sebastian, Raditz, and Nappa inside as they raised the drawbridge and closed the gate.

Past Nappa: What just happened there?!

Past Sebastian Mendez: I don't know, but if those fools think they're gonna get away with this, they got another thing coming when I send Zarbon and Dodoria to bring me their heads!

Suddenly, Buster Bunny came out!

Past Buster Bunny: Hiya, boys!

Past Sebastian Mendez: (SCREAMS) How the?! How did you get in here? We raised the drawbridge and closed the gate!

Past Buster Bunny: That doesn't matter. Now, then...!

Buster Bunny slugged Sebastian hard in the face and he got a black eye! Then, the rest of the toons came out and attacked Raditz and Nappa.

Past Sebastian Mendez: They're starting to creep me out! Run!

They ran for the upper floor and Plucky was behind the door, and as soon as they were in, Plucky closed it!

Past Shirley the Loon: Surprise, surprise! Well, well, like I was waiting for you. So, who wants to be my training dummy?

Shirley the Loon got out spiked boxing gloves!

Past Raditz: They're so suffocating!

Then, Sebastian grabbed the phone!

Past Sebastian Mendez: That's it, I'm calling the cops!

But, as he picked it up, Fifi was there.

Past Fifi La Fume: (French Accent) Dial me for amour. (KISSING NOISES)

That freaked them out, and Sebastian tossed Fifi La Fume away and they ran for the gate, just to see Hampton Pig get out a bazooka, and they ran again only to run into Dizzy Devil who got out two swords and was spinning and about to chop them into pieces and they screamed like Hell. Then, they ran screaming into a wall leaving holes shaped like their silhouettes, but...!

We saw a Fifi-shaped hole as well.

Past Fifi La Fume: (French Accent) Perfect for a little amour, no?

They screamed and ran out. But, then...!

Past Buster Bunny: I got a guillotine with your names on it!

Buster Bunny had the guillotine out as well, and they screamed and backed away!

Past Buster Bunny: I haven't had that much fun in a long time. (Hands Plucky a knife) Here, Plucky, it's your turn.

Then, Plucky Duck went up to them.

Past Buster Bunny: Do it, Plucky, strike the blow that ends Sebastian's reign of terror on our lives.

Plucky Duck took the knife, but then, he got two more out, and he threw them right at the three of them, cutting their cheeks, and finally...!

Past Sebastian Mendez: THAT'S IT! ALL OF YOU OUT! NOW!

Past Bugs Bunny: What? But, we're just getting started.

Past Sebastian Mendez: I SAID OUT!

They ran off as Sebastian went ballistic and threw dark energy blasts at them like crazy.

Past Sebastian Mendez: I can't believe them, they caused us to freak out with all kinds of weirdo tactics!

Past Raditz: They're not getting away with this.

But, then, they heard Plucky Duck laughing and there, he spilled the beans, and when Sebastian heard it along with Raditz and Nappa, and practically, all of the resurrected foes, they were pissed!

Past Sebastian Mendez: I can't believe those goddamn...! (ENRAGED SCREAM)

Past Nappa: They made us afraid of them! That's it! Let's destroy them and their town!

Past Sebastian Mendez: BUSTER! YOU AND YOUR FRIENDS AND TEACHERS ARE GOING TO REGRET EVER CROSSING US!

They flew out of Perfecto Prep in an angry rage!

Past Buster Bunny: Oh, I wish you hadn't blabbed!

Past Plucky Duck: Why? Those lily-livered pussies don't stand a chance against us!

Past Sebastian Mendez: Now, you're calling us that! Raditz, Nappa, get them!

But, they got blasted by massive energy blasts by Lincoln's Guardian Angels off screen and they got killed as the video ends.

Me: Wow...! You tried to use the reverse psychology trick the Eds used on The Kankers, but that plan failed in the end.

Babs Bunny: Thanks to Plucky's big fat mouth.

King Kai: (Telepathically) I saw the whole thing all those years ago. Plucky, your big fat beak cost you and the others the chance of a nightmare-free future.

Plucky Duck: You make one mistake and already, you're marked for life!

Lincoln: Need we remind you of the snowball match that ended badly with your desire for glory a year ago, and you got pelted?

Buster Bunny: That's right, I hadn't forgotten.

Plucky Duck: Oh, the shame of it!

Sylvester Jr.: Hey, that's my line, Plucky! (To us) Anyways, that was just the beginning, and Sebastian wasn't gonna let that go easily, he still caused a whole mess of trouble back then before you guys freed him and most of your teachers' old enemies joined The Masters of Evil. But, not all of them, Dr. Gero is gone same with Frieza and Cell, but there is still the matter of King Piccolo and Lord Slug along with Garlic Jr. I'll need to keep an eye on them.

Bugs Bunny: The second they show up, they're finished.

Lincoln: That's for sure.

We got a shower, and then, Lincoln, Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi are heading to Bubblaine, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 14'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and Lincoln brought Misuzu Ichijou and Toshimi Niki back from the dead.

Misuzu Ichijo: Wow, we're here in Bubblaine, it's so beautiful.

Lincoln: You said it, Misuzu, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Miu Iruma: (Swooning) What a handsome and manly wolf hunk.

Suddenly, they saw the clone of Thundering Tigerhydra.

Lum Invader: Is that...?!

Lincoln: The clone of Thundering Tigerhydra, your hypothetical Akuma, Lum.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Thundering Tigerhydra and he began absorbing her and assimilating Thundering Tigerhydra's powers of lightning, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Thundering Tigerhydra, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi are in your harem, Linky.

Misuzu Ichijou, Toshimi Niki, Miu Iruma, Maki Harukawa, Mikan Tsumiki, Viola DeWynter, Kiki DeWynter, Hu Tao, Ginger, and Wasabi showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin the sent clone of Thundering Tigerhydra, the hypothetical Akuma of Lum Invader after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into her chest, and I absorbed her and assimilated Thundering Tigerhydra's powers of lightning. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Fluttershy, Lilja, Zak Saturday, Tree Hugger, Discord, Camo, Stealth Elf, Stump Smash, Zook, Wood Man and Hornet Man are going in and we're going after Sheep Creep and Arbor Eater.

Nico: OOH! This will be fun.

Me: Yep and we're going to Soda Springs for it.

Camie: Nice!

Fluttershy: This is gonna be so fun.

Lilja: (Icelandic Accent) It sure is!

Zak Saturday: YEAH!

Me: Lets get a move on.

We went into the simulator and it activated and we were at Soda Springs!

Me: We're here.

Nico: First spot where we battled Gulper.

Me: Yep.

We walked around.

Me: He's here somewhere.

Zak: Where's that sheep?

Me: Luckily I know how to flush him out.

I activated Ralph Wolf's Ridewatch and used my nose.

I smelled rotten lamb chops.

Me: Ew but he's this way.

We went and got to a floor and saw SHEEP CREEP!

Sheep Creep is a sheep who is one of the Life villains in Skylanders: Trap Team. According to Buzz, he was originally sent to Cloudcracker Prison for leading a unlucky sheep rebellion. He was found in Soda Springs, and is notably the first villain to be fought and captured, despite his rapid fire cork guns.

In Skylanders: Battlecast, Sheep Creep is used by Buzz as a sparring opponent in the Skylanders Academy section in the Second Dimension. He is one of the only enemies without character spells other than his Special Ability, but compensates with a lot of health. He also appears as a trappable villain in Skylanders: Lost Islands, where upon being trapped, he will help the player by causing Giant Sheep to escape from all defeated sheep mops, with said Giant Sheep giving great rewards upon their defeat.

Me: There you are.

Sheep Creep bleated.

Zak: Fluttershy, can you understand him?

Fluttershy: I sure can.

She used her powers and we could understand Sheep Creep too.

Sheep Creep: You will not stop me from leading a rebellion! Skylands will be ours for the sheep alone!

Me: Oh yeah? Well we won't let you!

Sheep Creep: Then we'll destroy you!

A roar was heard and out came ARBOR EATER!

He was a tree monster!

Me: WHOA! You are an ugly tree monster!

Qin: Lets get them!

Fluttershy: I am the Guardian of Kindness and my friends are for nature and love, My cutie mark comes to life, my Kindness flies like a dove!

Leaves and butterflies flew around her

Camo: (Spanish Accent) FRUIT PUNCH!

Stealth Elf: SILENT BUT DEADLY!

Stump Smash: DROP THE HAMMER!

Zook: (Jamaican Accent) LOCKED AND LOADED! HA HA HA HA!

Zak: We can understand you now!

Me: We sure can!

Sheep Creep: Lets dance!

He fired missiles and we dodged them and fired waves of leaves and grass!

Fruit Punch fired explosive plants.

Stealth Elf fired waves of energy.

Zook fired blasts of pineapples.

Stump Smash fired pinecone bombs.

We fired waves of energy and blasted them both.

Nico: He's putting up a good fight!

We dodged their strikes.

Me: Lets show a good combo and display of teamwork!

Fluttershy, Lilja, Zak Saturday, Tree Hugger, Discord, Camo, Stealth Elf, Stump Smash, Zook, Wood Man and Hornet Man: LIFE OF KINDNESS NATURE STRIKE!

They fired waves of leaves, grass, flowers, fruit, wood, weeds and energy and blasted them both and knocked them out!

SHEEP CREEP AND ARBOR EATER DEFEATED!

Me: That was too easy.

Nico: Yep.

Fluttershy: May I?

Me: Sure.

She held up 2 traps and green vortexes appeared and then sucked in both Sheep Creep and Arbor Eater!

They were locked in the traps!

SHEEP CREEP AND ARBOR EATER TRAPPED!

Fluttershy: (Giggles) Now you have to be good under me.

Me: Yep.

They agreed.

Me: That was WAY too easy.

Nico: Minor villains. But worth it.

Me: Yep. And we have many to go.

We left the simulator and cheered.

Me: (YAWNS) I'm going to go take a nap.

Nico: Okay.

I went to my room.

---

2 hours later, I was sleeping in my room and just waking up. But then I heard skittering and saw NUMEROUS SCRIBBLE BALLS IN MY ROOM!

Me: WHAT THE!? What are all these!? Where did you all come from?

I went to the living room and came down.

Nico: You got these guys in your room too?

Me: Yeah what are these?

Mac: Oh no! The Scribbles have been let out!

Me: Scribbles?

Mac: I'll explain later.

Kimiko was meditating.

Kimiko: Better see what the mascots are doing.

We went to Fosters and went in.

We saw the house COMPLETELY innundated in Scribbles!

Me: HOLY COW! Look at all these!

The imaginary Friends were trying to put all the Scribbles back into a room.

Me: What happened here?

Frankie: Well I'm afraid the Mascots released the Scribbles.

Nico: (Sternly) Poromon, Poliwag!

Lincoln: What did you guys do?!

Poromon: Curiosity?

Me: Boy they are all over the place! Are they imaginary friends?

Frankie: They are technically imaginary friends.

Mr. Herriman: There is nothing friendly about them. These things are the prenile ruminations of neonates. The witless celebrations of bratlings. Infant thoughts everyone.

Frankie: The first imaginary friends created by babies.

Me: Really? Whoa that is amazing. I don't even remember making one of these.

Nico: Me neither.

Lily: You usually don't remember anything about being a baby at all because your brain is still developing.

Sakura Knudson: These are amazing though.

Me: How come you have to keep them locked up?

Mr. Herriman: Because they are bothersome, mindless, annoying and a considerable nuisance. Need I remind you Ms. Francis?

Frankie: (Annoyed) No.

Mr. Herriman told us that when Frankie was a little girl during the fall season of 1984 she released the Scribbles. Tens of billions of them and they exploded out all over the house.

Mr. Herriman: We had to take up residence in the Unicorn Stables for 46 days while everyone cleaned them all up.

Madame Foster: It was like camping.

Me: Whoa!

Qin: I had no idea!

Ymir: Me neither. And there are so many of these Scribbles. How many are there?

Me: I would say hundreds of billions of them.

Energon Scorponok: (to the mascots) Nice going!

Mascots: Sorry.

Me: This reminds me of several instances I remember where we had situations involving creatures like these.

Twilight Sparkle: Same with me.

Carrie Kirk: Me too involving Captain Kirk.

Twilight Sparkle: One time we had a Parasprite infestation and they were eating everything in Ponyville.

Pinkie Pie: I had to use several instruments to guide the Parasprites back to the Everfree Forest!

Me: WHOA! Also this reminds me of the episode of Star Trek called The Trouble With Tribbles.

Nico: That was a funny one.

Carrie Kirk: It sure was. The Tribbles multiplied like mad all over the Enterprise and it was crazy.

Me: Yep. Many of us have had coincidental run ins with creatures like these.

Nico: Yep.

Me: Also I've had a run in myself in 150,000 years.

Frankie: Really?

Me: Oh yeah. It was an event called the Great Onbaa Infestation.

Naruto: Oh yeah! (LAUGHS) I was laughing so hard I thought I was going to faint!

Nico: What happened?

Me: Well it was after me and Naruto got back from defeating a bunch of bandits in the Yamabuki Pass.

FLASHBACK - 150,000 YEARS HENCE

Lady Tsunade: The Onbaa are no longer a legend! Are you happy? They are mating like rabbits in the woods outside the village and the Eagles are scooping them up and dropping them here.

We saw an Onbaa on Lady Tsunade and Shizune.

Me: Holy shit! I had no idea they would be this bothersome! Anyway I do have a solution.

I pulled out a flute.

Me: Watch.

I played a tune.

Me: (PLAYING PAPEL DE PLATA)

The song hypnotized the Onbaa and I walked and the Onbaa followed and Lady Tsunade and Shizune were amazed too! I walked and everyone saw me having the Onbaa follow. I lead the Onbaa back to the forest and everyone was happy and they were grateful.

FLASHBACK ENDS

Nico: WHOA! Just like the Pied Piper!

Gwen (TD): That was cool!

Frankie: It sure is.

Fortress Maximus: This had to happen before the ultimate fight.

Carrie Kirk: Let me help with this.

She used her antennae like flutes and had the Scribbles all go back into the room and we locked the door.

Me: There we go.

Nico: That was clever!

Me: It sure was.

Carrie Kirk: Thanks.

Nico: (sighs) Thank goodness

Me: At least they won't be staying in the stables for 46 days.

Nico: True. Poromon, Poliwag, mascots, you all must be punished for this.

Frankie: And I have just the thing. For 1 week you'll clean up Fosters.

Poromon: Okay.

Poliwag: Yeah.

Me: But they'll start tomorrow. We got a big battle coming up.

Frankie: Oh right! The Prophecy! I forgot it was Kimiko's day to shine so that means the prophecy is today.

Me: Yep.

Wilt: That will be interesting to see.

Eduardo came!

Eduardo: Hola guys! We got two big pokemon outside!

We went outside and saw a Mega Jirachi and Mega Miraidon!

Me: WHOA! Mega Jirachi and Mega Miraidon!

Jirachi: One of my kind!

Qin: COOL!

Nico: Must be some of Dark Gale's work.

Carter: Let me see

Right Suzuki: Same here.

They used telepathy and gasped.

Carter: Oh man! That Mega Jirachi is my long lost sister Catherine!

WE GASPED!

Dana Mitchell: Oh wow!

Right Suzuki: And that Mega Miraidon is my sister Sevina!

Me: WHOA! We'll have to hear their stories later. Lets go help them.

We went over to them.

Carter: Catherine it's me Carter.

Right: Sevina it's me Right!

The Mega Jirachi made a wish.

Jirachi: She's making a wish!

She rained down donuts!

XYLOPHONE TUNE DOWN!

Horsea, May and Maria were buried in a huge pile of donuts!

Maria: Whoa Donuts!

May: (Eats one) Mmm! Mint Chocolate Amaretto cream filled! Delicious.

Horsea: This is a tasty one.

They got to eating!

Me: That was cool.

Horsea ate a donut

Horsea: (Eating one) Mmm! Cinnamon Caramel Vanilla.

Maria: (Eating one) Mmm! Banana Honey Cream filled.

Nico: Yummy!

Me: That is awesome. Lets get them back to normal.

Carter: Good idea.

But then Mega Jirachi wished for something else. Suddenly a MASSIVE SHOWER OF ANVILS RAINED DOWN TOWARDS HORSEA!

Me: INCOMING!

Horsea: UH OH!

Horsea put a clone in front of the anvils and then...

BLANG! BLANG BLANG BLANG BLANG BLANG BLANG!

They squished the Clone flatter than a pancake!

Me: YIKES!

Qin: That was cool!

Lola: Yeah!

Me: Okay then.

I snapped my fingers and they reverted back.

Catherine was a girl with orange hair and orange eyes and had phoenix wings and had Mega Jirachi on her forehead and had the Lightspeed Rescue Rangers symbol with 4 comets in a square formation on her arm as a cutie mark. Also she had a tattoo of the no sign over the symbol of queen Bansheera. Sevina was a girl with black hair, purple eyes, had white angel wings and had Mega Miraidon on her forehead and had a bullet train with rainbow fire and the ToQgers symbol on her arm as a cutie mark.

We wrapped them in blankets and brought them to a bench.

Me: There.

They woke up and saw Horsea smiling.

Catherine Grayson: (Groans) Huh? A Horsea?

Sevina: What happened?

Horsea: You hit my clone! And you made really delicious donuts.

Catherine Grayson: Oh.

Carter: Sis? You okay?

Catherine Grayson: (GASP) Carter!

She hugged him!

Catherine Grayson: I'm glad to see you!

Carter: Me too! I thought you were dead.

Catherine Grayson: I'm not dead.

Carter: Good. She was given Phoenix Wings as part of an unexpected side effect from a blood transfusion given to her from

Vypra long before she became a Lightspeed Rescue Ranger. She got intense power from it. Also she made it a mission to redeem Vypra and help her be a force of good.

WE WERE SHOCKED!

Me: Vypra saved her life!? Oh man!

Carly Atlas: I knew we had the right choice to lead us!

Me: Yep. Also Vypra wants to kill Queen Bansheera for everything she did.

Catherine Grayson: I heard. I want her destroyed too.

Me: Looks like we all do.

Right: Yep. And Sevina it's good to see you.

Sevina: Right!

She hugged him.

Right: I'm glad to see you.

Sevina: Same here.

Me: You both were turned into Mega Jirachi and Mega Miraidon by Dark Gale.

Catherine Grayson: Never heard of them. I was fighting this weird Cthulhu Reaper monster.

Eli: (GASP) That was Soft Body Psyma Beast Deathmine.

Nico: That's one of the Japanese Monsters of GoGoV.

Me: An Unadapted monster.

Catherine Grayson: Oh man! That was crazy.

Me: It was.

Sevina: I was fighting Tank Top Shadow.

Eli: I remember him! He was from the They Went and Came Back Again Ressha Sentai ToQGer: Super ToQ 7gou of Dreams movie.

Me: I remember that one too. That was crazy.

Nico: Yeah.

Poromon: What are your colors?

Catherine Grayson: I'm the Orange Lightspeed Rescue Ranger and I specialize in rescues from Volcanic Eruptions.

Me: That is amazing.

Catherine Grayson: It sure is.

Sevina: I am the White ToQger and I use the Hypersonic Police Bullet train Ressha.

Me: WHOA! That is amazing!

Nico: Hypersonic Bullet Trains are cool.

Me: Yep.

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them new clothes. Catherine's were orange and Sevina's were silver.

Carter gave her morpher and her Thermo Blaster to her. And she had a phoenix sword

Right gave her Morpher and Ressha to her.

Catherine Grayson: We look great.

Sevina: I'll say.

Me: You sure do.

Sevina: Wait where's Emperor Z?

Supernova Zap: Oh he is my archenemy.

Nico: Long story on that. We met the ToQgers on my birthday and we battled the monsters you mentioned.

Me: I tested the full extent of my power on him and my rainbow aura showed to be a "Magnificent Sparkle" to him.

Nico: It's true.

Sevina: Wow!

Nico: (to the mascots) Your punishment in cleaning Foster's begins now.

Poromon: But we'll miss the big battle!

Nico: (fake sad voice) That's too bad, isn't it? (sternly) Get to work.

Clayface: You heard the man.

Poliwag: Oh, c'mon!

Nico: (growls) Want me to spank you guys as a physical punishment too?

Me: Enough! We got bigger things to worry about now. Lincoln's day of reckoning is now and we don't want to miss the fireworks. Besides we've been preparing for this for a while. Nico let the mascots start their punishment tomorrow. We got other problems to worry about.

Nico: Oh you're right.

Mr. Herriman: Regardless of what it is today, Master Nico has the right idea. Master Poromon and the other mascots need to clean up after their mess.

Me: They know that Mr. Herriman. But our duty comes first.

Mr. Herriman: I suppose you're right.

Frankie: Be careful out there guys.

Me: We will.

Nico: Right.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Dark Chase Young starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Dark Chase Young, he's on Mount Horrorflame on the planet Dhakgun, and he's planning his final attack. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally made your move, Dark Chase Young. Now, the prophecy shall finally be fulfilled.

Eli: It is time.

Lincoln: Yes, time for the prophecy to be fulfilled.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was Dark Chase Young, he's on Mount Horrorflame on the planet Dhakgun, and he's planning his final attack.

EVERYONE GASPED!

Me: The volcanic planet Dhakgun! Oh man!

Qin: WHOA!

King Kai: (Telepathically to us) Nico, J.D., everyone can you hear me?

Me: Loud and Clear King Kai is something wrong?

King Kai: I found out that Lincoln is right. Dark Chase Young is on the volcanic planet of Dhakgun. But there's more to it. After the Xiaolin Warriors defeated him back in 2015 after he tried to destroy the entire universe the first time, he was banished to the distant edge of the universe to Mount Horrorflame on the Distant Volcanic planet Dhakgun. It's a dangerous rogue planet located 13.2 billion light years away from Earth. But even that didn't stop him from wreaking havoc all over the universe. From Dhakgun, he was responsible for starting the events that lead to Andross becoming Powermad and many more that lead to so many lives being destroyed.

WE GASPED!

Me: So the planet Dhakgun is his base of operations and where he was causing trouble!

Nico: OH MAN!

Kimiko: So, that's where he was banished to long ago.

Me: Long ago?

Lincoln: Something tells me there's more to the story of how you guys defeated him long ago. We'll have to hear it when we get to this rogue volcanic planet.

Nico: Same here. Something tells me this is how he decided to cause havoc in the universe. Alright, everyone, it's time. This is where we fulfill The Prophecy of Amaterasu.

Lincoln: And where we bring an end to Dark Chase Young once and for all. He's lived for too long, now this is where it all ends for him!

Raimundo: What about his other hideout?

Lincoln: His hideout Mount Horrorflame is located there on Dhakgun.

Raimundo: Oh I withdraw my question.

Maria: I've called for Reinforcements.

All the M.O.E. came and all our allies from all over the universe arrived.

Vypra: We're here guys!

Dark Spicer: And ready to kick some butt!

Catherine Grayson: Hey Vypra.

Vypra: Catherine!

She and Catherine hugged.

Catherine Grayson: I'm glad to see you again.

Vypra: Me too.

Nico: Awesome.

Speed Demon: Now that we're all here can me and the previous group come with us?

Nico: Sure.

Girder: FYI, said previous groups includes me, Speed Demon, Bane, Eris, Eccentro. Harpymon, Thundermon, Electropede, Chillyfish, and Dumbbelltron

Nico: I know.

Maria: Yep and that's not all. Look outside.

We looked outside and saw a MASSIVE AND HUGE ARMADA OF MILLIONS OF SPACESHIPS, STARFIGHTERS, STARSHIPS AND MORE!

Me: HOLY SHIT!

Qin: Look at all those starships!

Captain Kirk: We got your call guys!

Spock: Looks like you all could use a hand.

Me: You all made it just in time.

General Pepper: We're ready!

Me: Awesome!

Skullgrin: Boss, which Gene Slammer do you think you'll meet next?

Nico: Scoria Wurm next.

Me: Cool!

Qin: Yep.

Lola: Awesome!

Me: All right guys! This ends NOW!

Lincoln: For too long, Dark Chase Young has lived and now he will die!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Bahamut, The God of War, and the overarching antagonist of Final Fantasy XV, and he's here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Bahamut, The God of War, and the overarching antagonist of Final Fantasy XV, and he's here to destroy us.

Sakura Rin Cooper: He may be The God of War, but he's a tyrannical dragon who tried to destroy humanity, eliminate the Lucians and Oracles, and maintain his rule over Eos. He needs to pay for this dishonor.

Lincoln: That'll be left to us, Sakura.

Nico: That tyrannical dragon's going to pay for his crimes as well. Alright, team, let's get going to Dhakgun and to Mount Horrorflame! This is where we fulfill The Prophecy of Amaterasu.

Lincoln: And end Dark Chase Young's 1,500-year reign of terror and send that immortal draconic nightmare to a place far worse than The Black Abyss, and once we get done with him, you're next, Bahamut, God of War.

Sakura Rin Cooper: We'll make sure you pay for your crimes later, Bahamut.

Lincoln's Guardian Angels: Dark Chase Young, you have lived for too damn long! Now, this is where you finally meet your end once and for all!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we deployed The U.S.S. Valorous Phoenixes and we headed out to Dhakgun, the rogue volcanic planet and to Mount Horrorflame to fulfill The Prophecy of Amaterasu and send that monster, Dark Chase Young, to a place within The Black Abyss that's reserved for monsters like him, and once we get done with him, Sakura Rin Cooper and Lincoln are going to destroy Bahamut from Final Fantasy XV and send him to The Black Abyss after Lincoln absorbs him.

We went to our ship and we were off to Dhakgun.

The U.S.S. Valorous Phoenix and numerous ships were flying through space.

Nico: Captain's Log, Stardate 14111.1: The U.S.S. Valorous Phoenix and countless starships from all over the universe are all en route to the Volcanic Rogue Planet Dhakgun and the time has come for us to end the reign of terror of Dark Chase Young. The Prophecy is now upon us and it's time for us to make him pay for all his crimes.

Eris: Let's call Ssserpent for this

Ssserpent: I'm already right here. I was here with all of the group when Maria called in everyone.

Eris: Oh sorry.

Me: So what happened that lead to Chase Young being banished?

Kimiko: Well it was back in 2015.

Omi: We awokened the power of the Cosmic Dragon and used its power to destroy the powers of Chase Young. In doing so we banished him from Earth forever.

Me: Whoa!

Tae Kwon Crow: We can hit him with a harmonic slash

Me: That's exactly what we're going to do.

Nico: Yep.

Me: Yeah. Also without a doubt, Dark Chase Young is one of Anti-Monitor's most powerful goons.

Harpymon: Nico, don't you think you were a bit harsh to the mascots back there?

Nico: They need to learn the consequences of their actions!

Me: Nico they had no idea that they were behind that door.

Qin: Yeah.

Nico: I know. But still...

Me: Nico! That's enough. They will learn their lesson when they are back home. Now lets focus on the matter at hand.

Nico: (SIGHS) You're right. Maybe I am being too harsh.

May: It'll be fine Nico.

Bloo: I'm just glad I'm not the one who screwed up this time!

Eartha: Okay, don't need to rub it in...

Me: Yeah.

Bloo: Yeah I did that a lot there.

Qin: Oh boy.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the Volcanic planet of Dhakgun! It was a scary volcanic planet!

Me: WHOA!

Electropede: Scary place

Me: Yep.

Nico: Lets engage the heat shields and land.

We went down to the planet and landed and we got out. We saw that it was a REALLY FRIGHTENING planet!

Me: So this is planet Dhakgun!

Acid Man: Fascinating.

Qin: What a frightening world.

Xenia: It's like we've gone to hell.

Lola: Yeah no kidding.

Varie: It sure is scary.

Nico: Yep.

We went out and explored the planet.

Me: Wow this whole planet is a nightmare from the Inferno.

Varie: No kidding.

Dumbbelltron: Not a good vacation spot

Me: Yeah.

THUNDERCLAP! THUNDERCLAP!

Lightning streaked across the clouds of the planet.

Me: Wow!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Qin: Frightening place.

Me: After we kill Dark Chase Young we're blowing this entire planet to smithereens.

Nico: Good idea.

We went to find him.

We looked around the landscape and it was a really scary volcanic place.

Horsea was shivering

Maria: You cold Horsea?

Horsea: No I'm scared. This whole planet is a nightmare.

Maria: I know.

We then saw a horrifying looking volcano! It was MOUNT HORRORFLAME!

Me: That must be it! Mount Horrorflame!

Lincoln: That's it all right.

Me: We found Dark Chase Young's hideout.

Horsea was scared.

Nico: Sure is a scary looking volcano.

We heard the malevolent laughter of Dark Chase Young echoing in Mount Horrorflame, but we also heard the deranged laughter of

Alecto Slytherin.

Nico: He's in there alright, and it sounds like Alecto Slytherin is also there too.

Mathias Ravenclaw: The bastard must have some traps set up. Well, I'll fix him.

Mathias Ravenclaw used a spell that disabled Alecto Slytherin's traps, and that set the fucking snake off!

Nico: This has gone on long enough.

Me: Yeah. The Akuma probably is not too far behind.

Lincoln: And I know who it is too. It's Kimiko's Akuma InfernDrago. The Hypothetical Akuma of Kimiko and she is a dragon made of pure fire and has intense fire powers. She was made because of Chase Young killing everyone she knows and vowed to incinerate that monster regardless of him being immortal

WE GASPED!

Me: Whoa!

He showed a sketch of her and she was a dragon made of pure fire!

Me: Whoa man!

Kimiko: I look scary like that!

Lena Isis: She fits right here.

Phosphos: She sure does

Nico: On a volcanic planet like this it's not surprising.

We heard a roar and we saw a dragon and it was INFERNDRAGO!

Me: There she is!

She fired a massive blast of fire and we absorbed it!

She fired more blasts of fire and we absorbed it all.

Me: WHOA! Too hot to handle!

She flew up to us.

InfernDrago: So you all are here.

Me: You look amazing as a Dragon of Fire, Kimiko.

InfernDrago: I sure do.

Chillyfish: Kimiko, is that you? I definitely don't want to mess with you.

InfernDrago: Yes Chillyfish it's me.

Me: We all want to kill Dark Chase Young as much as you do. But Lincoln is going to be the one that kills him as part of the Prophecy.

InfernDrago: I understand.

Ssserpent: Can you calm down for us please?

InfernDrago: Only if you beat me.

Me: Okay then.

I fired waves of water and drenched her and she screamed in pain from it.

Ssserpent fired acid blasts and blasted her.

InfernDrago: My turn.

She fired a massive and intensely powerful blast of fire at us and we absorbed it. I fired waves of water and drenched her and knocked her out.

Me: That was easy.

Nico: Lets go get him.

Qin: This ends now!

Terrorsaur: Terrorsaur, Terrorize!

He transformed!

Me: Nice one.

Lincoln went wild on Dark Chase Young as he punched, kicked, and slashed at him like a wild beast, and he left scars on him.

Then, Lincoln held out his left hand and fired five massive balls of fire at Dark Chase Young, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT DARK CHASE YOUNG AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US AS WE WERE FIGHTING! The fight was so extremely ferocious that it was unbelievable that the entirety of the universe felt it. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno. Lightning intensified in the skies above to an extremely ferocious level and the fires of the Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. We were gonna make sure that Dark Chase Young suffers for an infinite number of lifetimes for his crimes against the Earth and Lincoln and countless lives all over the universe. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power. I then punched Dark Chase Young in the face and sent him crashing into the ground and he got up and then we charged toward each other and I punched him in the stomach and we clasped hands. Our auras flared up to such an extreme intensity, mine was rainbow and his was black and our power was so strong and powerful that it was making the entire area of the universe shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Massive fiery explosions blasted off everywhere from the fight and I punched Dark Chase Young in the face again and fired a blast of fire and burned a chunk of his face off.

Nico teleported and kicked him in his face.

I punched Dark Chase Young in the face!

I fired 4 more energy blasts at him from the smoke as he was flying and he stopped 2 of the blasts with his feet and the other two with his hands and he was struggling to hold them back. I fired another blast and he saw it coming and I flew up to him as the blasts hit and exploded. In the cloud of smoke I punched him and then we clasped hands and we flared up our auras. Our hands were locked together and our auras mixed and lightning clashed and formed in them. The storm clouds above us intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Tempest Shadow: Hang on. Do you guys get the feeling we're being watched?

The Chameleon Bot stopped in its' tracks.

Chameleon Bot: No. I can't be spotted here. It's too soon!

Lincoln; The only feeling I'm getting is rage. And I'm letting it on this dirtbag right here!

Chameleon Bot: Good. They're too busy with their battle right now. Better make sure it stays that way.

Jaime Diana Knudson: HOLD IT RIGHT THERE!

She saw the Chameleon Bot!

Jack Spicer: Chameleon Bot!? What are you doing here?!

Eccentro: So that's the Chameleon Bot, huh?

Jack Spicer: Yeah I made him.

Chameleon Bot: You're not really seeing me. I'm just a stress induced hallucination caused by your hated against Chase Young's dark side. You should probably get back to destroying him

Jaime Diana Knudson: I am no fool you know. I know you're trying to trick us with that.

He then turned into another Eccentro!

Eccentro: He's me!? Whoa!

Jaime Diana Knudson: Man that is impressive.

Jack Spicer: I built him to get the Shen Gong Wu while impersonating one of the warriors. Camouflage infiltration.

Chameleon Bot as Eccentro: Indeed.

He reverted back.

My shadow clone came.

Me: So you are the Chameleon Bot that Jack told us about. I'm a shadow clone so this makes it easier.

I used my Data Eyes and scanned him.

Me: WHOA! You were made for Camouflage and infiltration tactics. You can change into anyone and anything human or animal and infiltrate anyone or anything unsuspectingly.

Chameleon Bot: That is correct.

Me: Like Zeta who uses Holographic Disguising Technology.

Brad Morton: You're right about one thing. We're busy with this asshole. Whatever you're going to say, make it quick.

Chameleon Bot: You were not supposed to spot me. I was only supposed to scan you all to prepare for my battle tomorrow.

Me: I have a feeling you got something challenging coming. Looking forward to it.

Chameleon Bot: Indeed. And I will join the masters of evil if you defeat me.

Speed Demon: (to Lincoln) Hey, Lincoln. I know we're about to kill this dirtbag. But aren't you the least bit curious as to where some of the others are?

Lincoln: A Little.

Everyone came back.

Jaime Diana Knudson: Unexpected find. We'll tell you later.

Nico: Okay.

I ran at Dark Chase Young with powerful energy blasts in my hands. Dark Chase Young fired a massive energy blast at me and I jumped it and jumped behind him and I fired 2 powerful blasts! They hit him and exploded with tremendous power!

They concentrated and reigned in the powers of Mega Meganium, Mega Jirachi and Mega Miraidon and transformed and blasted Dark Chase Young all over!

Sly Cooper: Lincoln, if you would?

Lincoln: You got it.

Suddenly, light began shining down with such intensity, it began hurting the creatures that dwelled on this rogue volcanic planet, but we also saw it: this was what the prophecy foretold.

Lincoln: I have had it up to hear with you for the last time, Dark Chase Young. Every last life that you singlehandedly destroyed, the orchestration of my ancestors' deaths, the constant attempts to kill me and destroy my family and friends to prevent the prophecy from coming true, it all ends here! You've had this coming for a very long time, and now, it's time for you to die once and for all. This is the end of your 1,500-year reign of terror!

Suddenly, something in Lincoln's mind snapped as the crimes of Dark Chase Young from 1,500 years ago along with what he did in setting the events of that day in motion and turning Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into ruthless fuckkicker monsters long ago, and setting in motion the events of that day in 1621 rushed through his head and his deep sapphire eyes with a gold ring surrounding them turned neon deep sapphire blue and he was surrounded by a rainbow, white, golden yellow, and blue energy with aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness,

Lincoln: You were always nothing more than pure rotten good-for-nothing evil to the core, and your actions made it all too clear of what kind of monster you are, you're an absolutely heartless, soulless, remorseless, loathesome, sadistic, monstrous, conniving, black-hearted monster from the blackest and darkest depths of Hell who never ever gave a single damn about how your actions would affect those around. All you ever cared about was causing pain and misery to everyone around you and all for your desire to destroy me, my family, my friends, and finally, all of mankind and the world.

Eli: A MASSIVE DOWNPOUR OF BLOOD'S ABOUT TO RAIN DOWN! EVERYONE, BRACE YOURSELVES!

But, then, we saw a massive F5 tornado of golden yellow light surrounding the vortex.

Female Voice: Lincoln Loud.

Then, he saw a figure appear before him: it was Amaterasu, The Sun Goddess of Japan, and his previous incarnation.

Lincoln: Lady Amaterasu.

Amaterasu: Yes, Lincoln.

Then, Lincoln saw screens of his past and of all his past achievements playing before him as her Yata no Kagami mirrors showed him everything.

Amaterasu: Despite everything that happened to you, your heart is as strong and as pure as they come and the deeds you have done will take you far.

Then, another figure appeared before him: it was his ancestor, the legendary King Arthur of Camelot.

King Arthur: You've also grown into the noble, strong, courageous, and brave young man that you are now.

Then, Lincoln saw him and us destroying Anti-Monitor and restoring Twilight Sparkle from Sunny's World, and finally, all of us destroying Dark Chase Young. Then, he knew what he had to do.

Lincoln: (Elemental Forces Swirled behind him) I am The Reincarnation of Amaterasu and The Descendant of King Arthur of Camelot, The Champion of The Iroquois God of Thunder and The Gods and Goddesses, and The Champion of Friendship and Protector of Earth and loved by all that can lift a frown. When my Cutie Mark comes to life, the elemental storms of justice will strike evil down!

Amaterasu: You are indeed a force of good that will bring peace to all and your future is eternally bright.

King Arthur: You are the one who'll bring an end to the 1,500 year reign of terror of Dark Chase Young and bring peace to all. Now, go, fulfill your destiny.

Lincoln was then enveloped in a massive ball of light and rainbow energy!

LINCOLN'S POWER WAS RISING FAST AT AN ASTRONOMICAL LEVEL AND THEN A MASSIVE BLAST OF RAINBOW FIRE EXPLODED OUT AND WENT REALLY HIGH INTO THE SKY AND ENVELOPED EARTH OMEGA AND THE WORLD TREE ESTATE, AND THEY BOTH GREW EVEN MORE IN INCREDIBLE SIZE!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, ALL THE POWERFUL LANDS OF EQUESTRIA, THE SKYLANDS, THE ELEMENTAL REALMS, AND ALL THE WORLDS, STARS, AND PLANETS IN THE INFINITE REACES OF THE UNIVERSES AND BEYOND GLOWED AND THEIR ENERGY FLOWED INTO LINCOLN WHO WAS INSIDE THE MASSIVE BALL OF LIGHT AND RAINBOW ENERGY, AND THE VORTEX EXPLODED EVEN MORE INCREDIBLY! THEN, AS SOON AS THE VORTEX FADED, LINCOLN EMERGED FOREVER CHANGED, AND ETERNAL DAMNATION AND ETERNAL JUDGEMENT HAS FINALLY COME FOR DARK CHASE YOUNG AND THE INSANE MULTITUDE OF ATROCITIES AND CRIMES HE COMMITTED IN THE LAST 1,500 YEARS WERE ABOUT TO COST HIM HIS OWN IMMORTAL LIFE, THIS TIME, FOREVER! We were literally stunned, amazed, and struck with total awe at Lincoln's transformation, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Dark Chase Young, and he proceeded to brutally smash him into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and greatsword, and fired extremely powerful blasts of white and golden yellow wolf fire, light, golden moonlight, and ice, along with rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Dark Chase Young, and they exploded with such incredible power as they hit him, and it was brutal to the extreme!

Me and Nico: WHOA! INCREDIBLE!

Eli: UNREAL!

Qin: Damn!

May: Oh man! He's tearing him apart!

We then saw Lincoln's display of his newly acquired power: the heavenly lights shined down and the Archangels and Angels of Heaven descended and they attacked Dark Chase Young with their silver swords and firing beams of heavenly light that hit him and he was burned severely by the light of Heaven, then, soldiers of the ancient Gods and Goddesses appeared and they too attacked Dark Chase Young. Then, Lincoln used the powers of Twilight Sparkle and her friends and Sunny Starscout and her friends and he blasted him with elemental forces representing them and blasts of magic and they hit Dark Chase Young with incredible power and exploded, and he continued smashing him with his massive godly superhuman strength and he didn't give him any time to react because of his massive godly superhuman speed, agility, and reflexes as he delivered blow after blow of punches and kicks, and he was blasting him with rainbow, white, golden yellow, and blue energy, aura energy, elemental forces, animals, and mythological animals and he was showing him no mercy. He also let out a loud howl and a pack of werewolves and wolves came out and they tore Dark Chase Young apart with their claws leaving claw marks on him.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT THE DARK CHASE YOUNG, AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT DARK CHASE YOUNG AND HE GOT BURNED!

Luna: WHOA! Lincoln's really tearing that monster to shreds! This is incredible!

Lori: He's literally exacting brutal revenge on him big time!

Anna Anyanova: This is it, 1,900 Plus years of Divine Retribution!

Lana: Yeesh, I knew that was brutal, but this is overkill.

Then, Lincoln combined all of the curses he'd created over the years and the massive, wide, double-edged 20'9" gold blade glowed with rainbow light with black and red hellish flames and many other elemental forces associated with his curses, and he fired two beams of energy which hit Dark Chase Young, and he felt the massive brunt of all the curses Lincoln's created over the years and that also included The Lovecraftian Curses, and he screamed in incredible pain from the curses' full force attacks on him.

Dark Chase Young: (SCREAMS IN AGONIZING PAIN)

Lori: You literally brought that on yourself, you asshole! You poisoned me, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, and many others and turned us into ruthless fuckkicker monsters and we almost murdered our little brother and almost destroyed our own family.

Lynn: And you also destroyed the lives of many others before you, and when we've heard even more darker revelations about him, let me tell you, you make me sick to my stomach.

Lola: You're nothing more than an absolute heartless cold-blooded ruthless bastard who gets off on inflicting pain and misery on the innocent.

Lisa: Indeed, you're nothing but an absolute monster.

Luan: And now, you're getting 1,500 years of payback and retribution handed to you, you monster from Hell.

Lincoln's Guardian Angels: YOU DESERVE TO DIE FOR EVERYTHING YOU HAVE DONE AGAINST OUR MAN AND HIS FAMILY, YOU DRACONIC SON OF A BITCH!

Dark Chase Young: YOU MISERABLE...!

Then, Lincoln kicked Dark Chase Young away and he crashed into a tree, he got back out, but boy he was beyond pissed now, but Lincoln still had a calm smirk on his face, and then, he did the one thing that would piss anyone off.

Lincoln, Kimiko, Nico, and I and the rest of us went after Dark Chase Young and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark Chase Young, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Kimiko, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off Dark Chase Young even more, and we also fired energy blasts that shattered The Monitor Orb in Dark Chase Young's forehead and we got a massive power boost and he screamed in pain.

Plus, we saw the wounds Lincoln inflicted on him with his newly upgraded and evolved greatsword were so powerful, Dark Chase Young wasn't able to regenerate from them!

Dark Chase Young: WHAT IS THIS?! IT HURTS!

Shana Kyouka: This was our biggest project assigned by God to destroy you, Dark Chase Young. We forged The Shining Rainbow Master Sword, a powerful blade capable of destroying evil all the while purifying those with good within for only Lincoln to use, a sword so powerful that only those with the purest heart can wield it specifically Lincoln.

Rana Blastheart: And with the blessing of The Spirit of Harmony and the powers of The Elements of Harmony and The Unity Stones, it also became infinite-times more powerful than ever.

May Harime: And it also tracks down evil by letting off a powerful glowing rainbow light surrounding the massive double-edged blade, and those who have good within them, the massive blade will have white, golden yellow and blue heavenly flames surrounding the rainbow light surrounding the massive double-edged blade.

Toadlily Sakai: But those who are truly evil and are definitely beyond redemption, the massive blade will have black hellish flames surrounding the rainbow light surrounding the massive double-edged blade.

Rana Kuchiki: You've had this coming for over 1,900 years, Dark Chase Young!

Kitana Oak: You destroyed too many lives for the very last time!

Zelda Kusajishi: The countless souls of the innocent have suffered for too long.

Tammy Meadows: And now, this is where you finally meet your end.

Carly Katherine: At long last, your days of terrorizing the world and the universe end here!

Kyoko Tohomiko: Along with your life, this is for all the trouble you gave not only Our Xiaolin Golden Dragon of Light and Darkness, but also, Kimiko, Omi, Raimundo, Clay, Sarah, and all the other Xiaolin Warriors!

Anita Kaboom: We, The Xiaolin Beast Masters, will not allow you to live a single second further!

Rita Kastle: This is the end of your reign of terror!

Xinnia Xiaolin Young: You got told off by The Xiaolin Golden Dragon of Light and Darkness, The Xiaolin Kirin of Earth, The Xiaolin Azure Dragon of The Storms, The Xiaolin Vermilion Bird of Fire, The Xiaolin White Tiger of Metal, and The Xiaolin Black Tortoise of Nature. I bet that hurts your pride like Hell!

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit

Dark Chase Young and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln flew with incredible superhuman speed with a rainbow, white, golden yellow, and blue energy-infused left fist and he punched Dark Chase Young really super hard in the stomach and that caused a massive cluster of rainbow, white, golden yellow, and blue flames to explode out of his from her back, and then, Lincoln formed a massive rainbow, white, golden yellow, and blue energy blade surrounding the 20'9" massive, wide, double-edged gold blade!

Lincoln forms and fires a massive barrage of massive black energy balls with Eldritch runes in the colors matching The Outer Gods and The Great Old Ones complete with the eyes of The Outer Gods and The Great Old Ones and writhing tentacles covered in the elemental forces that represent The Outer Gods and The Great Old Ones: Darkness and the elemental forces of nature, and their targets: the truly blackhearted, soulless, remorseless, cold-blooded, monstrous, ultimate personifications of evil like Dark Chase Young who was responsible for the misfortunes of Lincoln and his family beginning in 1621 over 400 years ago along with the suffering of so many other innocent people for the 1,500 years he'd lived since he became immortal, and once hit, he'll start to hear the Eldritch Chants of The Outer Gods and The Great Old Ones, and he's not only driven mad by the various Eldritch Chants, but also, he begins to see the armies of creatures of The Cthulhu Mythos and the unspeakable horrors emerging from dimensions everywhere to walk the earth, but no one else can see them only him, and the final part of this truly horrendous Lovecraftian Curse is when he see all of The Outer Gods and The Great Old Ones summoned and gathered around him along with The Creator of The Outer Gods himself and the most powerful being ever, Azathoth, appears before him, and once he gazes upon the unspeakable and horrendous deities of The Cthulhu Mythos, not only will Dark Chase Young be driven completely mad as his sanity finally breaks, but he's also confronted by the spirits of all his victims past and present, and they all lash out in horrific and unspeakable vengeance at him and they wouldn't stop until he is finally dead!

Nico: Shiv, Titanium Man, Trumbipular, Kyd Wykkyd, Misty Tredwell, Magneto, Dark Turtles, Beast Man, Brass Knuckles, and Gameface

I used Ivan Ooze's ooze and put it on Dark Chase Young's mouth.

Nico: (Imitating Lord Zedd) Finally someone shut him up!

Shiv: Now, he can't order us around.

Titanium Man: Like we would listen to him.

Trumbipular: No, we wouldn't.

Me: Yep.

Trumbipular: That was clever.

Me: Thanks.

Kyd Wykkyd: (to Nico) We heard you fought Vlad.

Nico: We sure did

Dark Leo: (to Hulk) You should take care of that Mega Machamp.

Dark Don: I hope you feed it food it likes.

A figure came and it was SCORPEX from episode 9 of Dino Thunder!

Scorpex is one of Mesogog's monsters. After the Dimetrozord was unleashed and was fighting the Thundersaurus Megazord, Mesogog ordered Zeltrax to send one of their Mutations to finish the job and

Zeltrax created Scorpex to do the job.

Scorpex attacked the Thundersaurus Megazord and later successfully attacked the Rangers. However, Tommy took control of the Dimetrozord and the Rangers made a new formation of the Megazord. The Rangers used the new Dimetro Saw Blade to destroy Scorpex.

Tommy Oliver: Scorpex!

Scorpex: Been a while Tommy.

Me: I remember you! Zeltrax made you and sent the Dimetrozord to attack the rangers.

Scorpex: That's right. Good memory.

Me: Thanks.

Scorpex: How's the Dimetrozord doing by the way?

Tommy Oliver: Better than ever.

Me: Yep.

Qin: This is gonna be awesome.

Nico: LETS GET IT ON!

We got the battles underway

Lynn Loud, Soarin, Nightscream, Penelope, Guru, Panda King, Dimitri LouSteau, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Sandman and Clayface VS Shiv, Nightstrike, Giant Palm, Land Pollution Vice-Minister Hiramechimedes, Doldora, Princess Igam, Skatana and Black Knight Yosemite Sam (Theme including Soarin) - Nico's rescue was helping the Russian KND Battle Vlad of the Heylin

---

Shiv was first

Shiv: (to Lynn) Nico's rescue was helping the Russian KND Battle Vlad of the Heylin. He worked with Jack a few times, right?

Lynn: Yes he did. He was once a partner of Jack Spicer during his Heylin days. Vlad quit working for Jack after he lost the Xiaolin Showdown for the Crystal Glasses.

Shiv: Oh man! Yeah Dark filled me in on many of the adventures of the Heylin. They were intense. Did the Russian KND have the Crystal Glasses too?

Lynn: Coincidentally yes they did. They have the power to see into the future. It was really awesome. I put them on and saw Lincoln's future and he fulfilled the prophecy and also he got married a year later and all his guardian angels had LOTS of kids!

Shiv: WHOA! And that is good timing because today is the day of the prophecy!

Soarin: It sure is! Lincoln and his Guardian Angels and all of us have all been preparing for this day ever since we met Lincoln's Guardian Angels and how we found out how much importance Lincoln has to the world.

Nightscream: You got that right! All that training with his guardian angels is about to pay off!

Shiv: I can believe that! Wow! Lynn you and your family went through so much because of Dark Chase Young and now the time has come for ultimate payback on him! I'm rooting for you.

Lynn: That means a lot to me Shiv. I'm going to make that monster pay for turning me into an absolute asshole and for making me try to kill my brother!

Twilight Sparkle: We're all going to make sure he pays for his crimes!

Stellar Sparkle: I agree there too!

Harmony Sparkle: Yeah no kidding! What Dark did to countless lives over the millennia is absolutely horrible!

Starshine Sparkle: Now wer'e going to make sure the prophecy comes true!

Spyro: The Reincarnation of Amaterasu will succeed!

Shiv: That is for sure! Go get him! Lets do it!

Lynn used the Vistamp of Shiv and the Sword World Gear and they fired waves of magic and energy and smashed them down!

Titanium Man was next.

Titanium Man (to Mack): The Anothers were the gene-slammers of Banderillero Fiend and Matador Fiend. Nico, Volt Catfish's team, Ray Fillet's team, and the others did good battling them.

Mack: They sure did and it was really awesome and cool. And they were really powerful too.

Yveltal: They sure were! Also we met the gene-slammer of Mega Meganium and we got a surprising shock from that one! It was Kouta's sister Sonya Kazuraba and she is the Strawberry Rider of

Kamen Rider Gaim. She is a powerful force of nature.

Margareta: (German Accent) Oh ja ja und she smells like strawberries too.

Sunset Shimmer: Very fragrant scent.

Titanium Man: She does? Wow!

Sunset Shimmer: Yep and also she hates the Yggdrasil Corporation with a passion. She saw the massive explosion from when we blew that entire building to smithereens while she was hiking near Mount Fuji.

Firestorm Shimmer: Yeah that was amazing from what I heard.

Sunset Shimmer (G5): Yeah that was awesome. Also what Yggdrasil was doing was horrible.

Pipsqueak: (British Accent) It sure was.

Chalcanthite Aurora: (British Accent) No kidding.

Sunburn: She was really glad that we destroyed Yggdrasil and Kohgane. But she was REALLY SHOCKED BEYOND IMAGINATION to see that her own brother is now a god!

Titanium Man: I don't blame her one bit comrades! That was amazing to hear about. Lets do it!

Mack used the Vistamp of Titanium Man and the Operation Overdrive World Gear and they fired waves of energy and fire and smashed them down.

Trumbipular (to She Hulk): I heard Lincoln's rescue was battling the Dark Jump Card. How was it?

She-Hulk: It was really fun! We were over in Kansas and we were battling a clone of Sailor Mercury's Akuma, DarkMercury which was really awesome.

RhinoKabuterimon: It sure was! Also we battled the Dark Jump Card and Lincoln absorbed the powers of the Dark Jump Card too. So awesome!

Anya Rodriguez: It sure was!

Applejack: YEEHAW! Boy howdy it was fun!

Apple Star: Yeah it was!

Wolf Mono Bloom: Lincoln is really ready for this day too.

Apple Bloom: He sure is. He has been training hard for it.

Takanuva: Now we get into the minor villains and Fluttershy, Lilja, Zak Saturday, Tree Hugger, Discord, Camo, Stealth Elf, Stump Smash, Zook, Wood Man and Hornet Man went in and we went after Sheep Creep and Arbor Eater. Arbor Eater was a tree monster vlllain.

Ultimate Way Big: And this proved to be a good one for Flutershy and Lilja because of how they talk to animals.

Catherine Hoshi: It sure did.

Rarity: It was a perfect and fun adventure for them and fitting for the element of Life darlings.

Erica Tala: I agree there and it was fun.

Sapphire Ocean: Yeah no kidding there.

Misty Tredwell was next.

Misty Tredwell (to Persephone): The Mascots UNLEASHED ALL THE SCRIBBLES IN FOSTERS!? Did they get punished for it?

Persephone: Well they didn't know what was behind that door. And also Mr. Herriman said it was for a good reason. There were hundreds of billions of these Scribbles! These were the very first imaginary friends created by babies.

Misty Tredwell: Is that what they are? I can't remember making them.

Persephone: You usually don't because when you're a baby your brain is still developing and you don't even remember what you were like as a baby. But yeah there was TOO MANY OF THEM to even count! Mr. Herriman said that back during the fall season of 1984, they had to take refuge in the unicorn stables for over a month while they put them all back in that room!

Misty Tredwell: That is crazy!

Persephone: I know! Frankie back when she was a little girl opened the door and let them all out back then. It was nuts! Madame Foster said it was like a camping trip for them.

Tortomon: We had no idea the Scribbles existed. Also J.D. said it reminded him of an episode of Star Trek he remembered from long ago called The Trouble With Tribbles.

Misty Tredwell: I remember that episode too! That was one of the funniest episodes of Star Trek that I remember seeing. It was crazy how the Tribbles multiplied like mad and swarmed all over the ship like locusts!

Tortomon: That is crazy!

Misty Tredwell: No kidding! Did the mascots get punished for it?

Hex: Yes they did. They have to clean up Fosters Home For Imaginary Friends for a week. Carrie Kirk said that she remembered hearing all about what happened with the Tribbles on Kirk's ship. She luckily made a way to get the Scribbles back into the room.

Misty Tredwell: How?

Hex: She used her antennae as flutes like how the Pied Piper would lure the rats away and she lured them back into the room. That was clever.

Misty Tredwell: That is cool!

Rainbow Dash: And it was awesome! Boy that brought back memories about what we went through with the Parasprites. That was nuts! But this was before we joined the team after the Great War with the Royal Defenders.

Misty Tredwell: Boy you guys have had a lot of coincidental run-ins with so many creatures like this.

Comet Thunder: That is for sure! Also J.D. said that Naruto and his friends in 150,000 years had a massive Onbaa infestation by accident and J.D. used his the skills of the Pied Piper to bring them out of the Leaf. Everyone had Onbaas on their backs after a mission they got back from.

Misty Tredwell: That is crazy!

Sprite Thunder: I know! What a funny bunch of adventures we had in many places.

Thunder Rainbow Zoom: It was funny. Pinkie Pie had to use many instruments all at once to bring the Parasprites to the Everfree Forest like that.

Scootaloo: Yeah that was awesome and fun!

Whirlwind: It sure was.

Misty Tredwell: Boy you guys have had a LOT of wacky encounters like that.

Persephone: No kidding! Also during all the hustle and bustle of all that. We met gene-slammers for Mega Jirachi and Mega Miraidon. The Mega Jirachi was Catherine Grayson and she is the Orange Lightspeed Rescue Ranger. She was given Phoenix Wings as part of an unexpected side effect from a blood transfusion given to her from Vypra long before she became a Lightspeed Rescue Ranger. She got intense power from it. Also she made it a mission to redeem Vypra and help her be a force of good.

Misty Tredwell: WHOA! That is a shocker! She saved her life and Catherine made it her mission to help her be good. That is a powerful mission there.

Persephone: Yep and also we met Sevina Suzuki and she is Right Suzuki's sister. She is a Mega Miraidon and is also the White ToQger.

Misty Tredwell: WHOA! You guys have been having all kinds of amazing reunions with so many rangers and riders. Lets do it!

Hawkgirl: Yep it sure is and this is gonna be the mother of all battles. We're here in Dark Chase Young's lair on the rogue volcanic planet Dhakgun in the volcano called Mount Horrorflame. We found out that this was where Dark Chase Young's base was at and it was how he was moving from planet to planet and causing mayhem and chaos all over the place.

Fire Eelmental: Yeah that was awful!

Angel (X-Men): Now here we are on the very distant edge of the universe with all of our allies from all over the universe and we are attacking Dark Chase Young on his home turf.

Fluttershy: It's also going to be the very battle that brings justice to all those that Dark Chase Young destroyed!

Lilja: And make him pay for all the crimes and atrocities that he committed to everyone and everything all over the universe!

Sólrún: (Icelandic Accent) That is for sure and it's going to be painful.

Pinkie Pie: That is for sure! NO WAY Are we going to let that party pooper get away with hurting Linky and his family anymore!

Maud Pie: (Monotonously) Including get away with all the crimes he did to so many innocent people over the centuries.

Citrine Pie: Shockingly we found out from King Kai that after Omi and friends defeated Chase Young for the first time, he was banished to this very planet forever. But he swore to get revenge! We found out that he was causing terror all over the universe since then!

Dark Leo: So that explains how he was responsible for causing so many calamities all over the universe over the years!

John Smith: She was made because of Chase Young killing all her friends and vowed to destroy that monster just like we are going to.

Ryo: The Heylin were truly monsters before! But that was ages ago.

Starlight Glimmer: Yeah no kidding there!

Moonlight Glimmer: By all accounts, Omi and friends should have just killed all the members of the Heylin and be done with it including Chase Young.

Starlight Glimmer (G5): Yeah no kidding. But this was long before Team Loud Phoenix Storm and all that. This was back in 2015.

Beast Man: So one year before J.D. moved to Michigan.

Cozy Glow: Exactly.

Raven Bishop: But now that the Prophecy is upon us we can be rid of him forever. Also this will give us an opportunity to get rid of one of Anti-Monitors most powerful goons.

Strong Wind Dragon: Yeah no kidding! He went through hell over the last 9 years because of the atrocities of Chase Young and his Dark Side! If you ask me, banishing Chase Young was a terrible mistake. They should have killed him and be done with it.

Carly Atlas: But killing someone that's immortal like Chase Young is completely impossible. Or so we thought.

Jeri Kamiya: Until we found out about J.D.'s poisonous blood.

Princess Celestia: Now all that training is being put to the test as we make sure that Dark Chase Young pays for all the crimes he did not just to Earth but to many planets all over the universe.

Dawn Eclipse: That's right! What he did to so many people all over the universe is awful!

Princess Celestia (G5): Yeah that was awful and horrible times infinity!

Margo: YEAH! Countless lives were destroyed because of Dark Chase Young before and after the dark side of Chase Young was separated!

Damon: Yeah and this is going to be one of the most biggest battles ever.

Arrowette: Now we are going to fulfill the prophecy and end Dark Chase Young's reign of terror and make sure that he pays for his crimes.

Princess Luna: That is for sure there! And we won't let him cause anymore trouble and chaos anymore!

Dusk Eclipse: So far Lincoln and J.D. and everyone have been really making sure he paid for it big time! Many of our allies from all over the universe have been getting some good shots in on him too.

When we first met Chase Young last year, he was indeed everything we'd heard about through the monks, but I sensed there was good in him, there was the side of him that was the legendary Xiaolin monk of 1,500 years ago. But, then, we separated him from you: the evil that made him feared. The struggle that took place inside him was now on the outside for all to see, and the light overpowered the darkness, and you were banished to The Black Gates. But, 1,500 years ago, when Chase Young made the deal with Hannibal Roy Bean and drank the Dragon Soup, he changed, he became ruthless, evil, and monstrous. You made him turn into a living nightmare and you delighted in every single moment of it. You didn't show not a single shred of decency or mercy, and that's why this has to end like this. You'll have to learn the hard way and know what it feels like to have your life taken away against your will. It's wrong!**

Dark Chase Young was horrified: every single word Lincoln said was all too true.

Goku: That's the very speech I said to Majin Buu, everything Lincoln said to him is all too true, and now, this is where it all ends.

(To Dark Chase Young) **You've made my life a living Hell for nine whole years, destroyed countless lives over the millennia you've lived, and terrorized the entire universe. And now, this is where it all ends for you, Dark Chase Young. (Turns his back to him) You will never be reborn again in the next life or ever.**

Lincoln began walking to us, and then...!

DARK CHASE YOUNG EXPLODED IN A COLUMN OF PURIFYING LIGHT AND AS THE COLUMN OF LIGHT FADED, NOTHING WAS LEFT OF HIM AND HE WAS FOREVER OBLITERATED IN AN INSTANT!

Then, a massive wave of magic and holy light enveloped the Earth and the entire universe, and all of Dark Chase Young's dark power was completely destroyed and erased forever!

Nico: He...he did it! HE DID IT! The Prophecy has been fulfilled!

DARK CHASE YOUNG WAS SENT TO THE BLACK ABYSS!

But, as soon as he was there, he was confronted by men wearing black robes who chained him up and the leader read out his crimes: this was the second phase of THE UNHOLY NIGHTMARE OF THE OUTER GODS AND THE GREAT OLD ONES.

Leader: Dark Chase Young, you have been found guilty of all the crimes that you've committed over 1,500 years ago along with being the mastermind responsible for the misfortunes of Lincoln Loud and his family beginning in 1621 over 400 years ago when you masterminded the murders of The McLoud Family of Loch Loud along with inflicting pain and suffering to so many other innocent people for the 1,500 years you'd lived since you became immortal along with the murder of Tang Young. There is a special place for a monster like you.

The men in black robes dragged Dark Chase Young, and there awaiting him was a massive black hole made of the black flames of The Black Gates and The Black Abyss with an incredibly massive power surrounding it.

Dark Chase Young: WHAT IS THAT?!

Leader: This is The Black Fire Vortex of Neverending Oblivion, a massive black hole made of the black flames of The Black Gates and The Black Abyss combined and is power is incredibly massive, that not even the darkest of souls could survive it. This is how you're going to be wiped out of existence for all eternity. Now, toss him in!

Then, the men grabbed Dark Chase Young, and they hurled him right into The Black Fire Vortex of Neverending Oblivion, and once he was in, the kanji Black Oblivion 黒虚無 appeared on his forehead, and he was immediately burned alive by the massive power of the combined black flames of The Black Gates and The Black Abyss and he was immediately destroyed and wiped out of existence for all eternity never to be reborn in this life nor the next!

THE PROPHECY OF THE REINCARNATION OF AMATERASU HAS BEEN FULFILLED, AND AFTER 1,500 YEARS OF TERROR AND DESTRUCTION, DARK CHASE YOUNG, THE IMMORTAL DRAGON OF ETERNAL EVIL AND NIGHTMARES IS NO MORE!

Time to wipe out this last remnant of Dark Chase Young for good.**

Lincoln flew into the air, and he raised his hands into the air. Suddenly, he formed a massive rainbow energy ball that's twice the size of The Sun.

Lincoln: **THIS IS WHERE I WIPE OUT THE LAST REMNANT OF YOUR EVIL FOR GOOD, YOU DRACONIC NIGHTMARE, AND THIS IS WHERE I AVENGE ALL THOSE LIVES THAT YOU HAVE DESTROYED OVER THE MILLENNIA! DIVINE STARDUST SPIRIT BOMB!**

Lincoln threw the massive energy ball and it went right into the planet!

Me: LET'S GO!

Lincoln beamed back to the ship along with all of us and we hightailed it out of there. We got back home just in time, and then...!

CATASTROPHIC MASSIVE EXPLOSION!

DHAKGUN EXPLODED INTO NOTHING BUT SPACE DUST, AND THE LAST REMNANT OF DARK CHASE YOUNG WAS DESTROYED FOREVER!

We cheered as we holstered our weapons and powered down, and

Lincoln's new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999 large planets orbiting around his legs, 999,999,999,999,999,999,999,999 smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings are permanent.

Me: You did it, Lincoln!

Lincoln: (Smiles) No, J.D., we did it.

We hugged Lincoln and he hugged us back.

Lincoln: After 1,500 years of pain and suffering, Dark Chase Young has finally met his end, and the prophecy has been fulfilled.

Nico: And we saw you underwent the same thing J.D. went through.

We then saw on a one-way viewing window Lincoln made that The World Tree Estate grew much taller and bigger than ever with the many castles around it becoming much larger than ever with new rooms, and Earth Omega grew even bigger than ever.

Eli: Wow...!

Luna: The World Tree Estate and Earth Omega has grown even bigger than ever!

Me: Just like what happened with the Breezies when I saw my future, but yours was different, Lincoln.

Lincoln: That's right, I was met by Amaterasu, The Sun Goddess and my ancestor, King Arthur of Camelot.

WE GASPED!

Nico: So, you were met by Amaterasu and your ancestor for your transformation, wow.

Lincoln: Yep.

Suddenly, the sun was shining even brighter on Earth.

Luan: Wow!

Lori: Is this what it means to literally finally be free of a very dark cloud hanging over us?

Lincoln: It is. After 1,500 years of terror and destruction, Dark Chase Young, one of the ultimate embodiments of evil, has been destroyed, and we brought an end to the pain he'd wrought on our family. Now, there's one last thing to do and one last loose end to tie up: Bahamut.

We then turned our attention to Baphomet who was still in suspended animation.

Bahamut: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU!

Lincoln blasted Bahamut with rainbow, white, golden yellow, and blue energy blasts and elemental forces.

Sakura Rin Cooper: Okay, that's it, I've had it up to hear with you! Now, it's time for you to pay.

Suddenly, Sakura Rin Cooper's dark blue eyes turned neon dark blue, and she was surrounded by a black and dark blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, light, raccoons, phoenixes, and angels, and as she approached Bahamut, she left black and dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, light, raccoons, phoenixes, and angels with every step.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Bahamut and he began absorbing him and assimilated Bahamut's Superhuman Strength, Bestowing powers, godly powers, and Resurrecting others and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Bahamut and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Sakura Rin Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Sakura Rin Cooper: It's over for you, Bahamut, and to this we say good riddance. Thanks for helping me get rid of The God of War, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Sakura.

Me and Nico: Our pleasure, Sakura.

Suddenly, Sakura Rin Cooper wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against

Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sakura Rin Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Sakura Rin Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Sakura, you transformed and you guys really let Bahamut have it.

Me: That's for sure, and he got what he deserved. Hmm, hey, Lincoln, try lifting this! (Snaps Fingers)

I snapped my fingers and formed two bleachers held by a Neutronium bar in between them and all of us sitting on them along with 999,999,999,999,999,999,999,999,999 massive barbells weighing up to 999 septillion-lbs and Lincoln went up to it. Then, he grabbed the bar with both hands and wrapped his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails around the barbells and he lifted the bleacher barbell up and the 999,999,999,999,999,999,999,999,999 barbells with even more ease!

Nico: HOLY CRAP!

Lincoln: I can also do it with only one hand as well!

Lincoln let his right hand go and he still holds the barbell with his left hand, and then, he put the bleacher barbell and barbells down and we got off the bleachers as the barbells vanished.

Laney: You've gotten even more stronger than ever.

Luna: We've seen Lincoln lift a lot of heavy objects before in the past and that also includes Vanzilla, and he's never gotten tired even after working up a sweat.

Luan: And he's also taken down some of the biggest and meanest guys in the past and that also included when he went Lincoln The Nocturnal on them.

Lynn: And with everything that he'd gotten: the genes of Mom and Dad, the inherent Scottish superhuman strength, his hyperpuberty, all of that training in the gym, and many more gifts he'd been endowed with, he became larger, taller, stronger, and extremely muscular than any bodybuilder and far more imposing.

Lana: That's for sure.

Then, his enormous white angel wings and 999,999,999,999,999,999,999,998 sets of large white angel wings underneath his massive white angel wings spread out, and,...!

KRABOOM!

LINCOLN TOOK OFF AND WE SAW HE'S FASTER THAN A SPEEDING BULLET, TRAIN, JET, AND AUTOMOBILE COMBINED AND HE LEFT A SONIC BOOM IN HIS WAKE AND HIS ENORMOUS WHITE ANGEL WINGS AND 999,999,999,999,999,999,999,999,998 SETS OF LARGE WHITE ANGEL WINGS UNDERNEATH LET OUT A MASSIVE ROAR, AND WE SAW HE WENT ALL OVER EARTH OMEGA AND CAME BACK HERE IN A SPLIT SECOND!

Eli: WHOA!

Rainbow Dash: Too AWESOME!

THEN, LINCOLN JUMPED INTO THE AIR AND AS HE LANDED, HE GENERATED A MASSIVE SHOCKWAVE THAT FORCED OUT SOME THUGS WHICH HE ABSORBED BY TURNING THE TIPS OF HIS 999,999,999,999,999,999,999,999,999 WOLF TAILS INTO CELL'S STINGERS AND STABBED THEM RIGHT INTO THE CHESTS AND HE GREW EVEN STRONGER, AND WHEN HE

WAS DONE AND THE STINGERS CHANGED BACK, NOTHING WAS LEFT OF THEM EXCEPT FOR THEIR CLOTHES!

BUT, THEN, ONE SURVIVING THUG TRIED TO PUNCH LINCOLN IN THE STOMACH! HUGE MISTAKE!

CLANG!

THE THUG BROKE HIS HAND AND LINCOLN THEN BEARHUGGED HIM AND HE ABSORBED HIM THROUGH HIS SKIN AND HE DRAINED THE THUGS' SOULS OF ENERGY AND SENT THEM TO THE BLACK ABYSS!

Michelle Emperyous: Okay, let's face it, our training for Lincoln has really paid off and look at the results!

Selene Emperyous: That's for sure! The transformations that he'd underwent along with his body constantly growing stronger and taller and evolving even more really made him even more powerful than ever. But, we all knew that Lincoln is a true hero and a true warrior.

Laney Emperyous: We saw it for ourselves, Selene, Lincoln's a true hero who does everything possible to help people in need and confronted various villains and he's a lot stronger and tougher than he looks, he's brave, noble, courageous, and always ready to defend his friends and family from any danger and he never gives up!

Lincoln: That's right, and that doesn't mean you guys are also going to be left out, you're also going to undergo the same transformation as me and many of us who underwent this same transformation.

Me: That's for sure, and I always wonder what it's like having 999,999,999,999,999,999,999,999,999 angel wings and 999,999,999,999,999,999,999,999,999 wolf tails.

Nico: Imagine the kind of power when taking flight! The speed and velocity on those babies has got to be enormous!

Lola: And having phoenix feathers as part of an addition to the wolf tails and small planets orbiting around the tips, they're really beautiful.

Lincoln: And there's also this.

Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his massive white angel wings spread out and they sucked in and absorbed the flames from his fight against Dark Chase Young and they flowed into him and he grew even stronger.

Lola: Whoa!

Me: So cool!

Nico: Too incredible.

Suddenly, Lincoln was pounced on by his entire harem and he was kissed all over the place: his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and as soon as they were done, Lincoln was covered in lipstick kiss marks on his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and he had an In Heaven look on his face with steam whistling out of his ears and an atomic red blush on his cheeks, snout, and muzzle.

Lincoln: (In Heaven) Too...awesome! So...worth it!

We laughed. Suddenly, the rainbow Thunderbird wedding rings on Lincoln's harem were glowing.

?: (ENRAGED SCREAM OF RAGE) DAMN YOU! DAMN YOU ALL, MURDERERS OF SALAZAR SLYTHERIN!

Suddenly, we saw a black mist heading for us, and it landed on the floor, and we saw who it was that screamed at us, it was Alecto Slytherin.

Me: Well, well, well, if it isn't the racist descendant of Alecto Slytherin himself!

Nico: Figures you'd show up. Only you would call us Murderers of Salazar Slytherin, you snake.

Alecto Slytherin: YOU...! WHAT THE FUCK DID YOU DO?!

Lincoln: (Smirks and crosses his arms) You're too late, Alecto. I have fulfilled The Prophecy of Amaterasu, Dark Chase Young has been destroyed for good, and one of your latest schemes to kill us has failed.

This royally pissed off Alecto Slytherin.

Alecto Slytherin: (GROWLS) DAMN YOU! DAMN YOU ALL! I WILL KILL YOU ALL AND AVENGE MY ANCESTOR! ALL OF HUMANITY WILL DIE AND HIS WORK WILL BE FULFILLED!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his enormous massive white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his massive white angel wings spread out and heavenly lights shined down as the sun burned brighter. Plus, we also saw Nathaniel Blackwood who'd been murdered by Alecto Slytherin be restored to life, but he was taken down and thrown in prison.

Lincoln: (Divine Heavenly Godly Voice) You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, and you saw that not even the darkness of Hell will protect you from us. From the very beginning when you returned from the dead and unleashed The Dark Clow Cards, you'd already doomed yourself.

Me: That's right, you crossed too many lines for the last time, you piece of shit.

Nico: Now, we're going to make sure you all pay for what you've done.

Lincoln: (Divine Heavenly Godly Voice) That's for sure. Now, leave, Alecto Slytherin, return back to the shadows where you belong!

Alecto Slytherin let out a scream of rage as he turned back into a black mist and flew back to the shadows and Lincoln came back down.

Me: What a fucking snake.

Mathias Ravenclaw: Tell me about it.

Me: Anyways. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lapis.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lapis.

Catherine Diamantis: There's only one person who matches this: Luna Lapis, Avatar and Gene-Slammer of Gem-Knight Lapis, and you guys are going to love meeting her, Luna Lapis, Avatar and Gene-Slammer of Gem-Knight Lapis, is Lincoln's Guardian Angel from Michigan and the youngest sister of Laura Lapis Lazuli and Lucia Lazuli, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals. She's known as The Lapis Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Luna Lapis came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Rene Alaister, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered the parents of Laura Lapis Lazuli, Luna Lapis, and Lucia Lazuli in cold blood, and she swore to kill Rene Alaister and make sure she's sent to The Black Abyss forever!

Me: Oh man...! Wait, does that mean...!

Lincoln: Yep, Luna is Laura's sister, and she, Luna, and Lucia lost their parents when Rene Alaister killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Misty Tredwell: (to me) You must be very happy.

Me: I sure am!

Magneto: I don't blame you.

Beast Man: It's finally over.

Me: Dark Chase Young will never terrorize the entire universe ever again.

Brass Knuckles: But where did some of you guys go to before?

Lincoln: Who fucking cares?! Let's celebrate!

Gameface: You know what? You're right.

Me: Good idea.

Nico: Lets go home guys. Great job today everyone.

Me: Yeah!

Lincoln: (To the viewers) Me and my family are now finally free at long last!

We went back home to Earth and went to Lynn's Table to celebrate.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: Linky finally did it. Dark Chase Young is finally gone forever, and he's never ever coming back.

Anna Anyanova: Lincoln finally fulfilled The Prophecy of The Reincarnation of Amaterasu, and he'd brought an end to the darkness haunting his family.

Eman Reynolds: Now, a brighter future awaits.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out

in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Jump Card, but tomorrow, I got the feeling we're going to take on the dark version of The Illusion Card, and that one was a dangerous capture since it took on the form of Mom, and Sakura had to capture it before it hurt someone else, but we'll be ready for them.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

THE END

Next up is Chameleon Bot during Raimundo's day to shine and this master of disguise is going into the M.O.E.

See you all next time.

DISGUISES OF CHAMELEON BOT

Chameleon Bot is coming on Raimundo's day to shine!

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a pizza planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over all pizzas, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Pizzaraira, a planet of pizza in The Forbidden Zone that was inhabited by powerful warrior angels called The Pizzarairans, the males were not only natural born fighters, but had powers over all pizzas, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Pizzarairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man! A pizza planet?! This should be good.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Pizzaraira once inhabited by The

Cheesairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city with oceans of cheese

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Pizzaraira, it truly is an awesome planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Pizzaraira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a golden yellow gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of golden yellow souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Pizzaraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Pizzaraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over all pizzas, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and

his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and yellow aura with pizza toppings surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over pizzas and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Pizzaraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Pizzaraira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Pizzaraira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Pizzaraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Pizzaraira, it was an awesome pizza planet.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Pizzarairans, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters.

Raimundo woke up to see Mega Altaria staring at him.

Mega Altaria: Buenos Dias Raimundo! Sleep well?

Raimundo: I sure did!

Mega Altaria: Chili Relleno is hot and ready!

Raimundo: Be right there!

He went and got dressed and I gave him Chili Relleno!

Me: Morning Raimundo.

Raimundo: Morning guys.

Nico: So, there are more food planets in The Forbidden Zone too?! Oh man! That's so awesome!

Lincoln: And I'll supply the food and drinks for the party today at Loch Loud to celebrate the fulfilling of The Prophecy of Amaterasu.

Me: Awesome, and you also know how to grill some juicy burgers and cook some really awesome food like your Dad.

Lynn Sr.: I'll get the grill ready for you, champ.

Me: Looking forward to it.

Jack Spicer: Oh, guys, there's something I need to tell you about what happened yesterday as to why some of us got occupied when we were fighting Dark Chase Young.

Jack Spicer told us everything, and my clone also told me everything, and when they were done, the jaws of the others dropped!

CLANG!

Lincoln used his telekinetic powers to close them.

Nico: Chameleon Bot was there on Dhakgun!? Whoa!

Lincoln: Whoa! So, you ran into your Chameleon Bot, Jack. That's why it felt like we felt we were being watched yesterday and when we went after The Kankers.

Jaime Diana Knudson: And he said we weren't supposed to spot him, he was only supposed to scan us all to prepare for his battle tomorrow.

Nico: That's why some of us got occupied yesterday when we were killing that asshole.

Me: I scanned him with my Data Eyes, Jack made him for Camouflage and infiltration tactics. He can change into anyone and anything human or animal and and copy their powers and abilities and also infiltrate anyone or anything unsuspectingly.

Lincoln: Like Zeta who uses Holographic Disguising Technology. I have a feeling he's got something challenging coming. Well, I'm looking forward to it, plus, you're not the only one with Data Eyes, J.D.

Lincoln's deep sapphire eyes turned neon deep sapphire blue, and he was scanning the data of all the robots on the team and all of us too.

Nico: Wait, you now have Data Eyes too?!

Lincoln: Yep, remember when Regina Fesstertox administered her Perfect Gene-Slammer serum?

We remembered.

Me: Oh right, now we remember. And The Chameleon Bot said he'll join The Masters of Evil if we defeat him.

Lincoln: This should be good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Joseph Seed and his cult, Project at Eden's Gate, they're back and they want revenge.

Me: What the? That was...?!

Lincoln: Our old enemy, Joseph Seed, and his cult, Project at Eden's Gate. I can't believe it, they're back for more?!

Nico: Unbelievable!

Lincoln Casagrande: I thought we were rid of him forever.

Ymir: Who is Joseph Seed?

We explained who Joseph Seed is to Ymir and all those who hadn't been around at that time along with what happened when we met Cult Lincoln who was brainwashed by that piece of shit and what we did to free him, and when we were done, they were disgusted.

Ymir: My God. I can't believe he did this.

Nico: He was a real piece of shit. Plus, after we got rid of Joseph Seed and his cult, Cult Lincoln and Cult Lily were adopted by The Casagrandes.

Ronnie Anne: Abuela and everyone helped out with helping them re-adjust to normal life, but the same can't be said for his world's sisters and parents.

Lincoln formed a one-way viewing mirror and showed Ymir and all those who hadn't been with us at that time their fate: all of the sisters got sent to The Jupiter Prison after getting viciously beaten up by The Redemption Squad and the parents got divorced and live separate lives after they too got beat up.

Jack Howard: I can't believe this. This is the worst case of child abuse and child abandonment ever.

Me: Yep, and when that happened, it led Cult Lincoln to being brainwashed by Joseph Seed and forced to commit truly horrendous atrocities. Well, that's going to end once and for all.

Lincoln: After our party at Loch Loud, we are going after Joseph Seed and Project at Eden's Gate, and I'll be able to try out more of my new powers and abilities on those bastards.

Travis Tackett: You have more new powers and abilities? Then, what we saw yesterday was...!

Lincoln: That was a mere tip of the iceberg. Alright, let's finish breakfast and head to Loch Loud to prepare for our celebratory party.

Nico: And after that, we got a psycho and his cult to get rid of for good.

We finished breakfast, and we headed to prepare for our celebratory party celebrating our triumph over Dark Chase Young and fulfilling the prophecy, and after that, we're helping Pepperdance unlock her Rainbow Power and send Joseph Seed and Project at Eden's Gate to The Black Abyss.

We were off to Scotland.

All of us: CHEERS! (GLASSES CLINK)

Me: To Lincoln fulfilling the prophecy and avenging all those Dark Chase Young killed over the Millennia!

All of us: HERE HERE!

Angus: (Scottish Accent) Now the world is a safer place without that monster now.

Me: It sure is!

Lucille Loud: (Scottish Accent) Aye. Now we can all be safe. Thanks to Lincoln.

Nico: You got that right.

Qin: Yeah!

Varie: Man that was INTENSE!

Vypra: I'll say!

Dark Spicer: We really kicked some ass!

Nico: We sure did.

Crescent Grizzly: I'm glad that it's all over!

Nico: Crescent Grizzly, I want to thank you, Cyborg Bear, and your teams for coming

Crescent Grizzly: No problem Nico. This is gonna be so fun.

Qin: It sure is.

Baloo: Yeah baby! I'm ready for one swingin party!

Mowgli: Me too papa bear!

Nico: Baloo, I swear sometime in the future, Shere Khan will be dealt with

Baloo: I know and Mowgli and Shanti and everyone will be happy and free.

Bagheera: What Shere Khan did to so many people is horrible!

Ymir: Shere Khan?

Me: He's a Bengal Tiger that HATES man with a vengeance. Any man that enters his jungle is his prey. He also HATES Mowgli because of he defeated him the last time and he wil make him suffer for his humiliation.

Nico: Yep.

Ymir: Geez! That is one bad to the bone tiger.

Lola: Yeah no kidding.

Sora: Me and my friends battled him before and he was nasty.

Goofy: Gawrsh we sure did.

Donald Duck: Yeah the guy was angrier than me.

Me: Donald I don't think anyone can match your anger.

We laughed!

Vypra: Yeah no kidding!

Camie: I would love to have Shere Khan turned into a Tiger Skin rug for me and Rarity.

Me: That can be arranged.

Baihumon: Why can't he be fought on my day? I am a tiger after all.

Nico: Because Scar killed Mufasa and had more involvement with the Heartless, and got turn into one himself.

Baihumon: That is a good point. And fitting too for me. The Tiger VS The King of The Jungle. Except it'll be Sovereign Tiger of The West VS Dark King of The Jungle.

Me: Ooh that has a nice ring to it.

Baihumon: It sure does.

Qin: I agree.

Mufasa: It sure does.

Baloo: That is cool.

Nico: But he can be fought on the rescue of that day.

Baihumon: Fair enough. Then we'll see who is the better tiger.

Me: Yep.

Lincoln: Yeah!

Electro: Lincoln you must be really happy now that the terror of Dark Chase Young is gone for good.

Lincoln: I sure am! And I couldn't have done all this without all you guys! You are all true friends.

Nico: How do you feel now?

Lincoln: Like a massive and intensely powerful weight and a massive dark shadow has been lifted off our family forever. But I also feel stronger and more powerful than ever.

Me: Awesome. And not only that but we avenged all those that Dark Chase Young hurt over the course of 1,903 years.

Omi: (Tibetan Accent) I'm just glad the world and the Universe are forever free of Dark Chase Young forever.

Me: Me too. He just pissed us off to no end big time.

Eli: He sure did.

Qin: Yeah no kidding.

Lori: And he literally made many of us into monsters.

Becky Blickensderfer: And tore many lives apart.

Nico: And now, maybe you can let this whole Dark Chase Young Mess be forgotten and move onto new things.

Me: I wouldn't be so sure Nico. We have many more of Lincoln's Guardian Angels still out there. There's no telling who else was affected by him.

Nico: Well you're right on that.

Qin: Yeah.

Anna Anyanova: And there are still Crocker and Burns out there as well. We have many more deeds they did to go over too.

Me: Yep

Nico: I know.

Bloo: Yeah. Also at least I didn't mess up this time.

Poromon: No Thank goodness.

Nico: Also guys I think I was a little too harsh on you all for the punishment I gave you.

Frankie: So we talked it over and we decided to have you guys do the chores around the house just for today.

Me: Good.

Lincoln: See? That's much-

Jack Spicer: (fed up) That's it! You and J.D. need to look at this!

Spicer showed us footage of the Chameleon Bot.

Me: WHOA! Is that the Chameleon Bot in action?

Nico: Yep.

We saw what it can do. It can copy appearances and powers perfectly!

During its creation, Jack Spicer was using the Changing Chopsticks to utilize its nanotechnology. When Wuya arrived after being annoyed by its music it was playing, she called the robot useless along with the rest of Jack's robots, before Jack presses one of the buttons on its remote to program it to shapeshift into Wuya, the latter of whom questions it as an "abomination" as Jack Spicer calls it the "Chameleon-Bot". To prove its usefulness, Jack Spicer commands it to transform into other characters, such as Jack Spicer, a Xiaolin Temple monk, a fast-food employee, then it transforms into Kimiko Tohomiko, one of Jack Spicer's favorite. Approved for it's abilities Jack Spicer programmed it for, Wuya decides to hatch a plan to use it to disguise itself as Kimiko to replace the real Kimiko and steal all of the Shen Gong Wu at the Xiaolin Temple.

Meanwhile in the Xiaolin vault located in the Xiaolin Temple where Kimiko arrives after being tricked by Jack Spicer and Wuya via a phone message, Kimiko, realizing that the phone message was a trick, sees another shadow that resembles her and turns around and sees the Chameleon-Bot disguised as her. Kimiko later decides to fight it, but due to its metallic casting, it overpowers her to the point of tiring her out, as Jack Spicer then kidnaps her and brings her to his headquarters. The next morning where Raimundo Pedrosa tries to beat Omi's Tiger instincts with a candy under the cup game while Clay Bailey watches the two, the Chameleon-Bot, still disguised as Kimiko, shows up and compliments Raimundo's shoes, while Omi asks if it "found her secret admirer", but answers "that data has no meaning to this unit", then asks Clay about his new hat and hopes he gets hit by lightning daily because "it makes him look super keen", much to Raimundo and Clay's confusion as they are fooled by its disguised, while Omi becomes very suspicious about it, as it tells the other monks to grab some Shen Gong Wu for special training, only for Omi to correct "her" by saying that they only use Shen Gong Wu whenever Master Fung says so, and the Chameleon-Bot says that Omi is correct and then leaves and looks around the Xiaolin Temple, leaving Omi to suddenly start thinking that Kimiko is acting out-of-character, whereas Raimundo and Clay, who are fooled by the Chameleon-Bot disguised as Kimiko, thinks that Kimiko "was just playing with them".

After the Helmet of Jong had revealed itself somewhere inside a hut in the country of Nigeria, the Chameleon-Bot rides along Dojo Kanojo Cho along with the other three Xiaolin monks to find it. In its view, it looks around and sees the skeleton of Raimundo Pedrosa due its x-ray vision enabled, with a response from him saying that it was looking at its best friend in the world after disabling x-ray vision. After arriving at the Helmet of Jong situated on the head of a statue, Jack Spicer and Wuya suddenly arrive as the Xiaolin monks attempt to confront the two, but it jumps and gets its hand on the Helmet of Jong as Jack also puts his hand on it, wagering its Third-Arm Sash against Jack Spicer's Changing Chopsticks. As the showdown starts, the statues immediately right themselves, and more statues appear. The Helmet of Jong lies on a big statue at the end, where Chameleon-Bot and Jack both begin. Jack reminds the Chameleon-Bot to make the showdown look realistic, to which he almost gets hit by the Third Arm Sash. Chameleon-Bot gets to the Helmet first, but falls off the statue, letting Jack win the showdown. Clay tries to catch the Chameleon-Bot, but gets crushed by it due to its heavy weight. Dojo and Raimundo reprimand "Kimiko" for letting Jack win the showdown, and it makes an excuse saying that it tripped, with Omi still being suspicious of Kimiko being out-of-character.

Later back at the Xiaolin Temple this evening, Omi, still suspicious on "Kimiko", decides to run along the roofs to spy on "Kimiko" (who is actually the Chameleon-Bot), whom was heading "her" way to the Xiaolin vault and arrives there. As soon as Omi had arrived at the Xiaolin vault, it changes its form into Master Fung, and tells Omi "that he has been through a lot and needs to get some rest", successfully fooling him as he leaves before transforming back into Kimiko to enter the vault, attempting to steal the Fist of Tebigong, the Tangle Web Comb, the Eye of Dashi, the Sword of the Storm, and the Two-Ton Tunic. Omi, whom came back at the Xiaolin vault after realizing "Kimiko's" suspicions, ultimately tells Clay and Raimundo that it was actually Chameleon-Bot disguised as Kimiko the whole time. As Omi tries to convince it to reveal itself, it instead extends its left arm to hit Omi, Clay and Raimundo, the former of which avoided and leaps in the air to hit it with his foot, knocking it next to a wall and dropping the Shen Gong Wu it was trying to steal. It then attempts to attacks Omi back using Shen Gong Wu it stole such as the Fist of Tebigong, only for Omi to use the Two-Ton Tunic to knock it out, before eventually using the Eye of Dashi to shoot lightning at Omi as he runs along the walls of the Xiaolin vault, but creates a hole in Clay's hat, leaving both Clay and Raimundo to help Omi defeat the Chameleon-Bot as it forces it to drop the Shen Gong Wu back in to the Xiaolin vault, unbeknownst that they are giving them to Jack Spicer, whom arrived at the temple using his Changing Chopsticks earlier. The Chameleon-Bot then extends its arms to pin down Clay and Raimundo on a wall, and extends another arm to do the exact same thing to Omi, calling them "naughty boys".

Suddenly, the real Kimiko breaks in and arrives, crashing into Chameleon-Bot and ramming it into a wall, much to Omi, Clay and Raimundo's shock and confusion. Omi, happy with the real Kimiko's return, tells her that the Chameleon-Bot is impersonating her, with the real Kimiko telling the three the aforementioned, but interrupts her and tells the three the real Kimiko is fake, before it soon fights Kimiko as they battle. Just then, Omi leaps high in the air and stomps on it, causing it to explode and truly reveal that it was actually the Chameleon-Bot disguised as Kimiko the entire time.

The Chameleon-Bot later gets rebuilt and sent by Wuya along with Tubbimura and Katnappé to help four newly-revealed Shen Gong Wu; the Lotus Twister, the Longi Kite, the Tongue of Saiping and the Sun Chi Lantern. This time, the Chameleon-Bot is now version 2.0, as it transforms into Jack Spicer and grabs the Two-Ton Tunic before reverting back into itself, then reverting its head to Raimundo, Kimiko, Clay and Omi, in order.

At the Deserted Beach Island where Raimundo is sent to where the Longi Kite is located, it transforms into a swimsuit-clad blonde woman to catch Raimundo off-guard and asks if he is sure that he doesn't want to share it with "her". Just as Raimundo, whom is fooled by the Chameleon-Bot's disguise, says he would like to, the water waves washes along its legs, which reveals that it is actually Chameleon-Bot in disguise and he declines, causing the Chameleon-Bot to extend its arms and grabs hold of the Longi Kite, starting a Xiaolin Showdown, where it reveals itself and wagers its Two-Ton Tunic against Raimundo's Falcon's Eye. When the showdown starts, the kite flies out of sight, naming the game to be Hide and Seek. Soon after, a huge tidal wave appears and floods the entire island. Raimundo swims all the way to the shallow water, while Chameleon-Bot transforms back into the same blonde woman as earlier. After Raimundo swims all the way out of the water, the Chameleon-Bot swims surrounding him and transforms into a shark, and they proceed to swim underwater to find the Longi Kite. As Raimundo swims deeper in hopes of finding the kite, the Chameleon-Bot transforms into a jellyfish to sting Raimundo, then transforms into a manta ray as Raimundo grabs onto its tail when they approach the Longi Kite, but as soon as they arrive, the Chameleon-Bot transforms into an octopus, tangling Raimundo with its tentacles and grabs the Longi Kite, winning the showdown as the water levels soon significantly decrease, reverting back to its original form, kidnapping Raimundo and flies all the way to Jack Spicer's headquarters with the Longi Kite he won against Raimundo.

Back at Jack Spicer's headquarters, where Omi, whom won against Jack Spicer for the Sun Chi Lantern, arrives to find the rest of the three Xiaolin warriors, where it corners Omi along with Katnappé, Tubbimura and Jack Spicer, whom fights with them all at once under Wuya's command. It first attempts to attack Omi extending its arms to punch him along the pillars, and then attempts to attack Omi again by transforming into a lion to charge at him, only blown away by Omi using his wind ability due to him using the Sun Chi Lantern, which eventually knocks it into a cabinet. Overpowered by Omi using the Sun Chi Lantern's abilities along with Katnappé, it later gets crushed by Tubbimura, whom also got overpowered by Omi as well.

* * *

Me: WHOA! So it assumed Kimiko's form and everyone thought she was a traitor!

Qin: GEEZ!

Omi: Not one of our best moments.

Jack Spicer: And there it was just yesterday!

We saw it on Dhakgun!

We saw it there gathering info.

Me: You said that it was there plain as day.

Nico: Yep.

Me: We were too busy destroying Dark Chase Young to notice.

Qin: Yeah.

Me: But my Shadow Clone was there and it saw it. I remember. Man Jack you made an amazing and incredibly awesome robot.

Jack Spicer: I sure did. Here's the blueprints for it.

He showed me the blueprints for it.

It was a formshifting and power replicating robot used for camouflage and infiltration and also to steal secrets of the government for terrorism. But when Wuya came he rebuilt it for infiltrating the Xiaolin Warriors and stealing the Shen Gong Wu unsuspectingly.

Me: Wow! What an amazing robot! You really made an awesome machine Jack.

Jack Spicer: Thanks for the compliment.

Me: You're welcome.

Jack Spicer: Honestly, did you guys ignore its' energy signature just to fight Dark Chase Young?! It was scanning us for data!

Me: I didn't sense anything Jack. And to be honest it's a machine and machines don't have life force and energy signals.

Jack Spicer: Oh you're right on that.

Nico: Yeah.

Jack Spicer: But Eli could've used the Force to sense it!

Eli: I was too preoccupied with the battle. But yes I could.

Jack Spicer: Oh. Sorry. I'm sorry guys.

Me: It's okay Jack. Besides we can worry about it later. Right now lets just enjoy the party.

Nico: Yeah.

Jack Spicer: Okay.

Wuya: I'm glad Dark Chase Young is gone. I never liked working for him.

Omi: There is still my day to shine.

Nico: We'll find out who it is when we get to it

Me: Hmm.

Jack Spicer: My money who will show up for that is Robot me.

Me: Robot you?

Jack Spicer: He was a robot copy of me I made when we got the Shard of Lightning.

Omi: I remember that one! He and you played crazy pranks on us!

Me: If he does pranks like how Dark Spicer did to me I'm going to turn that bucket of bolts into scrap metal!

Ymir: What did he do?

Me: Gave me a nasty atomic wedgie, and wrote Insert Brain Here on my head. Along with all kinds of deadly pranks even the Joker would like.

Ymir: (GASP) NOT FUNNY!

Me: I know.

Horsea ate some food.

Horsea: Delicious!

Poromon: It sure is!

We had a really fun and awesome party.

Lincoln: That was an awesome party, and now, time to get down to business. We're here in Loch Loud to help Pepperdance unlock her Rainbow Power and send Joseph Seed and Project at Eden's Gate to The Black Abyss.

We had all of TLPS and The MOE with us.

Me: I have had it up to hear with that fucker, Joseph Seed, to last an eternity, he and his Project at Eden's Gate are heading for The Black Abyss.

Nico: Damn straight. Those fuckers have run free for too damn long, this is where they meet their end.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I turned the tips of my 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his

massive muscles) And this curse will be on them until we finally kill them.

Pohatu heard a Pokémon cry

Pohatu: Hey look guys!

We saw a Rhyhorn!

Serena: A Rhyhorn! That's perfect for you Pohatu. Also I have a Rhyhorn back home with mom.

Me: Really Serena?

Serena: We sure do. My family are Rhyhorn trainers.

Me: Interesting.

Rhyhorn: That is something.

Pohatu: Here.

He gave it apples.

Rhyhorn: Thanks.

Rhyhorn ate them.

Pohatu: Want to come with me?

Rhyhorn: I would be honored.

Me: Awesome!

Poromon: You won't regret it!

Sento: No telling how long Evolt gets to be Anti Monitor's Right hand now.

Me: Yeah.

Then we heard a motorcycle come.

Me: A motorcycle?

Nico: No look!

We saw a MEGA KORAIDON!

Me: WHOA! Mega Koraidon!

Nico: What's that doing here?

Me: Must be one of Dark Gale's work!

Ace: Let me see.

He used Telepathy and gasped!

Ace: It's my sister Yumi!

Nanette: Yumi!? Oh wow! Its been a while since we saw her.

Neon: It sure has!

Me: Lets go help her.

We went over to her.

Ace: Yumi it's me Ace!

She used Collision Course

She flew into the air and turned into a comet and flew at us!

We dodged her and it hit the ground and exploded!

EXTREMELY MASSIVE EXPLOSION!

Me: WHOA! Powerful!

Nico: Yeah!

Me: Okay then!

We fired waves of energy and blasted her down.

I snapped my fingers and she reverted back and was a girl with red hair and blue eyes and had fire angel wings and had Mega Koraidon on her forehead and her cutie mark was the Geats Symbol on a black sun with 9 fox tails.

We wrapped her in a blanket and brought her over.

She woke up.

Yumi Ukiyo: (Groans) What hit me?

Ace: Sis? You okay?

Yumi Ukiyo: Ace? (GASP) Ace!

She hugged him!

Yumi Ukiyo: I thought I would never see you again! I Thought you were dead!

Ace: I was brought back thanks to Professor Paradox.

Me: Long story on that.

Nanette: Hey Yumi. Been a while.

Yumi: Nanette, Neon and everyone! Great to see you all.

Nanette: Same here.

Me: You were turned into a Mega Koraidon by Dark Gale.

Yumi Ukiyo: I don't remember them. I was fighting Morio. He was out for revenge saying my brother made a fool of him. I told him Ace died but he said I was lying.

Me: Well he was not wrong. Professor Paradox brought him back. Also you'll be happy to know that Suel is dead.

Yumi Ukiyo: Oh wow!

Me: Yeah we killed him.

Nico: Morio is also in jail.

Me: He must've escaped when we weren't looking.

Yumi Ukiyo: I see. What about Kanata?

Me: Dead. He was a monster.

Nico: Yeah.

Yumi Ukiyo: That monster did this to me.

She showed a scar on her back and it was a nasty slash wound!

Me: GEEZ!

Yumi Ukiyo: He slashed me and wounded me good.

Me: OUCH!

Neon: He's gone now.

Me: He wanted to wipe out everyone so only he can live.

Qin: Man what an unpleasant guy and all because he got hurt and his sports career was ruined.

Poromon: What's your Rider name?

Yumi Ukiyo: I am known as Kamen Rider Nightgeats. I am a black version of Geats in is max form and have black fire angel wings with black fire fox tails.

Me: WHOA! The powers of the night in fox form.

Naruto: Like me with the powers of Kurama the fox.

Me: Yep.

Yumi Ukiyo: Yep.

Me: Wow! This will be cool to see. Also Geats is the most recent Kamen Rider Team we recruited.

Yumi Ukiyo: I heard about that.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new black clothes and she had a black fire sword and Ace gave her rider belt to her.

Yumi Ukiyo: I look amazing.

Me: You sure do.

Nico: We're not done yet.

Me: Nope. Now we got a Doomsday Cult leader to destroy!

Lincoln: (Sensed for Joseph Seed) AHA! There he is! I found Joseph Seed, he's 20 yards away.

Lincoln lifted his massive greatsword up into the sky, and then, we saw heavenly lights shining down from the sky, and we saw the lands of Scotland and Loch Loud started glowing, and green energy started to flow into Lincoln and he began growing even stronger than ever, and then, we saw a Celtic Triquetra shining in the sky along with The Celtic Tree of Life.

Natilee: Incredible...!

Suddenly, some of Joseph Seed's fanatics began to scream with pain: we didn't know what to think of that. But, then, we saw that Lincoln's sudden display was one of his new powers and abilities and we felt that Lincoln was growing even stronger because he's also sucking out the life force energy of Joseph's men.

Return to this world from The Spirit World to defend our home from these intruders.

Suddenly, we saw the spirits of the many brave Scottish warriors of ages past along with those from the time of Lachlan McLoud, Duke of Loch Loud, appearing and returning to our world from The Spirit World, as they heard Lincoln's command. Then, Lincoln joined them and he let out a war cry that thundered all over Loch Loud, and the warriors also bellowed out a war cry and they rushed at Joseph Seed's men and they began cutting all of them down with their claymores, war swords, and greatsword.

Me: Whoa, what on Earth is that?

Natilee: I have no idea. I've combed through many of the ancient Celtic magic books, but there's not a single record about what we just saw.

Lachlan McLoud: (Scottish Accent) (GASPS) I believe I know what that is, that is The Atavism of The Celtic Angel, it's an extremely rare power that was rarely ever talked about in old legends. The story began 9,900 years ago with my ancestor, Leathan McLoud, was given this incredible power, and this power gave him superhuman strength, incredible powers, immortality, virility, invincibility, all the powers of the creatures of the elements and Elemental Forces themselves: The Fires of The Immortal Phoenix and The Mighty Dragon, The Waters of The Melodious Mermaid, The Lightning of The Raging Thunderbird, The Winds of The Graceful Sylph, The Earth of The Mighty Bull, The Light of The Peaceful Fairies, and The Darkness of The Secretive Ghosts, all the powers of everything Celtic along with all the powers of Scotland.

WE GASPED!

Eli: We had no idea about that.

Melanie McPherson: (Scottish Accent) Because it's been kept a secret for over 9,000 years, but I remember the legend all too well, and when Lincoln was 11, he got injured badly by Lynn who tried to kill him again. Suddenly, I saw Leathan McLoud appear, and here's what he looks like.

Melanie McPherson took out the ancient preserved photo, and we saw it: he looked like a tall and manly version of Lincoln with extremely strong and powerful upper and lower body muscles and twelve-pack abs, long white hair going down to his neck, deep sapphire eyes, and he had an orange kilt around his waist.

Nicole: So, that's Leathan McLoud. The white hair and deep sapphire eyes were a dead giveaway, but I had no idea Lincoln had a powerful warrior of Celtic pride and strength in his family from 9,900 years ago.

Me: Same here.

Melanie McPherson: (Scottish Accent) I was stunned when I saw him. In any case, he saved Lincoln by merging with him: mind, body, and soul, and as a result of that, Lincoln also gained all of Leathan McLoud's superhuman strength, incredible powers, immortality, virility, invincibility, all the powers of the creatures of the elements and Elemental Forces themselves: The Fires of The Immortal Phoenix and The Mighty Dragon, The Waters of The Melodious Mermaid, The Lightning of The Raging Thunderbird, The Winds of The Graceful Sylph, The Earth of The Mighty Bull, The Light of The Peaceful Fairies, and The Darkness of The Secretive Ghosts, all the powers of everything Celtic along with all the powers of Scotland, and that also gave him an infinite increase in his own powers as well.

Lachlan McLoud: (Scottish Accent) So, my ancestor saved Lincoln from Lynn's rage, that must be why I sensed even more incredible power from him.

Suddenly, Lincoln let out a massive wolf howl that echoed throughout Scotland, and massive packs of large wolves appeared, and they mauled some of Joseph Seed's men.

Melanie McPherson: (Scottish Accent) And that's also another power that was kept secret from even Lori, Lynn, Lola, Lisa, and Luan, and you're gonna be impressed with this, J.D. You guys heard about The Phoenixheart Transmigration and The Elemental Beastheart Transmigration, but what you see before you is a result of The Wolfheart Transmigration, an extremely powerful ancient magic ritual going back 900,000,000,000 years ago. Seven years ago, when he was twelve, we took Lincoln to a forest in Scotland where we asked an Alpha Werewolf who ruled the forest with his pack for this task. The werewolf used The Wolfheart Transmigration which merged the Alpha Werewolf with him along with his massive pack, and as a result, Lincoln's werewolf powers gained an infinite boost and he also gained immense power over all wolves and werewolves, intense blue wolf fire powers along with the infinite power boost of his own powers over the colored wolf fire of The Elemental Wolf Moons, and with his immortality and invincibility, it made him even more powerful than ever.

Me: SAY WHAT?!

MY MOUTH OPENED WIDE AND MY SKULL CAME OUT AND SPUN 360 DEGREES AROUND BEFORE I CLOSED MY MOUTH!

Nico: Okay, that was funny, but wow! So, Lincoln's more than just a True Alpha Werewolf-Vampire Hybrid, he's like The God of Werewolves and Wolves and The King of Werewolves and Wolves, that means he's more powerful than any of the other werewolves and vampires, and if any rival werewolf or wolf packs try to trespass on his territory, he'll drive them out.

Me: (Thinking) You have no idea how right you are, Nico, Lincoln is known as The God of Werewolves and Wolves and The King of Werewolves and Wolves, and he's just as powerful as my old friend, Princess Chemukh, The Goddess of Wolves and Queen of The Wolves. (Sensed one of the Anothers) And one of the Anothers is definitely her!

We landed.

Nico: YO, JOE!

Joseph Seed: If it isn't the sinners!

Me: Uh have you looked in the mirror lately!? You are the sinner and the only one that needs to be judged for his crimes is you!

Nico: You got some damn nerve coming back from the dead once again, Joseph Seed. I thought we were done with you forever.

Me: YEAH! Especially for how you were trying to destroy the world!

Joseph Seed: SHUT THE FUCK UP! DIE!

Me: YOU FIRST!

Joseph Seed fired his gun at Nico, but he caught it with his hand and flicked it back at him and the bullet hit his hand and he wound up dropping his gun.

Ymir took his gun!

Me: Just so you know, that's for brainwashing your world's Lincoln into committing the atrocities you've committed!

Joseph Seed: YOU MONSTERS! HE WAS OUR SAVIOR!

Me: Who Dark Chase Young?

Joseph Seed: YES! HE WAS THE ONE THAT FOUNDED OUR GROUP!

We gasped!

Nico: SAY WHAT!?

Nico opened his mouth but I caught his skeleton and stopped it from falling out.

Me: Uh for your information, Dark Chase Young was not saving anyone! He was doing all this to stop the prophecy from coming true!

Lincoln: YEAH! I am the chosen one! I destroyed your so-called savior!

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER, YOU PIECE OF SHIT!

Lincoln, Nico, and I did one final powerful energy slash that hit Joseph Seed hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Joseph Seed was on his last legs and he was really really mangled.

Then, Lincoln ran at Joseph Seed, and with one massive swing of his massive greatsword, he cut Joseph Seed's head off and bisected Joseph Seed's headless body in half, and he exploded in a massive explosion of rainbow fire, and Joseph Seed and his Project at Eden's Gate cult was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Nico: That should do it.

Me: You said it.

Lincoln: That was an awesome battle, and we managed to kill Joseph Seed and end Project At Eden's Gate and send another piece of Dark Chase Young to the Black Abyss forever.

Eli: That's for sure. And ended the cult that brainwashed Lincoln Casagrande.

Me: And we still got the added problem of Alecto Slytherin running loose as well.

Lincoln: We pissed off Alecto big time to the point that he'll come after us just like Dark Sebastian and his demonic cronies, but we'll send him slithering back to the shadows where he belongs.

Nico: Good riddance to Bad Rubbish.

Me: No kidding. Just glad that's another old enemy down the drain.

Qin: No kidding.

Rhyhorn: I agree there.

Laney: Yeah.

Nico: Nice job Rhyhorn!

Rhyhorn: Thanks. That was fun.

Poromon: Want some beer?

Rhyhorn: Oh no thanks. I don't drink. I can't even hold anything because I don't have hands.

Poromon: Oh okay then.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Rhyhorn: Nice try though pipsqueak.

Poliwag: Hey!

Poromon: Oh Flash when we are done with the exercising, I challenge you to a race!

WE GASPED!

Flash: Poromon you want to race me, the fastest man alive!?

Poromon: I'm the only mascot who can fly.

Me: Poromon there are others among you all that can fly too.

Butterfree: Yeah like me!

Articuno: And me too!

Zapdos: Yeah we're insulted!

Moltres: What are we, chopped liver?

?: No that's what I am.

We saw a jar full of chopped liver and a rimshot was heard.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Raimundo.

Raimundo: This could be another of my relatives.

Lincoln: Yep.

Eli: Whoa, and one of The Anothers is The Avatar of The Illusion Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Eli: And one of The Anothers has a wolf pack with her.

Me: Lets see. (HOWLS LIKE A WOLF) (ECHOING)

Then numerous howls were heard in the distance.

Me: Yep they are coming.

Nico: Oh boy. So we got Another Cyborg Bear, Volcano Bear (OC), Universe 666 Vincent (Over the Hedge), Polarclaw (Robots In Disguise 2015), Ignited Golden Freddy and Sir Finkleberg (Fairly Oddparents).

Qin: Yep. So that means Crescent Grizzly, Baloo, Bagheera, Polar Claw, Kenai and King Arthur (Disney) are up.

Me: Yep.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance,

hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

Then out came Another Volcano Bear (OC), Universe 666 Vincent (Over the Hedge), Polarclaw (Robots In Disguise 2015), Ignited Golden Freddy and Sir Finkleberg (Fairly Oddparents)!

Nico: WHOA!

Me: This will be fun!

Another Volcano Bear: (In a girls voice) It sure will be!

They reverted back and were the gene-slammers of Ghostrick Yeti, Evil Dragon Ananta and Lunalight Emerald Bird!

Nico: Shayria Khumbu, Anna Ananta and Emerald Luna!

Me: The gene-slammers of Ghostrick Yeti, Evil Dragon Ananta and Lunalight Emerald Bird!

Anna Ananta: That's right. Good to see you again Nico.

Nico: Same here. Also Anna is also the direct descendant of Anna. The girl we met that was possessed by the demon Ba'al.

Me: I remember that! And that is cool!

Anna Ananta: It sure is.

Nico: Yep. Also Shayria is also a fully evolved Yeti Homo Sapien. Legends say that she lived back 200,000 years ago and is immortal as well as lived among the legendary Yetis and wanted to share their history with humans when the time is right

All of us: WOW!

Me: A fully evolved Homo Sapien Yeti!? That is amazing!

Lisa Loud: Incredible! That could very well hold a lot of information and keys to the missing link!

Shayria: It sure could.

Me: Yep. By the way girls are the rest of the Anothers friendly or hostile?

Emerald Luna: Friendly and J.D. you will like meeting one of the Anothers. She has a wolf pack.

WOLF HOWL!

Me: We can hear them. But cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: Now we wait.

Me: We don't have to wait long!

We saw Another Cyborg Bear and Raimundo!

Me: WHOA!

Then out came 5 wolves.

Me: Kamots, Lakota, Mataki, Matsi and Amani.

They came to me and it they howled with me.

Me: (WOLF HOWL)

Nico: Awesome!

Another Cyborg Bear reverted back and it was the Avatar of The Illusion and the Goddess of Wolves!

Lincoln: Iridia Illusion!

Me: Princess Chemukh!

Iridia Illusion: Good to see you Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Iridia Illusion, Avatar of The Illusion Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of illusions, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Illusion Clow Card, and the magic of Clow Reed. She's The Illusion Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Iridia Illusion is a master of the powers of The Illusion Clow Card and she's a powerful master of illusions and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Iridia Illusion came to Royal Woods where she met Lincoln, and she taught him how to master the powers of illusions, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Illusion Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of illusions, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Illusion Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by making illusions of Bobby, Lightning, Winston, Dexter, and Eddy scolding them and that caused them to run back to their rooms in fright.

Qin: WHOA!

Me: And this is Princess Chemuhk, The Goddess of Wolves and the queen of all wolves. She is a master leader of the wolves. A true alpha. She leads a massive pack of wolves and protects them and even has them bond with humans too. She is a close friend of mine and is a powerful force of nature and leader of the most powerful force of nature: The Wolf Pack. The wolves with her are Kamots, Lakota, Mataki, Matsi and Amani.

Nico: They are beautiful.

Me: Yep.

Princess Chemukh: Yes good to see you again J.D.

Me: You too.

Nico: And your friend?

Another Raimundo: (In a girls voice) Someone who is proud of her brother.

Raimundo: AY CARAMBA!

She reverted back and it was a girl version of Raimundo but had blond hair and had blue eyes and had blue angel wings.

Raimundo: Ronalda!

He went and hugged her.

Ronalda Pedrosa: Raimundo it's good to see you.

Raimundo: Same here. This is my sister Ronalda. She is the Xiaolin Dragon of the element of Storm.

Me: WHOA! Pleasure to meet you.

Ronalda Pedrosa: Same here.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (Gets out Jetman gear) Because we can grant it instead.

They got weapons from said teams.

Iridia: No he didn't. I used my powers and made Swartz get trapped in an illusion of nightmarish evil girls ripping him apart.

Me: WHOA! Those girls would be terrible to see.

Iridia: Yep and we ran.

Sakura Knudson: That explains why I found him a bloody and mangled up mess. But when I got closer it was an illusion.

Nico: Nice!

Sougo (gets out Mighty Morphin Ridewatch): You should be proud of your brother

Geiz (Gets out Jetman Ridewatch): He's been a good leader by the time we met him

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Ronalda Pedrosa: I am proud of him and he is doing a great job.

Xenia: He sure is.

Qin: Yep.

Nico: Lets separate you girls.

We did so.

Me: Lets dance.

Nico: (Gets out Cyborg Bear's Ridewatch) This bear packs a punch!

May: (Gets out Universe 666 Vincent's ridewatch) I am a bad bear!

Universe 666 May: (Gets out Polarclaw 2015 RID Ridewatch) Lets bring the pain of the bear!

Maria: (Gets out Ignited Golden Freddy's ridewatch) TIme to boogie with the bear!

Baloo: (Gets out Volcano Bear's ridewatch) Look for the Bear Necessities!

They used the powers of Cyborg Bear, Volcano Bear (OC), Universe 666 Vincent (Over the Hedge), Polarclaw (Robots In Disguise 2015), Ignited Golden Freddy and Sir Finkleberg (Fairly Oddparents) and blasted the Anothers.

Me: OH YEAH!

Mowgli: YEAH MAN!

Then Gartox, Cerberus (Disney), Leviathan (MHA), Leviathan the Water Dragon, Fairy Leviathan (X-Squad) and Crystal Leviathan came.

Nico: WHOA! Nice team Gartox!

Gartox: Thanks Nico.

Me: Infinity Mijinion's team next.

Infinity Mijinion: That's right

Me: Yep.

Then a rumble was felt and out of the ground came SCORIA WURM!

Me: WHOA!

Qin: Scoria Wurm!

Scoria Wurm: (In a girls voice) And it's about to heat up!

Nico: Seccia Scoria!

She reverted back.

Seccia Scoria: Good to see you Nico. I got this.

She fired waves of fire and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Take that!

Seccia Scoria: That was fun.

Lola: It sure was!

Baloo: Yeah! Do you have any good memories of Nico?

Seccia Scoria: I sure do. When me and Nico went and destroyed an entire underground terrorist operation that was planning to build nukes for other organizations.

Nico: Yep.

Me: Whoa that is intense!

Qin: Yeah.

Nico hugged her.

Nico: I've missed you.

Seccia Scoria: Same here.

We later went back home.

Lincoln: Ah, we're here in Africa, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're here to take down the clone of Bloody Tree who has The Dark Illusion Card in her hands, and once I suck out the powers of The Dark Illusion Card, I'm also going to absorb the clone of Bloody Tree.

Crescent Grizzly: I got a feeling it won't be easy though.

Lincoln: No, and we're going to be in for a tough fight, Bloody Tree is the Hypothetical Akuma of Kurenai Yuhi and she is a tree that literally drips blood! She is a master of illusion too.

Lincoln took out his sketchbook, and we saw her: a tree that literally drops blood.

Me: And I know how she was created. She was made because Hidan of the Akatsuki killed Asuma Sarutobi!

Nico: THAT FUCKING MONSTER!

Me: Yep, but in 150,000 years hence, The Knights of the New Fire and I prevented the murder of Asuma Sensei and I slashed Hidan into a million pieces and sent his head to prison.

WE HEARD HIDAN'S SEVERED HEAD STILL RANTING UP A STORM IN THE HIDDEN LEAF PRISON!

Poromon: JEEZ! He needs to have his mouth washed out with soap!

Lincoln: Or have his lips sewn shut with metal wire.

Suddenly, we saw what looked like the villains we'd killed in the past few months.

Eli: Wait, they're illusions!

We blasted them and they disappeared.

Lincoln: This is Bloody Tree's power and The Dark Illusion Card as well, we're getting close.

Suddenly, we spotted the clone of Bloody Tree, and then, Lincoln blasted her forcing The Dark Illusion Card to come out and took on her true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Illusion Card and he began sucking out all her illusion powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Illusion Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Illusion Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Illusion Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black

and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of Bloody Tree.

We turned to the clone of Bloody Tree who roared in anger at us and fired blood at us, but Lincoln absorbed the blood into his body like a sponge and he even drank some of it.

Lincoln: Mmm, tasty. Okay then, let's get her.

Robin Hood went after the clone of Bloody Tree, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit her, then he attacked him with the blades on his bow leaving scars on her, and he fired arrows at her that transformed into many arrows with leaves surrounding them and she got hit all over the place.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at the clone of Bloody Tree and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed at her with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE CLONE OF BLOODY TREE! HE WAS REALLY GOING APESHIT ON HER!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the clone of Bloody Tree and he began absorbing her and assimilated Bloody Tree's powers over illusions and blood, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Bloody Tree and he also sucked out all the energy remaining in her soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Illusion Card and Lincoln absorbed the clone of Bloody Tree.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, blue sleeveless strapless top, blue skirt with Gem-Knight Lapis, white bridal gloves, blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Lapis, she has a greatsword, and with her are the seven girls.

Lincoln: (GASPS) Luna Lapis, Avatar and Gene-Slammer of Gem-Knight Lapis.

Luna Lapis: That's right, and I got the girls away from the clone of Bloody Tree and The Dark Illusion Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Illusion Card when I sucked out her powers and absorbed the clone of Bloody Tree. (To Laura Luna Lapis) And it's so good to see you again, Luna.

Luna Lapis: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Luna Lapis had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Luna Lapis was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Luna Lapis: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Luna Lapis' waist and hugged her, and Luna Lapis is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Luna Lapis: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Luna Lapis, Avatar and Gene-Slammer of Gem-Knight Lapis, she's Lincoln's Guardian

Angel from Michigan and the youngest sister of Laura Lapis Lazuli and Lucia Lazuli, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals. She's known as The Lapis Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Luna Lapis came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed

Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Rene Alaister, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered the parents of Laura Lapis Lazuli, Luna Lapis, and Lucia Lazuli in cold blood, and she swore to kill Rene Alaister and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Luna.

Lincoln with his massive muscular arms still wrapped around Luna Lapis' waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed..

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Luna Lapis: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Luna Lapis with lapis lazuli gems on the gold lightning bolts and lapis lazuli crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Luna Lapis: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Luna Lapis.

Luna Lapis had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Luna Lapis' waist, and he leaned down to her face and kissed her on the lips, and with Luna Lapis' hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Luna Lapis had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Luna Lapis: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The seven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Ria Shinomiya, Namami Hirasaka, Kokoro Aizawa, Rinne Tounosawa, Himeko Kinokuni, Mai Hayakaze, and Momoka Oribe from WANNABECREATORS.

Lincoln: Oh whoa, it's Ria Shinomiya, Namami Hirasaka, Kokoro Aizawa, Rinne Tounosawa, Himeko Kinokuni, Mai Hayakaze, and Momoka Oribe from WANNABECREATORS.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're voluptuous beauties.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Ria Shinomiya: Yes, we're okay, thanks to you.

Then, when Ria Shinomiya and the other six girls saw who it was that saved them from The Dark Illusion Card and the clone of Bloody Tree, their faces turned atomic red and their noses gushed out blood upon seeing the 20'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks Ria Shinomiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ria Shinomiya: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ria Shinomiya, Namami Hirasaka, Kokoro Aizawa, Rinne Tounosawa, Himeko Kinokuni, Mai Hayakaze, and Momoka Oribe with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal

Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's clones.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long orange hair, orange eyes, massive pizza angel wings, she has on an orange two-piece bikini, and a pizza greatsword.

Lincoln: (GASPS) Italia Pizzaraira, Queen of the Pizzarairans of Planet Pizzaraira.

Nico: The only surviving Pizzarairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Italia Pizzaraira, Queen of the Pizzarairans of Planet Pizzaraira, she's Lincoln's Guardian Angel from the planet of Pizzaraira in The Forbidden Zone. She was the Queen of the Pizzarairans who ruled the planet of Pizzaraira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over pizza and the ability to grow even stronger, but she was also born with angel wings, the powers of honey, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Italia Pizzaraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of pizza, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of pizza, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Pizzarairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them trapped in a pizza pie prison with the power of Pizzaraira.

Italia Pizzaraira: And I knew Lincoln absorbed the souls of the male Pizzarairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Italia Pizzaraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Italia Pizzaraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Italia Pizzaraira with orange gems on the gold lightning bolts and orange crystal links and jade beads from her

merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Italia Pizzaraira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Italia Pizzaraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Pizzarairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

* * *

After Lincoln drained The Dark Illusion Card of all its powers and absorbed the clone of Bloody Tree after he and all of us took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Luna Lapis saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Luna Lapis: My God, I was right that Lincoln's really grown into a 20'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Luna, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Luna Lapis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Luna Lapis: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a tape, but this one had a red aura.

Jack Howard: Okay, now this tape here, this was from 1997, and not long after Mad Cat Max beat the crap out of Caleb, it wasn't long after that Caleb was out on the prowl again out for blood and out to kill Drake once more. But, he would have a run-in with another Yakuza family who are also acquaintances with Claw Dane Drake, and Caleb's bloodlust got so out of control, one of their strongest members had to stop him, and even went so far as to call Caleb all sorts of names that were so disgusting, we dared not to repeat them, and he even told him to go back to Hell where he belonged.

WE GASPED!

Roxy Drake: Yep, that set Caleb off big time, and he said every curse word in the book at him before he proceeded with his task.

Cage Blunt: Travis, Cronus, the girls, and I also heard him, and I almost felt sorry for the poor sap who set Caleb off again.

Jack Howard put the tape in, and it played on the big screen showing New York at night in 1997, not long after Mad Cat Max beat the crap out of Caleb Maxwell, he was out on the prowl again out for blood and out to kill Drake Maxwell, the guy who ruined his life all those years ago and killed him back in 1985.

Past Caleb Maxwell: I will never be humiliated like this again! Drake, when I find you, I'm gonna make absolutely sure every last shithead criminal in New York sees your headless body mangled on the streets and your severed head impaled on The Empire State Building!

Just then, an informant called Caleb with some news to share, and he met with the informant in an alley. Apparently, there's news of another Yakuza family coming to New York, and they got business with Claw Dane Drake.

Past Caleb Maxwell: So, tell me what you know.

Informant: Word is Daichi Fujishiro, the boss of The Fujishiro Family, another powerful Yakuza organization from Japan, is coming over to New York. He's here to see Claw Dane Drake, and as you guessed, The Big Claw Gang also has some powerful Yakuza families in Japan as allies and helped them out to expand into Japan, and I got a call from my guy: it's about Fujishiro's only son, Masaru Fujishiro, the leader of a local gang in Japan, but he's a no-good lowlife who kidnaps, rapes, and murders innocent girls. He crossed a powerful woman named Mitsuko Nakahara, she's the caretaker of young girls who are found by her in The Kiryu District, and long story short, Masaru and his pal, Kyosuke, kidnapped, raped, and murdered a girl who was under Mitsuko's protection. Her body was found a day later, and when Mitsuko told Daichi Fujishiro about this, he was furious and decided to cut all ties with his lowlife son and kicked him out of the family, and he and Kyosuke both fled to New York before the soldiers came after them.

Past Caleb Maxwell: Filthy animals! So, Fujishiro is coming here, and there's no doubt Claw Dane Drake captured those two lowlives to hand over to them!

Informant: That's the plan, but don't think about going there to wreck it. Ever since you murdered Arata and Daisuke, the two lunatics who were once members of The Yamamoto Family, the other Yakuza families have been warned about you, and Daichi has one of his strongest members with him.

The informant took out a picture of a male white-furred cat with long black and purple hair, black ears, and black tail, but he was also tall and really strong.

Informant: His name is Ruki Arakawa, he's a man of honor, strength, and skill, and he's someone you don't want to cross. He's taken down many lowlives including that lowlife, Masaru, and Kyosuke many times and sent them running, and he knows all about you: he knows you're a monster out for blood, and with you running loose, it'll be bad for business. So, if you cross him, you better be ready to run.

Past Caleb Maxwell: I decided a long time ago I was done running, I made a choice to fight back. I will never run from anyone ever again. When is the meeting taking place?

Informant: Tonight at 8:00 PM, by then, their plane will arrive from Japan, and it'll be at The Turning Stone Resort Casino in Verona, New York.

Past Caleb Maxwell: The Turning Stone Resort Casino in Verona. Thanks.

Caleb left, but that haunted him.

Past Caleb Maxwell: The Turning Stone Resort Casino in Verona, the first legal casino in New York, the flashing neon lights and the table top games and card games are enough to draw out the richest billionaires and the elite of the city. But, it's also a good place to hide from the cops, you can get lost in the crowd and slip out the back. Well, this place is about to get a visit from The Grim Reaper.

Then, at 5:00 PM, a plane arrived at the airport, and he saw a group come out: there was an older male brown-furred cat with slicked back black hair, it was Daichi Fujishiro, the leader of The Fujishiro Family and with him was Ruki Arakawa and other soldiers of the family. Then, he saw Panther, Shroud, Carla Claw, Sally Gamble, Mad Cat Max, Hex, and Patch arrive, and they escorted them to the car.

Past Caleb Maxwell: I've got three hours left until they head for The Turning Stone Resort Casino.

Then, three hours later, he saw a car drive off, it was them alright, and he followed them to the very location of the meeting: The Turning Stone Resort Casino in Verona, NY, it was the first legal casino in the city, the flashing neon lights and the table top games and card games are enough to draw out the richest billionaires and the elite of the city. But, it's also a good place to hide from the cops, you can get lost in the crowd and slip out the back.

Caleb entered, and the air was charged with excitement over winning in games of chance and good food and entertainment. Suddenly, Caleb saw The Big Claw Gang and The Fujishiro Family head to the back of the casino, he followed, but kept a good distance, and as he got near, he saw a large room in the back: it was a meeting room and Claw Dane Drake and Daichi Fujishiro were sitting as the meeting began.

Daichi Fujishiro: Dane, I thank you for arranging this meeting, and I'm sorry about my son and his friend causing trouble here.

Past Claw Dane Drake: It's alright, my friend. But, it's a good thing my men got to them before the cops did.

Past Carla Claw: Or worse, our resident Dark Angel of Vengeance and Blood.

Past Patch: I hope Caleb at least stays away this time.

Past Sally Gamble: (British Accent) I don't think that'll be possible.

Past Nekome: (Japanese Accent) She's right. Ever since the whole ordeal with Arata and Daisuke, the former members of The Yamamoto Family, Drake Maxwell has gotten extremely desperate to reclaim his former power, and all of that caused Caleb's bloodlust to get out of control, more so than usual.

Past Shroud: Well, the next time he shows up, we'll beat him up to the point of him slipping into a coma, and who knows, maybe he'll pass away again.

Past Mad Cat Max: (Thinking) The second Allie hears you say that, don't come crying to us for help if she tries to kill you, dumbass.

But, Caleb heard it from outside the door and growled angrily, but he kept his anger on a leash.

Past Claw Dane Drake: And we got a little something for you, Daichi.

Claw Dane Drake nodded to Shroud and Panther who brought out Masaru Fujishiro and Kyosuke.

Daichi Fujishiro: I knew you'd capture them quick.

Masaru Fujishiro: Dad, don't just stand there, help me! Don't be talking to this asshole!

Daichi Fujishiro: Shut your mouth, you filthy animal. It appears cutting you out of the family wasn't enough, but with what you did in raping and killing one of the girls under Mitsuko's protection, you almost caused her to stop doing business with us. But, now that you're here, it's time to finish what we should've done.

But, before they could draw their katanas, some of them sniffed the air.

Ruki Arakawa: Sir, the smell of blood is in the air.

Then...!

THE DOOR WAS KICKED DOWN BY CALEB MAXWELL!

Past Caleb Maxwell: You pieces of shit! Time to die!

Past Hex: Oh great. Caleb's here!

Daichi Fujishiro: Caleb Maxwell's here. The killer of Kaito's former men.

Ruki Arakawa: Sir, let me.

Ruki Arakawa faced Caleb Maxwell.

Ruki Arakawa: So, you're Caleb Maxwell, the tragic teen who'd been cursed by tragedy and hatred and would lose not only his future and his friends, but would also ultimately lose his life in 1985 and come back from the dead eight years later in 1993, and that dark shadow of tragedy and hatred had caused your heart to turn as black as the night itself.

He then got into a battle stance.

Past Caleb Maxwell: And you intend to kill me? I died a long time ago back in 1985, I lost everything I held dear to my heart because of guys like those two pieces of shit. Now, hand them over so I can kill them!

Ruki Arakawa: I don't think so. Those guys caused enough trouble for our family, and there's no way we'll hand them over to a dishonorable inhuman blood-crazed psychopathic lunatic like you. Why don't you crawl back to your grave and head back to Hell where you belong?

Caleb lost it!

Past Caleb Maxwell: YOU PIECE OF SHIT!

Caleb slung every curse word there was in the dictionary. Then, two blades came out from under the muzzles of Caleb's guns, and he tried to slit Ruki Arakawa's throat, but he dodged the attacks.

Ruki Arakawa: Wow, hidden blades. This should be good.

But, Caleb dodged and choked out Masaru Fujishiro and Kyosuke and flew out of the casino and The Big Claw Gang and The Yamamoto Family followed after Caleb who took those two piles of shit to a chamber in Yuridia where The Watchers were waiting.

Past Caleb Maxwell: GET UP, MAGGOTS!

SCREAMS OF PAIN!

He sprayed hot oil on them!

Masaru Fujishiro: What is this?! Do you know who I am?! I'm Yakuza!

Caleb grabbed him by the throat, he was already pissed!

Past Caleb Maxwell: Stop talking now. So, you two pieces of shit kidnapped a girl who was under the protection of a powerful matron in your country, and you defiled her like two filthy animals, and then, you killed her in cold blood, and you fled here and continued the same shit you did in Japan, and since you have no remorse...!

Masaru Fujishiro: Remorse?! Screw that! I'm Yakuza, I can do whatever I want!

Kyosuke: Yeah, and that bitch enjoyed it!

SQUELCH! SCREAMS!

CALEB MAXWELL RIPPED OUT KYOSUKE'S RIGHT EYE!

Past Caleb Maxwell: Shut up! Now, you leave me with no choice!

Then, two of The Watchers brought those two pieces of shit over a pool of water, and then, Caleb made an incision on their stomachs, and their blood spilled into the water and attracted the animals in the tank: they were otters.

Kyosuke: WHAT THE!?

Masaru Fujishiro: Are those otters?! They seem kinda big!

Past Caleb Maxwell: They're no ordinary otters! (Cuts the rope) ENJOY!

They screamed as they fell in, and then...!

SCREAMS OF PAIN!

Then, the screams of pain started as the water started turning red, and it turns out: the otters were eating them alive.

Syd Chang: (GASPS) I know what those otters are, they're called Giant Otters, they're carnivores that live in Brazil, and they ate fish, particularly characins and catfish, but they may also eat crabs, turtles, snakes, and small caimans. It has no serious natural predators other than humans, although it must compete with other bigger predators, such as the Neotropical otters and various crocodilian species, for food resources, and they're aggressive and territorial.

Me: Whoa!

Lincoln: And how did you get them here to New York, Caleb?

Caleb Maxwell: Let's just say I know some people.

Then, we saw on the screen that The Big Claw Gang and The Fujishiro Family went inside, and they saw Caleb torturing them, and a few minutes later, Fujishiro and Kyosuke were begging for mercy!

Masaru Fujishiro: Please...!

Kyosuke: Help...!

The blood started turning black: that was a sign the otters got to their stomachs. Then, they were pulled up, and their legs were gone, but they were still alive.

Past Caleb Maxwell: So, you want to live?

Masaru Fujishiro: Yes...!

Kyosuke: Please...!

Past Caleb Maxwell: But, what about the girl you murdered? I bet she wanted to live too same with the other girls you two kidnapped, raped, and murdered. And your father made it clear that he'd disowned you, Masaru, and that meant you were out of the family. Face it, there's nothing you can do, time to die.

Masaru Fujishiro: No...!

Kyosuke: (SCREAMS)

Caleb dropped them back in, and they were finally eaten by the otters.

Past Panther: What the? I can't believe what we just saw.

Past Carla Claw: That damn psycho.

Daichi Fujishiro: I might've known he'd do this, after what Kaito told me, it seems as though Caleb's made quite a bloody reputation.

Past Claw Dane Drake: Perhaps, but no matter what he does, he can't wash away the blood that's on his hands, and no amount of trying to calm his angry heart will do anything.

They left as the video ends.

Me: Damn, I knew you were vicious, but this is a whole new level.

Tyler Maxwell: I can't say that I'm surprised, I knew Caleb was vicious and completely sadistic, but he always took it to another level. But, he had every right to: no matter how much time had passed, the scars of the past still haunted him, and I was unable to save him because I was separated from him when I was a baby. What Drake Maxwell did to him and to our entire family, Dad's relatives and Drake deserved to die, all those just like him deserve to spend eternity in Hell!

We had a feeling that a divine blessing was going to hit him tomorrow, and Caleb knew that feeling.

Caleb Maxwell: It may have been for the best you were separated when you were a baby, Tyler, I did not want you to suffer in the same way I did, same went with Alexander.

Then, he did the same thing giving White Lily Cookie, Mystic Flour Cookie, Pudding à la Mode Cookie, Moonlight Cookie, Choco Drizzle Cookie, Green Tea Mousse Cookie, Latte Cookie, Caramel Arrow Cookie, White Pearl Cookie, Black Pearl Cookie, Golden Cheese Cookie, Nutmeg Tiger Cookie, Milky Way Cookie, Cream Puff Cookie, Sea Fairy Cookie, Frost Queen Cookie, Linzer Cookie, Beet Cookie, Carol Cookie, Blueberry Pie Cookie, Black Raisin Cookie, Black Lemonade Cookie, and Shining Glitter Cookie and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Mystic Flower Cookie: (Swooning) What a handsome and manly wolf hunk.

Suddenly, they saw the clone of Armagejira.

Anna Anyanova: What is that...?!

Lincoln: Armagejira, the 2nd Hypothetical Akuma of Godzilla and he is a master of nuclear energy and has deadly and extremely explosive power, and he has an explosive temperature of 1,200 Centigrade or 2,192 Fahrenheit, and based on appearances, he's based on Godzilla going meltdown from 1995.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Armagejira and he began absorbing him and assimilating Armagejira's massive burning nuclear energy, deadly and extremely explosive power, and explosive temperature of 1,200 Centigrade or 2,192 Fahrenheit, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Armagejira, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to White Lily Cookie, Mystic Flour Cookie, Pudding à la Mode Cookie, Moonlight Cookie, Choco Drizzle Cookie, Green Tea Mousse Cookie, Latte Cookie, Caramel Arrow Cookie, White Pearl Cookie, Black Pearl Cookie, Golden Cheese Cookie, Nutmeg Tiger Cookie, Milky Way Cookie, Cream Puff Cookie, Sea Fairy Cookie, Frost Queen Cookie, Linzer Cookie, Beet Cookie, Carol Cookie, Blueberry Pie Cookie, Black Raisin Cookie, Black Lemonade Cookie, and Shining Glitter Cookie and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and White Lily Cookie, Mystic Flour Cookie, Pudding à la Mode Cookie, Moonlight Cookie, Choco Drizzle Cookie, Green Tea Mousse Cookie, Latte Cookie, Caramel Arrow Cookie, White Pearl Cookie, Black Pearl Cookie, Golden Cheese Cookie, Nutmeg Tiger Cookie, Milky Way Cookie, Cream Puff Cookie, Sea Fairy Cookie, Frost Queen Cookie, Linzer Cookie, Beet Cookie, Carol Cookie, Blueberry Pie Cookie, Black Raisin Cookie, Black Lemonade Cookie, and Shining Glitter Cookie and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, twenty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of White Lily Cookie, Mystic Flour Cookie, Pudding à la Mode Cookie, Moonlight Cookie, Choco Drizzle Cookie, Green Tea Mousse Cookie, Latte Cookie, Caramel Arrow Cookie, White Pearl Cookie, Black Pearl Cookie, Golden Cheese Cookie, Nutmeg Tiger Cookie, Milky Way Cookie, Cream Puff Cookie, Sea Fairy Cookie, Frost Queen Cookie, Linzer Cookie, Beet Cookie, Carol Cookie, Blueberry Pie Cookie, Black Raisin Cookie, Black Lemonade Cookie, and Shining Glitter Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, White Lily Cookie, Mystic Flour Cookie, Pudding à la Mode Cookie, Moonlight Cookie, Choco Drizzle Cookie, Green Tea Mousse Cookie, Latte Cookie, Caramel Arrow Cookie, White Pearl Cookie, Black Pearl Cookie, Golden Cheese Cookie, Nutmeg Tiger Cookie, Milky Way Cookie, Cream Puff Cookie, Sea Fairy Cookie, Frost Queen Cookie, Linzer Cookie, Beet Cookie, Carol Cookie, Blueberry Pie Cookie, Black Raisin Cookie, Black Lemonade Cookie, and Shining Glitter Cookie are in your harem, Linky.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin the sent clone of Armagejira, the 2nd hypothetical Akuma of Godzilla after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and I absorbed him and assimilated Armagejira's massive burning nuclear energy, deadly and extremely explosive power, and explosive temperature of 1,200 Centigrade or 2,192 Fahrenheit. Then, I sucked out every bit of energy from his soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Raimundo: This is gonna be good!

Lisa Loud: I wouldn't be so sure. By my calculations, the odds of Poromon accomplishing something like this against the Fastest Man Alive are appoximately 572,323,122,533,613,322 to 1. You would have to have speed faster than 660,000,000 miles per second to go against Flash.

Nico's head sparked and then...

KRASPLAT!

IT EXPLODED!

Me: OH SICK!

Rainbow Dash: Speaking as a fellow speedster, she's right on that

Nico regrew his head.

Nico: Um OW! That hurt!

Me: But yeah you're right. On your marks! GET SET!

BANG!

The race was on and then...

ZOOM!

THEY WERE OFF!

Laney: AND THEY'RE OFF! FLASH AND POROMON ARE RUNNING AND FLYING DOWN THE STREET AND RUNNING FASTER THAN LIGHTNING!

Poromon and Flash were really going.

Poromon: LOOK MOM! NO LEGS!

Flash: Impressive!

Trypticon: Look at them go!

Me: Poromon is REALLY defying the odds!

Laney: They are coming up to the turn back and they took it and are neck and neck!

Me: Better get a camera set up for a photo finish.

Rainbow Dash: On it!

ZOOM! ZOOM!

She set it up.

Cybertron Metroplex: (Scottish Accent) Poromon's actually doing well for someone without any speed. The wee little lad has it in him.

Me: He sure does.

Laney: And here they come! We're going to have a photo finish!

ZOOM!

SNAP!

The camera took a photo.

Laney: Lets take a look.

The photo showed they both crossed the finish line at EXACTLY the same time!

Laney: IT'S A TIE! THEY BOTH WIN!

Manaphy: YAY!

Poromon: WOW! That was intense!

Flash: Poromon you are literally as fast as me! You have my respect.

Poromon: Thanks Flash! That was fun!

Nico: Boy it sure was!

But then...

ZAAAAAAAPPP!

Six Solar Beam Blasts hit Nico in his butt and he screamed in agony as his butt was burned!

Nico: YEOWCH! OOH OW OW OW OW OW OW OW OW!

Me: OUCH! Oh man that had to hurt!

Nico: OUCH! OKAY WHO IS THE WISEASS!?

Poromon: You okay?

Nico saw his butt badly burned. But it healed.

Qin: It came from them!

We saw 6 MEGA SHEDINJA!

Me: WHOA! 6 Mega Shedinja!

Laney: 6 of them this time!? Whoa!

Nico: (sighs) Can you not tell anyone about my butt being burned?!

Me: Okay but lets see who our 6 Mega Shedinja friends are.

Gira Husty: Lets see.

Gira and the King Ohgers used Telepathy and gasped!

Hymeno Ren: It's our sisters!

Gira: Eyra Husty, Ianma Gast, Himiko Ren, Rhea Kaniska, Kimiko Dybowski and Jeri Brasieri.

WE GASPED!

Me: Oh wow!

Lana: This will be interesting!

May: It sure will!

Starfire: Amazing!

Me: Lets go help them out!

We went and did so.

Gira: Girls it's okay it's us.

They used Shadow Ball on Horsea but she put her clone in front of her

They hit the clone and it exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Me: WHOA!

The clone was dizzy and out cold.

Me: Geez! Okay then!

We fired waves of energy and blasted the 6 Mega Shedinja!

I snapped my fingers and they reverted back and were 6 girls with hair colors and eye colors and cutie marks and butterfly wings that matched each of the colors of the kingdoms of Chikyu!

We wrapped them in blankets and brought them to a bench.

They woke up to see Horsea's smiling face.

Eyra Husty: (Groans) Huh? A Horsea?

Ianma Gast: Interesting

Himiko Ren: So cute.

Rhea Kaniska: She sure is.

Kimiko Dybowski: No kidding

Jeri Brasieri: I agree.

Horsea: You all hit my clone!

Nico: And you girls burned my butt!

Gira: Are you all okay?

Hymeno Ren: We were worried!

Eyra: Gira!

Ianma: Yanma!

Himiko Ren: Hymeno!

Rhea: Rita!

Kimiko Dybowski: Kaguragi!

Jeri Brasieri: Jeremie!

They hugged them.

Eyra: We're glad you're okay!

Ianma: What happened? Where are we?

Me: You're on the planet Earth. Chikyu is now part of Earth.

Lana: It's a long story.

May: It sure is.

Me: Also you 6 were turned into Mega Shedinja by one of our enemies, Dark Gale.

Himiko Ren: Oh man! We were fighting this evil version of Gira. He looked like a scarier version of him.

Eli: (GASP) That was Evil King!

Me: The one that your siblings and the Japanese Dino Charge Rangers battled here on Earth.

Ianma: That's incredible!

Rhea: It sure is!

Me: Also just a couple of months ago we went to Chikyu and killed Dagded Dujardin.

Jeri Brasieri: Oh man! You guys are really powerful.

Me: We're the most powerful force in the entire universe. He was completely helpless against our power.

Lana: I'm actually one of Gira's siblings. Oh, and Yumi, Yona is one of Ace's siblings.

Yumi Ukiyo: I heard about that! I'm so happy.

Yona: Yona happy too.

Me: Yep. Lana, May and Starfire here are sisters of Gira and his friends too. Long story.

Eyra: I can see that and that is amazing.

Nico: Yep.

Poromon: Also we killed the Blood and Honey versions of Pooh and Friends on Chikyu.

Luan: It's true. Look.

She showed on her camera the footage of how they did it.

Rhea: Whoa that is amazing!

Me: It sure is.

Poromon: Oh, what are your colors?

Eyra: I'm the Tyrant Queen of Shugoddam, Eyra Husty, and the Crimson Kuwagata Ohger.

Ianma: I'm the Intelligent Queen of N'Kosopa, Ianma Gast, and the Navy Blue Tombo Ohger.

Himiko Ren: I'm the Dazzling Queen of Ishabana, Himiko Ran and the Sun Yellow Kamakiri Ohger.

Rhea: I'm the Steadfast Duchess Ruler of Gokkan, Rhea Kaniska and the Amethyst Violet Papillon Ohger.

Kimiko: I'm the Abundant Queen of Toufu, Kimiko Dyboswki and the

Midnight Black Hachi Ohger.

Jeri Brasieri: And I'm the Rift Queen of the Bugnarak, Jeri Brasieri and the Swan White Spider Kumonos.

Me: WHOA! Awesome titles and cool!

Qin: They sure are!

Lana: I'll say!

Brawl and Chain: You girls should've been with them at the start to make the King Oghers as big as the Kyurangers. In fact, all teams should've been as big as them from the start

Me: That would have been so awesome to see.

Eyra: That sure would be awesome.

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them matching dresses and clothes of their colors and also their siblings gave them their Ohgercaliburs.

Ianma: We look amazing.

Camie: You sure do.

Me: Yep. And I have an awesome new finisher weapon for the King Ohgers. Just finished it by the time the exercising got done today.

Nico: Cool! Looking forward to it.

Qin: Yep.

Gira: We all are.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Bertram starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the

trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Chameleon Bot, he's in Baku, Azerbaijan and he's going after one of the Shen Gong Wu there, The Fountain of Hui. When we saw it, we knew that it meant trouble.

Lincoln, me, and Nico: Gotcha!

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The

Chameleon Bot, he's in Baku, Azerbaijan and he's going after one of the Shen Gong Wu there, The Fountain of Hui.

EVERYONE GASPED!

Raimundo: So, that's what he's after.

Lincoln: We got to get that and put it in the vault, and since it's a powerful one, we'll only use it when necessary.

Nico: Good thinking. Alright, we better get going to the filthiest city in the world and get The Fountain of Hui and take down The Chameleon Bot.

Lincoln: This is one Shen Gong Wu that can't fall into his hands, and with our Data Eyes, we'll rat him out and take him down.

The previous group came.

Shiv: Can me, Titanium Man, Trumbipular, Kyd Wykkyd, Misty Tredwell, Magneto, Dark Turtles, Beast Man, Brass Knuckles, and Gameface go with you guys?

Dark Don: And Brawl and Chain is right. Although all teams should cover the primary 12 colors,

Me: And I agree with him. That is so cool!

Nico: Yep and to answer your question yes you all can come with us.

Laney: Yep.

Me: And I found out that Chameleon Bot is located in Baku, Azerbaijan and he's going after one of the Shen Gong Wu there. It's The Fountain of Hui.

Omi: That is a powerful Shen Gong Wu there.

Ymir: What does that one do?

Me: When activated, it provides the user with unlimited knowledge but as Master Fung stated, it provides only random knowledge. If the user is not careful, their head will explode from absorbing too much information at once. Furthermore, the effect of over-absorption of knowledge will cause users to spur out random information excessively. However, when it was used in conjunction with the Eagle Scope, it could unlock the greatest secrets of the universe.

Nico: Yep.

Ymir: WHOA! That is amazing!

Qin: It sure is!

Ymir: Wait that Shen Gong Wu can unlock the greatest secrets of the universe!? That is incredible!

Me: It sure is.

Android 17: Nico, which Gene Slammer do you think you'll meet next?

Nico: Kaalia of the Vast next.

Me: WHOA!

Kaalia: Another one of me. That will be cool.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Chiros from Kong, The Animated Series, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Chiros The Destroyer, our old enemy, and he's come back for revenge on us again.

Arizona Jane Cooper: That sidewinding varmint, I hope you're ready to absorb him again, Lincoln.

Lincoln: You bet I am, Arizona Jane, but not after (Cowboy Accent) we fill that no-good varmint full of lead.

Nico: After what he's done, he deserves to die. Alright, let's get to Baku, get The Fountain of Hui, and take down The Chameleon Bot.

Lincoln: Let's take that master of disguise down and send him to The Masters of Evil, and once we get done with him, you're next, Chiros.

Arizona Jane Cooper: You made a mistake returning, Chiros, and it's one you're going to regret.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Baku to get The Fountain of Hui and take down The Chameleon Bot, and once we get done with him, Lincoln and Arizona Jane Cooper are going to destroy Chiros and send him to The Black Abyss after Lincoln absorbs him.

We were off to Baku, Azerbaijan

We arrived.

Me: Here we are. The filthiest city in the world, Baku, the Capital City of Azerbaijan.

Qin: Wow!

Lola: Nasty.

Titanium Man: (Russian Accent) Let's call Trickster

Me: Good idea.

We did so.

Trickster: I'm here guys.

Me: Awesome!

Ymir: Where did you guys find the Fountain of Hui the first time?

Kimiko: It was located in a junkyard.

Me: Like that one there?

We saw the junkyard.

May: Oh boy.

Roy Koopa: We are SO hitting Chameleon Bot with a Tornado Slash for this

Me: Good idea. But better keep your Data Eyes on full power to keep an eye out for him.

Nico: Good idea. We can flush him out that way.

Lincoln: Yeah.

Me: First lets find the Shen Gong Wu.

We went into the dump and Lincoln was holding Rarity.

Qin: Where is it?

We looked around and it was a gross place.

Trumbipular: This is disgusting!

Me: No kidding!

Qin: Yeah!

Eli: Wait is that it there?

We saw the Fountain of Hui under a box.

Me: There it is!

I went over and grabbed it.

Me: Got it.

Qin: That was too easy.

RD Girl Jordan: Now what?

Me: Well we do a demonstration on it. Any volunteers?

Lucy Heartfilia: I'll do it.

Me: Okay.

We sat it down and Lucy sat with it.

Lucy Heartfilia: FOUNTAIN OF HUI!

She activated it and then it released an energy fountain and all the knowledge POURED INTO HER HEAD! HER HEAD SWELLED TO INTENSE SIZE! SHE LOOKED AT ALL THE KNOWLEDGE FLOWING IN AND IT WAS MASSIVE!

Me: HOLY CRUD! LOOK AT ALL THAT!

Xenia: THAT'S TOO MUCH!

She controlled it and her head got back to normal size and she saw EVERYTHING the fountain produced!

Me: Lucy are you okay?

Lucy Heartfilia: Never better!

She said a lot of super smart stuff so complicated that it was hard to fathom and then Nico's head exploded again!

KRASPLAT!

Many of our heads shorted out!

ZAPS AND ELECTRICAL CRACKLING!

Dark Mikey: Oww! My head hurts!

Qin: MINE TOO! OWWW!

Xenia: HOLY CRAP! OWW!

Camie: OWW! THAT HURT MY HEAD!

Ymir: OWWW! That really hurt my head!

Kyd Wykkyd: Well, I feel fine.

Lisa Loud: Magnificent! All that stuff was amazing!

Me: It was!

Lucy Heartfilia then had a NASTY AND MASSIVE CRIPPLING HEADACHE!

Lucy Heartfilia: (Groans in intense pain) OH MAN! My head feels like it's being crushed in a piledriver!

Lana: Here Lucy.

Lana gave her a huge block of ice.

Lucy Heartfilia: Thanks Lana.

Nico regrew his head.

Nico: Man I hate it when that happens.

Anemone: Well, I'm alright.

Me: Good. Holy cow! That was intense!

Qin: Yeah.

Omi: I know how you feel there Lucy. I used the fountain like you did and it was intense and hard.

Me: YIKES! Did you guys use the Fountain with the Eagle Scope too?

Clay Bailey: We sure did and it was a nasty mistake.

Kimiko: We were trying to find a way to eradicate all evil from the universe but Chase Young used the reversing mirror on it and found a way to eradicate all good.

WE GASPED!

Me: That is something Lord Zedd would have done!

Omi: I actually found that information by accident while we were trying to deal with the giant ants.

Misty Tredwell: Oh, so it was found by you. And by accident? Just try not to do it again.

Omi: I won't do that again.

Me: Good. Now I'm really glad we killed Dark Chase Young. He would have done this again and more.

Qin: Yeah.

Lucy Heartfilia: (Groans) Geez! When I get home I'm going to rest.

Me: I would too Lucy. It was like you read all the books in our library times 10,000.

Nico: That is a good way to put it.

Me: Yep. Also what you guys were trying to do is exactly like what I was trying to do and that was Eradicating all Evil. But after finding out that the battle with Good and Evil is an eternal battle and one side can't exist without the other, it would have been pointless.

Omi: That is true.

Ymir: Wow no kidding.

Lincoln: Well, it still wouldn't hurt to try and finish what you guys started!

Me: LINCOLN!

Lincoln: Sorry.

Dark Leo: Just for that, this is going into the vault immediately.

Me: Yeah we'll only use the Fountain of Hui whenever needed. Note to all of us: NEVER use the Fountain of Hui to search for method to destroy all evil.

Nico: Noted and done.

Me: Be right back.

I teleported back to the estate and put the Fountain of Hui in our vault.

I came back to the group.

Kimiko: We also lost the chance to get a powerful Shen Gong Wu during that time.

Lucy Heartfilia: That's right I remember seeing it but I couldn't make it out.

Me: Weird! I wonder which one it was.

Qin: Yeah.

Lucy Heartfilia: I have no idea.

Me: We'll have to look for it later.

Laney: Guys look!

We saw Laney point to something in the sky and it was a dragon of Wind!

Me: WHOA! What is that!?

Lincoln: Oh my gosh that's Raimundo's Akuma, Cyclondrago! The Hypothetical Akuma of Raimundo and he is a dragon of wind and storms and weather. He has mastery over those powers. He was made because of Wuya brainwashing him and vowed to destroy her with the fury of a million storms!

WE GASPED AGAIN!

Me: WHOA! Wait Raimundo you were brainwashed by Wuya?

Alan: Is this true?

Omi: It is. And I have something to say regarding that.

Ann: You can explain it later.

Me: Tell it to us later after we face the Akuma.

We went to face CyclonDrago.

We flew up to him.

Me: WHOA!

He fired a blast of wind and Aang fired waves of wind and tornadoes and blasted him all over.

Me: YEAH!

CyclonDrago: Nice one guys!

Me: Thanks! You look great as a dragon of wind.

Magneto: Raimundo? Is that you?

CyclonDrago: Yes it's me.

Me: Wow! Also I'm willing to bet that Omi's akuma is a dragon made of pure water.

Nico: Yep.

Trickster: You need to calm down now Raimundo!

CyclonDrago: Not until Wuya pays for her crimes.

Me: Wuya was a pawn in everything. If anything you should be going after Dark Chase Young. He was the main orchestrator behind everything that happened to you and more.

CyclonDrago: You're right on that. And I agree on that.

Me: Yeah. Wuya is now in the M.O.E.

CyclonDrago: I see. Come get me then.

Me: Gladly.

I fired a wave of fire and blasted him.

Trickster fired waves of energy and blasted him all over.

CyclonDrago: My turn.

He fired waves of lightning and wind and I deflected the blasts and they hit him.

I fired waves of fire and blasted him down. He was knocked out.

Me: Awesome!

Omi: Raimundo, there is something I need to say regarding what was revealed.

Lincoln: Guys, not now. We're wasting time here!

Smithers: Lincoln, this is a very personal moment between them. Let Omi speak.

Omi: Thank you. (to Raimundo) I would like to say that I am very sorry. Me saying that you were not a Xiaolin Apprentice drove you into Wuya's side. And for that, you have my apologies.

Raimundo: I forgive you for that Omi. It's okay.

Me: So you went to the dark side because of not being Omi's apprentice?

Raimundo: Yes.

Me: Oh man.

Tara put her hand on Raimundo's shoulder.

Tara: Raimundo I completely understand how you feel. I know what it's like to be manipulated into being evil. Like how I was with Slade.

Anakin: And like how I was when Palpatine turned me to the Dark Side of the Force.

Me: That was very crazy.

Raimundo: It is. But what I did back then was the biggest decision I've ever regretted.

Me: At least you learned a huge lesson there.

Omi (sighs): No. Not my apprentice specifically! But me rubbing it in drove him to darkness. That is what I meant!

Dark Raph: Alright. NOW we're wasting time. Let's go find Chameleon Bot and kick his metal butt!

Me: Dark Raph patience. He'll come.

Lynn: I know the feeling myself Omi. I gloated all the time and it drove many of my family members bonkers too.

Omi: Really?

Lynn: Yeah I love playing sports and winning is what I like. I also liked to gloat most of the time too. Nasty Story.

Omi: I see.

Me: Yeah it got on peoples nerves.

Eli: Yeah.

Me: Okay now that we got that off our chests lets get ready.

Nico: Yeah.

Me: Sorry guys we just wanted to get all that of our chests.

Lincoln: Oh no worries.

Dark Raph: Yeah no problem.

I turned on my data eyes and saw something coming.

Me: Chameleon Bot is coming. 5 klicks south and closing.

Nico: Let get ready.

Rumble: There's no telling what forms it's going to use!

Me: Shh.

We saw him and he looked like NAYZOR!

Me: He's in the form of Nayzor.

Nico: Lets get him. Entrance time.

Lincoln: So, he's going to disguise himself as the enemies of the Power Rangers. This should be a good one.

Me: You said it. Let's head down there at once.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at The Chameleon Bot with silver bullets from his guns and he blasted her with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at The Chameleon Bot as he was riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at The Chameleon Bot with darkness and malice. Caleb landed as the barrier came down.

Chameleon Bot: You know, I have to agree with Lincoln, Caleb, you sick twisted psycho! You should be locked up in a cage like the wild animal that you and your brothers are!

Caleb Maxwell, Tyler Maxwell, and Alexander Maxwell: WHAT DID YOU JUST SAY, YOU LITTLE SHIT!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT SCARED THE CHAMELEON BOT TO NO END! AND NOW, THE BATTLE TO TAKE DOWN THE CHAMELEON BOT WAS ON!

Lincoln, Raimundo, Nico, and I and the rest of us went after The Chameleon Bot and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Chameleon Bot, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Raimundo, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Chameleon Bot and we all found ourselves not only in Heaven, but also, in space.

Ed Cowart punched The Chameleon Bot sending him straight to a vat hot sauce, then he threw him into a vat of hot chocolate, then he kicked The Chameleon Bot onto a crate of TNT which explodes and finished by firing hot nacho cheese and turning The Chameleon Bot into a robot pretzel!

Nico: Yenaldoshi, Count Nocturne, Felix Faust, Oculous, Puppetmon, Count Spankulot, Black Lance, Avalanche, Tala, and

General Schwarz.

General Schwarz: HOLY CRUD! That was amazing you guys battled all those guys.

Me: No kidding!

General Schwarz: He fell to pieces when he saw the trailer!

Me: That was funny!

Yenaldoshi: Not gonna order us around?

Chameleon Bot: I'm gonna be joining you guys anyway. (to Schwarz) Oh, and I took the form of Nero.

General Schwarz: Good to know.

Me: Awesome!

Count Nocturne: This is turning out epic so far.

Me: He didn't turn into any of the other monsters before Nayzor though.

Qin: Yeah.

Felix Faust: (to Nico) We heard you fought Joseph Seed.

Nico: We sure did.

Avalanche: (to Pohatu) You should take care of that Rhyhorn.

Pohatu: I will.

Eli: WHOA! Devil Capture 3 of the Heavy Industrial Machines!

Devil Capture 3: That's right Eli.

Eli: Yep.

Devil Capture 3: Too bad I wasn't adapted in America. Oh, and did he really turn into Broodwing?

Me: He sure did. Along with 2 monsters from Boonboomgers as well as one from the upcoming Gozyugers series for 2025.

Devil Capture 3: That is cool!

Me: A couple of the monsters he turned into we haven't faced yet.

Devil Capture 3: I know.

Nco: LETS GET IT ON!

---

Lord Drakkon was first.

Lord Drakkon: (To me) The Prophecy has finally been fulfilled. You must be very proud of Lincoln and how far he has come.

Me: You better believe I am. Lincoln has come a long way not just under me but also all his Guardian Angels too. He has finally erased a long dark shadow that plagued his family for a long time and avenged all those Dark Chase Young hurt over the millennia.

Lord Drakkon: He sure did! I'm proud of him too and it was so awesome that we fulfilled the prophecy.

Ymir Fritz: It sure was! Wow! That was so intense!

Anna (Frozen): I'm so proud of Lincoln and for the first time in forever we can see Lincoln be happy without Dark Chase Young terrorizing the universe.

Stella Nox Fleuret: That is for sure

Trixie Lulamoon: I the Great the Powerful Trixie agree with that too. Linky is sure happy.

Triple Berry: And Dark Chase Young being destroyed had a massive effect on everything all over he universe. His darkness was eternally purged from everyone he touched.

Flynn: That's right! BOOM!

Cali: Yeah it was!

Tessa: We're glad for that!

Mags: HOT BUTTERED TOAST WITH CINNAMON, PECANS, CARAMEL AND POWDERED SUGAR! Lincoln deserved to have the best party ever!

Hugo: He sure did!

Master Eon: I agree there to you all.

Riley Anderson: I'm happy for Lincoln too.

Lord Drakkon: WOW! You guys should be happy for him. Lincoln rid the entire universe of an evil that plagued it for a long time. I'm proud of him too and so is Electro. We all are. Lets do it!

I used my vistamp for Lord Drakkon and the Nebula World Gear and we fired waves of energy and elements and blasted them down.

---

Yenaldooshi was next.

Yenaldooshi (to Kaiba): Nico's rescue was a party. It was also a battle with Joseph Seed

Seto Kaiba: It sure was! We finally brought down that evil cult forever.

Blue Eyes White Dragon agreed.

Aquarius: This was the very cult that an alternate version of Lincoln joined after being accused of being bad luck by Lynn and her sociopathic behavior.

Yenaldooshi: Oh man! I remember hearing about all that from Starscream! That was awful!

Noriko Kaiba: It sure was!

Twilight Sparkle: Yeah that was terrible! That was a doomsday cult that everyone destroyed a while back.

Stellar Sparkle: Yeah it was awful! Also we were absolutely horrified that all that happened to Lincoln and Lily of that world went through that.

Harmony Sparkle: That was a nightmare.

Starshine Sparkle: Yeah no kidding.

Spyro: It was awful.

Yenaldooshi: I'm just glad Joseph Seed is gone for good and the world will never hear about him ever again. Lets do it!

---

Count Nocturne was next.

Count Nocturne (to Marceline): The Anothers were the gene-slammers of Ghostrick Yeti, Evil Dragon Ananta and Lunalight Emerald Bird. Nico, Crescent Grizzly's team, Cyborg Bear's team, and the others did good battling them.

Marceline: They sure did and it was really fun and amazing.

Nemus: We had a really surprising time with that one.

Melody: We got a shock when we met a Mega Koraidon gene-slammer too. It was Ace Ukiyo's sister Yumi. She is known as The Nightflame Kitsune of Geats. She also goes by the name of Kamen Rider Nightgeats. It's a black and purple version of Geats at his strongest but she has black fire angel wings too and has 9 flaming tails of fire.

Count Nocturne: WHOA! That is so awesome! Is she happy that Suel is dead?

Iris Brockman: She sure is and she was happy to see Nanette too.

And she was even more happy that Ace is back from the dead

Sunset Shimmer: And she was happy that Kanato is dead and that the other evil riders are in prison.

Count Nocturne: Ah yes Beroba, Morio, and Archimedel and they got what was coming to them.

Firestorm Shimmer: Yeah no kidding there.

Sunset Shimmer (G5): Yeah that is for sure!

Pipsqueak: (British Accent) I agree there too.

---

Felix Faust was next.

Felix Faust (to Ingrid): I heard Lincoln's Rescue was battling The Dark Illusion Card, How was it?

Ingrid: It was awesome and fun! We went to Africa and battled a clone of Bloody Tree, Kurenai Yuhi's Akuma and she was scary and wicked awesome.

Deltamon: Boy she sure was! But she was made because of Hidan of the Akatsuki killed Asuma Sarutobi.

Jinx: Yeah that was awful! But J.D. said that in 150,000 years, the Knights of the New Fire prevented that from happening and J.D. slashed Hidan into a million pieces and sent his head to prison.

Felix Faust: Oh right! I heard Hidan's head is still ranting up a storm in the Hidden Leaf Prison and how Poromon said he needs to have his mouth washed out with soap.

Jinx: Yep that's right.

Applejack: But yeah we beat the Dark Illusion Card and the clone of Bloody Tree.

Apple Star: Yeah that was fun!

Oculous was next

Oculous (to Tommy): Poromon challenged Flash to a Race!? Makes sense since's the only one of the main mascots who can fly.

Tommy: That may be true. But we were skeptical about it too. Poromon getting into a race with the Fastest Man alive? The odds of winning against him were astronomical. Lisa said a bunch of really complex science stuff that I could never understand and it hurt my head. Also it made Nico's head explode.

Wade Ripple: Yeah no kidding. Poromon getting into a race with Flash is like racing Speedy Gonzales, Roadrunner, Sonic, Kid Flash, Rainbow Dash, Quicksilver and all the super speed users.

Luna Lovegood: (British Accent) Yeah that would be hard.

Rarity: Indeed it would be. But in the end Poromon tied with them all. He is fast even without legs.

Oculous: Too true. But hey wait! I thought Poromon was in trouble for releasing all the Scribbles in Fosters.

Erica Tala: He is. But Nico was a little too harsh on him and the mascots and he decided that it was too harsh.

Sapphire Ocean: So he reduced it down to just for today.

Rarity (G5): I agree there too.

Dioptase Angel Belle: Yeah he sure did.

Sweetie Belle: Yeah that was still fun to see though.

Gill Grunt: It sure was.

Oculous: Wow! That is awesome! Lets do it!

---

Puppetmon was next.

Puppetmon (to Yae): You guys met 6 Mega Shedinja gene-slammers. What are their names?

Yae: You are going to be shocked about this. The 6 Mega Shedinja are actually the sisters of the King Ohgers! They are the Grand Duchesses of each kingdom. Their names are Eyra Husty, Ianma Gast, Himiko Ren, Rhea Kaniska, Kimiko Dybowski and Jeri Brasieri.

Puppetmon: WHOA! So they are the Grand Duchesses of the Kingdoms of Chikyu! That is incredible!

Tengu Man: It sure is!

Hanon: They heard about how all of us and Lana, May and Starfire and all of us destroyed Dujardin and they were really happy about that.

Iris: That was so awesome to hear about.

Rainbow Dash: Boy it sure was! They were even more amazed how they heard about how we had Rescues on Chikyu and how the mascots destroyed the real things of the Blood and Honey versions of Pooh and friends.

Comet Thunder: Yeah that was awesome!

Sprite Thunder: I agree there too.

Thunder Rainbow Zoom: Yeah that was cool!

Scootaloo: It sure was!

Whirlwind: I agree there!

Count Spankulot was next.

Count Spankulot: (to Lucy) (Transylvanian Accent) It's Raimundo's Day to Shine. He's facing Chameleon Bot!

Lucy Heartfilia: Yeah this is gonna be amazing! Jack Spicer told us all about Chameleon Bot and how he is able to turn into anyone and anything and is a true master of Disguise. That is so amazing! He was built primarily for infiltration and camouflage. Some of us saw him on Dhakgun as the battle with Dark Chase Young was raging on and it was amazing he can do that.

Count Spankulot: I heard from Eccentro that we met him there! He was gathering data there.

Lucy Heartfilia: Yeah no kidding! Also we found the Chameleon Bot here in Baku in Azerbaijan and he was after the Fountain of Hui. We got it first thankfully. Also I used it and man WAS IT PAINFUL! All the knowledge from it poured into my head and Man I have got the worst ever headache. (Groans) I even saw everything in the fountain and it was intense! (GROANS) My head hurts really bad. Hence why I have a huge block of ice on my head.

Harpus: You wouldn't believe how much info was crammed into Lucy! It was incredible! Her head looked like it was about to explode!

X-Squad Bangray: Yeah no kidding! Omi said he knows what that was like! When they found the Fountain of Wui and combined it with the Eagle Scope, it unlocked all the secrets of the Universe too. But J.D. got infuriated when he found out that Chase Young used the Reversing Mirror on it and it showed how to destroy all Good!

THEY GASPED!

Count Spankulot: What he did was VERY BAD!

Shelley Laurence: This was before his Dark Side was separated from him though.

Fluttershy: Yeah no kidding. But we have the Reversing Mirror locked up in the vault so that it can never be used like that again.

Lilja: (Icelandic Accent) Thank goodness for that.

Sólrún: (Icelandic Accent) Yeah no kidding. But we found out that Omi peeked at that info accidentally during the Giant Ant Mess he said.

Daffodil Bloom: Yeah that was crazy!

Bluebell: Yeah! Also it showed the location of a Hidden Shen Gong Wu that was never found and hidden somewhere that no one knew about.

Count Spankulot: OOH! I wonder which one it was!

Bluebell: We don't know ourselves but it's a HUGE mystery! Not even Dojo or Master Fung or the Omi and friends know about it.

Fluttershy (G5): But whatever it is it will be cool.

Tornado Bolt: I agree there as well.

Seabreeze: (Swedish Accent) No kidding there!

Stealth Elf: Yeah no kidding!

Count Spankulot: That is amazing! Boy you guys have had a fun Shen Gong Wu hunt here. Lets do it!

Lucy used the Vistamp of Count Spankulot and the Zodiac World Gear and they fired waves of stars, leaves, grass, flowers, fruit, wood, weeds and energy and smashed them down.

Jimmy: We sure did and it was really crazy that he would show up there.

Buster Bunny: Yeah that was amazing that he was there too.

Billy: Duh yeah!

Pinkie Pie: We don't know how he was following us but that was amazing to see!

Maud Pie: (Monotonously) It was.

Citrine Pie: Yeah that was cool!

Pinkie Pie (G5): It sure was amazing!

Featherweight: It sure was!

Sprocket: Yeah!

Black Lance: I can tell. Lets do it!

Jimmy used the Vistamp of Black Lance and the Knight World Gear and they fired waves of metal, gears, lightning and energy and smashed them down.

Avalanche was next.

Avalanche (to Pohatu): Raimundo's Akuma is a Wind Dragon! What can he do?

Pohatu: Well he's a dragon made of pure wind and his name is CyclonDrago. He was made not by Dark Chase Young this time. But rather because of Wuya recruiting Raimundo into the Heylin.

THEY GASPED!

Avalanche: Oh man! I've heard all about how Wuya recruited Raimundo. I heard it was a decision he regreted big time!

Ultimate Humongousaur: Yeah he sure did! That was awful!

Wendy Marvell: Tara felt sympathy for Raimundo saying she knows how he felt because of how she was manipulated by Slade.

Eclair: That was awful!

Starlight Glimmer: Yeah they both know what it was like to be on the wrong side and that was crazy! In the end, Tara was forced to make the ultimate sacrifice that lead her to be turned into a stone statue.

Moonlight Glimmer: Yeah no kidding there! Shanan even vowed to kill Slade forever because of that.

Starlight Glimmer (G5): That was horrible that happened!

Cozy Glow: It sure was!

Raven Bishop: Except that Tara is Earth and Raimundo is Wind.

Hex: Yeah that was crazy.

Avalanche: Oh man! I'm glad Raimundo learned a massively huge lesson from all that. Lets do it!

Pohatu used the Vistamp of Avalanche and the Stone World Gear and they fired waves of energy, ghosts, blood, bones, skulls, tombstones, lightning, stars and magic and smashed them down.

Tala was next

Tala (to Harry): Chameleon Bot is perfect for Camouflage and Infiltration. He can turn into anyone and anything

Harry Potter: (British Accent) He sure can and as you saw he turned into many of the Secondary Villains of the Power Rangers and the Super Sentai Teams which was really amazing to see.

Ron Weasley: (British Accent) Bloody hell he sure knows a lot of them!

Songbird: I was really amazed in seeing how he can turn into some of the Avengers enemies too! He can even use their powers and abilities too like Taskmaster can. Except he can also copy appearances. Jack Spicer REALLY knew what he was doing and made an amazing robot.

Tala: He sure did. Taskmaster is going to have a lot of competition keeping up with him.

Swift: Except Taskmaster can't copy appearances like Chameleon Bot can.

Princess Celestia: Yeah and Chameleon that TUFF knows can do that too.

Dawn Eclipse: Yeah that is for sure! Also J.D. said it reminded him of a Holographic Disguise System that Zeta uses which was really amazing.

Princess Celestia (G5): Yeah it sure is.

King Solar: I agree there.

Solar Eclipsa: Jack Spicer even showed us the blueprints for him and we saw that he made him for camouflage and infiltration and he was intending to use him to infiltrate government buildings for his purposes. Crazy story on that.

Amber Morning: That was really amazing to know about.

Spotlight: I agree there. It's like we're battling Mystique, Taskmaster, Clayface, Shapeshifter and many formshifting vIllains we know all in one.

Tala: That is really amazing! At least this wasn't a situation like it was with The Shapeshifter in Gravity Falls and The Thing in Antarctica. Lets do it!

A portal that Lincoln opened up that sent him to The Masters of Evil. We cheered as we holstered our weapons and powered down and came back to the gym at Lynn's Table.

Nico: And that should do it.

Me: Yep. We got The Fountain of Hui and taken down The Chameleon Bot.

Lincoln: That was really awesome. Now, there's one last thing to do and one last loose end to tie up: Chiros the Destroyer.

We were amazed by Arizona Jane Cooper's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Chiros as he screamed in pain as he got burned badly by Lincoln's acid blood.

Time to die, you tyrannical monster.

Lincoln, Arizona Jane Cooper, Nico, and I went after Chiros, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Chiros, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Arizona Jane Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Arizona Jane Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Chiros even more angrier than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Chiros and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Chiros and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 20'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Chiros and he began absorbing him and assimilated Chiros' Superhuman strength, Superhuman stamina, Superhuman durability, Reality-manipulation, Pyrokinesis, Hypnosis, Telepathic communication, Extensive knowledge of magic especially of rituals pertaining to the Primal Stones, Immortality, and Magic, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and

Then, when Lincoln was done and the stingers changed back, nothing was left of Chiros and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Arizona Jane Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Arizona Jane Cooper: It's over for you, Chiros, and to this we say good riddance. Thanks for helping me get rid of Chiros, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Arizona.

Me and Nico: Our pleasure, Arizona.

Suddenly, Arizona Jane Cooper wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Arizona Jane Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Arizona Jane Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Arizona, you transformed and you guys really let Chiros have it.

Me: That's for sure, and he got what he deserved. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lazuli.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lazuli.

Catherine Diamantis: There's only one person who matches this: Lucia Lazuli, Avatar and Gene-Slammer of Gem-Knight Lazuli, and you guys are going to love meeting her, Lucia Lazuli, Avatar and Gene-Slammer of Gem-Knight Lazuli, is Lincoln's Guardian Angel from Michigan and the youngest sister of Laura Lapis Lazuli and Luna Lapis, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals. She's known as The Lapis Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Lucia Lazuli came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Rene Alaister, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered the parents of Laura Lapis Lazuli, Luna Lapis, and Lucia Lazuli in cold blood, and she swore to kill Rene Alaister and make sure she's sent to The Black Abyss forever!

Me: Oh man...! Wait, does that mean...!

Lincoln: Yep, Luna is Laura's sister, and she, Luna, and Lucia lost their parents when Rene Alaister killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Oculous: I liked when he turned into Imperious

Black Lance: Me too.

Puppetmon: I liked the Zamigo part.

Me: HOLY SMOKES! It was like battling many of the Rangers enemies throughout the entire 21st century so far.

Nico: From 2000 to 2024.

Me: And the Boonboomgers and Gozyuger were extras.

Count Spankulot: Either way, he's in our ranks.

Tala: That was probably more epic then yesterday's battle

Me: It sure was. Wow! That was fun.

Lucy Heartfilia: It sure was fun. But can everyone keep their voices down please? (In pain) My head really hurts.

Qin: She had a knowledge overload when we found the Fountain of Hui.

Xenia: Yeah.

Puppetmon: Oh man.

Nico: Great job today though everyone. We defeated Chameleon Bot and got one of the Shen Gong Wu in the process.

Me: Yep.

Jack Spicer: (To the viewers) This was a fun adventure and hope you liked it.

Me: We all did.

We went back home and got Lucy to her room.

We later went to a good restaurant for some grub.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We took care of The Chameleon Bot, and we really blew him all over the place.

Anna Anyanova: And we also got The Fountain of Hui and locked it away, and I can't believe that demon, Dark Chase Young, was the one who founded Project at Eden's Gate and proclaimed himself as the "savior", but Linky made sure Dark Chase Young, their "savior", was destroyed yesterday, and we got rid of Joseph Seed and his cult for good

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Illusion Card, but tomorrow, I got the feeling we're going to take on the dark version of The Silent Card, and that one was a capture that Sakura, Madison, and Keroberos had to do in the museum without getting caught by the guards, but we'll be ready for them.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

The next chapter is going to be for the Mad Bomber and we're going to send him to jail!

See you all next time.

REVENGE OF THE GOTHAM MAD BOMBER

The Mad Bomber is Back for Revenge.

This is a sequel to the Batman episode Beware The Grey Ghost.

DEDICATED TO ADAM WEST AND KEVIN CONROY

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a planet of eternal darkness with graveyards all over the planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters and night hunters, but had powers over darkness, the shadows, death, and necromancy, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Mortemaira, a black planet of eternal darkness and graveyards in The Forbidden Zone that was inhabited by powerful warrior angels called The Mortemairans, the males were not only natural born fighters and night hunters, but had powers over darkness, the shadows, death, and necromancy, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Mortemairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man! This should be good.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Mortemaira once inhabited by The Mortemairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city with graveyards all over the planet.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Mortemaira, it truly is a scary looking planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Mortemaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a purple gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of purple souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Mortemaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels

of Planet Mortemaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over darkness, the shadows, death, and necromancy, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and purple aura with skulls surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over darkness, the shadows, death, and necromancy and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Mortemaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Mortemaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Mortemaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Mortemaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories

from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Mortemaira, it was a spooky graveyard planet.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Mortemairans as well, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters.

Lucy Loud: That would've been a planet we'd love to see.

Lincoln: But, we can't leave those planets of The Forbidden Zone alone, even if Dark Chase Young's gone, and with what happened because of Arpina's former people, I won't let their legacy die here.

Jackie woke up to see Skitty looking at her.

Skitty: Morning Jackie!

Jackie: Morning Skitty.

Skitty: Time for breakfast.

She went and got dressed and went to the table.

Me: Morning Jackie.

Mandee: Hey Jackie.

Jackie: Hey guys.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Jason Woodrue from the movie Batman and Robin, he's back yet again.

Nico: What the?!

Me: Woodrue's back?!

Lincoln: The one from the movie, not the prime universe one who's also known as Floronic Man. But, this gives us an idea as to whom we're facing on Whitney's big day.

Whitney: I'll make sure Jason Woodrue gets The Black Abyss for what he did. But, what about the one from Batman and Robin?

Lincoln: I got an idea, we're going to give him a beating like no other! We're going to send him to Arkham Asylum on Saturn. It'll serve as a warmup for you, Whitney, for when we face the Prime Universe version of Dr. Jason Woodrue A.K.A. Floronic Man.

Me: That's a great idea.

Nico: And we'll get justice for Pamela as well on that day too.

Poison Ivy: That's true.

Girl Jordan: And look what we found on Linky.

We found another chip on him.

Me: Another chip?

Becky Long: This is an Irrational Thinking Chip, that explained why he suggested that whole wiping out evil thing yesterday when we were at Baku to find The Fountain of Hui.

WE GASPED!

Nico: But, who put it on him?

King Kai: (Telepathically) I can tell you who it was that did that: it was a contingency plan made by that rotten no-good parrot, Sergio, in case he got The Black Abyss.

WE GOT PISSED!

Me: WHAT THE?! (GROWLS) Even in death, that stupid bird always finds ways to piss us off, what a goddamn moth-munching good-for-nothing repulsive rat with wings!

Nico: That repulsive walking feather duster!

Punguari: I can't believe he was that evil.

Kaan Demir-Vanhoof: (Belgian Accent) That good-for-nothing Sergio. He did this in the case he got sent to The Black Abyss.

Braeden Carnes: I always hated that rotten bird, he was indeed pure evil. He cared about no one but himself, good riddance.

King Kai: (Telepathically) Just be thankful it wasn't Alecto Slytherin.

Alexander Avalon: But, we're immune to all forms of magic including his, but still, I can't forgive someone like him nor Sergio: always blindly causing chaos and havoc for their own enjoyment.

Suddenly, Alexander Avalon's dark blue eyes turned neon dark blue and he was surrounded by a red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels.

Then, his red Star Cards also appeared in his left hand, and they were glowing with red energy.

Sakura Avalon: Your cards haven't done that before, this must mean how much your powers have evolved even more.

Alexander Avalon powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo and large gold Yata no Kagami mirror with gold star ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold star ring-shaped frames around them with embedded orange gems behind the gold rings behind his head, large 999,999,999,999,999,999,999,999,999 red and gold planets orbiting around his legs and 999,999,999,999,999,999,999,999,999 smaller red and gold planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized red and gold planets orbiting around his wrists and ankles, and enormous brown angel wings and 999,999,999,999,999,999,999,999,998 sets of large brown angel wings underneath his enormous brown angel wings are permanent.

Alexander Avalon: Yes, that's true.

Lincoln: We'll see what kinds of new powers you've gotten, Alexander. Now, then, let's finish breakfast and head down to the Gotham City sector and punish Dr. Jason Woodrue.

Nico: Right. Let's do this.

We finished breakfast, and we headed to the jungles of South America to help Tree Hugger unlock her Rainbow Power and send Dr. Jason Woodrue from the movie Batman and Robin to Arkham Asylum on Saturn.

Tyler Maxwell: (Thinking) I don't know if it's the right time to warn them, but an old enemy of ours, someone other than Drake, someone who tried to kill Caleb back in 1984 is coming here, and Caleb knows who that person is.

We sensed Tyler's thoughts, the same with Caleb and Alexander: those three are seriously on edge, and it's not good at all.

Me: I absolutely hate that monster Woodrue.

Nico: Me too.

Qin: Yeah this guy is fucked up beyond all recognition.

Varie: No kidding.

Ymir Fritz: I know. What a jerk!

Laney: I agree.

Nico: Infinity Mijinion, I want to thank you, Gartox, and your teams for coming

Infinity Mijinion: No problem Nico. This is gonna be fun.

Qin: Yeah!

Maria Garcia: I'm excited for this one.

Lincoln: Same here.

Nico: Maria, what do you like to do in your free time?

Maria Garcia: Well I like to help Ms. Rosa in cooking. I'm thinking about having her open a great restaurant in a partnership with Lynn Sr. With Lynn's Table.

Lincoln: Dad and Mrs. Casagrande have been thinking about working together for a long time now.

Me: That's a great idea.

Ronnie Anne: Abuela's cooking would be perfect for Mr. Loud's restaurant.

Punguari: That is awesome.

Laney: It sure is.

Nico: I agree there. I love all those tamales Mrs. Casagrande makes.

Universe 666 May: Me too. Especially the spicy ones.

Qin: Nice.

Me: Me too.

Poromon: I like them too.

Me: Yeah!

Qin: They sure are filling.

Nico: Yep. Hey where's Mac and Bloo?

Me: Oh they are staying back. They are warming up by the fire. They were playing in the mud and got cold.

Lana: (Disappointed) Lucky!

Qin: (LAUGHS) But it was raining cats and dogs earlier when we left.

Me: I see.

Nico: Yep. By the way guys we got reports of buildings being destroyed mysteriously.

Me: I know. Me and Batman found this.

I gave Nico a note that was in one of the building rubble.

Nico read it.

Nico: (Reading) "Pay up or pay the consequences. $100,000,000,000.00 in cash or the Gotham Royal York Library is next. Signed the Mad Bomber." Whoa.

Me: I called Commissioner Gordon and had him put all of Gotham Royal York on lockdown until further notice. Told everyone to stay in their homes and not go to work until we solve this.

Nico: Good thinking.

Twilight Sparkle: Not the Library!

Me: Don't worry we'll make sure that he doesn't get it.

Nico: Yeah.

Twilight Sparkle: Good.

Camie: Mad Bomber? Wasn't that the name of a maniac that terrorized all of New York City years ago?

Me: Yep. It was a disgruntled employee that lost his mind and went on a rampage. Blowing up stuff left and right and terrorizing New York and lots of people got hurt. No one died thank goodness. They got the guy and sent him to a maximum security insane asylum.

Nico: Geez!

Me: Yep. This was back in the 1940s and 50s.

Laney: Oh man.

Me: Yep. But I have a feeling this is an enemy that Bruce faced long ago.

Batman: I have that same feeling too.

Qin: Oh boy.

Horsea: Have any of our Favorite places been destroyed?

Me: No thank goodness. Mostly office buildings. They were all empty thank goodness.

Horsea: (Sighs in relief)

Me: Yep.

Nico: Either way we got to stop him later.

Me: Yep.

Laney: Boy Raimundo's mission yesterday was epic!

Me: It sure was! Wow! The Chameleon Bot turned into many of the Power Rangers enemies.

Camie: Holy cow! Some of them we haven't faced in the usual battles.

Nico: It was more epic then against Dark Chase Young.

Me: I agree. Chameleon Bot even turned into some of the Boonboomgers monsters and even one from the upcoming Gozyugers series.

Camie: How wild is that.

Laney: No kidding there.

Xenia: That was crazy! So the Red Rangers are going to be the monsters? What a reversal of events.

Me: It sure is.

Lucy Heartfilia: That is amazing. Also I can't believe I got that big of a crippling headache from using the Fountain of Hui.

Nico: We have it in the vault in case certain people try to use it for certain purposes.

Lucy Heartfilia: Thanks guys.

Me: Nico's head exploded! Twice in 1 day!

Nico: No fucking shit!

Raimundo: And my Akuma looked awesome as a Wind Dragon.

Me: It sure did. Also we were shocked that you were corrupted and brainwashed by Wuya.

Raimundo: That was a decision I regretted big time back then.

Me: I know.

Omi: (Tibetan Accent) Again, Raimundo, you have my apologies

Raimundo: And I already forgave you for that Omi.

Omi: Thank you.

Me: Now that Dark Chase Young is a forgotten memory we can focus on my big mission.

Nico: Which is?

Me: Fulfilling the prophecy to bring back Twilight Sparkle from Sunny's world.

Nico: Oh right! That's big.

Me: Yep.

Xenia: Yeah.

We walked on.

Lincoln: Okay, guys, we're here for one intense battle, we're here to help Tree Hugger unlock her Rainbow Power and send Dr. Jason Woodrue from the movie Batman and Robin to Arkham Asylum on Saturn.

We had all of TLPS and The MOE with us.

Me: That lunatic's gonna get a beating, and we'll have him locked up in Arkham Asylum on Saturn for a million years!

Nico: (Snickers) Provided he even survives that long after we get done with him.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large

orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I turned the tips of my 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Jason Woodrue) AHA! There he is, that varmint! I just spotted Woodrue from Batman and Robin, he's in his castle over there 500 yards away, and it looks like he's got another criminal he's got strapped to his table.

Me: Oh boy.

We saw the castle.

Me: That must be Jason Woodrue's castle.

Xenia: Sure looks like a nasty place.

Poison Ivy: That's the castle I worked in before.

Me: Oh man.

Yusuke heard a Pokemon cry.

Yusuke: Look guys.

We saw a Dustox!

Me: A Dustox. Wow.

Yusuke: The poor little guy is hungry.

Dustox: Yeah I sure am.

He gave it some food.

Dustox: Thanks.

He ate it.

Yusuke: Want to come with us?

Dustox: I would be honored.

Me: Awesome.

Poromon: Yay!

Me: Cool.

Then we smelled a REALLY pleasant scent. It smelled like Blue Raspberries.

Me: (Sniffs) Hey I know that smell. Smells like Blue Raspberries.

Qin: I smell it too. Fragrant.

Raimundo: I have to admit. When it's not in a Xiaolin Showdown, the Chameleon Bot can be very dangerous

Me: I agree there but Guys focus.

Eli: It's coming from that!

We saw a Mega Tangrowth!

Me: Whoa a Mega Tangrowth!

Xenia: Cool!

Lana: Yeah!

Lucy Loud: Gasp! It's not alone.

We saw a Mega Crobat!

Me: A Mega Crobat too!

Poromon: Whoa!

Me: They must be Dark Gale's work.

Yoko Minato: Lets see.

Wataru: I wonder.

They used telepathy and gasped!

Yoko: The Mega Tangrowth is my sister Azure!

Wataru: And the Mega Crobat is my sister Miyuki!

Me: WHOA! We better go help them.

We went over to them.

Yoko Minato: Azure it's me Yoko!

Wataru: Miyuki it's me Wataru!

Mega Crobat used Supersonic on Horsea but she put her clone in front of her

The clone was knocked out from the blast.

Horsea: HA!

Mega Tangrowth used Bullet Seed and bashed the clone all over with seeds.

Me: Ouch.

Wataru: That had to hurt.

Me: Okay then.

We fired waves of energy and blasted them.

I snapped my fingers and they reverted back.

Azure was a girl with blue hair and blue eyes and had blue angel wings and had Mega Tangrowth on her forehead and had a cutie mark of a blue raspberry and a blue raspberry lockseed symbol on her arm.

Miyuki had blue hair, blue eyes and blue wolf ears and a blue tail and blue angel wings and had Mega Crobat on her forehead and had the Blue Wolf Moon symbol of Garulu of Kiva with a Wolf and a Moon on her arm along with the Kiva symbol. We wrapped them in blankets and brought them over to us.

Me: Awesome!

They woke up to see Horsea's smiling face.

Azure Minato: (Groans) Huh? A Horsea?

Miyuki Kurenai: I must be dreaming.

Horsea: Nope you aren't! You hit my clone!

Yoko: Hey sis.

Azure gasped!

Azure: It can't be. Yoko?

Yoko: I'm back. You have J.D. to thank for that.

Azure: YOKO!

She hugged her and cried hard.

Azure: (Crying) Yoko I thought I would never see you again! After you were killed! (CRYING)

Wataru: Hey sis.

Miyuki: Wataru!

She hugged him.

Miyuki: I'm glad to see you bro!

Wataru: Me too.

Horsea: That went better then the last time I got hit by Supersonic

Me: It sure did.

Yoko: I'm glad to be back sis.

Azure: Me too Yoko.

Me: You girls were turned into Mega Tangrowth and Mega Crobat by Dark Gale.

Azure: Oh man! I was fighting Kamen Rider Bujin Gaim when that happened.

WE GASPED!

Me: That was the Blood Orange themed Gaim Rider.

Lilian Hale: I don't think we faced him on my missions.

Nico: No, we didn't.

Lilian Hale: I didn't think we did.

Me: Wow! But I remember that one.

Kouta: That was my dark side in a way.

Me: Yep.

Miyuki: I was battling the Ladybug Fangire.

Me: I remember that one!

Marinette: He gave me a bad name!

Me: Man that one was rotten to the core! And all Fangire are total foulmouthed motherfuckers.

Nico: They sure are

Miyuki: They sure do!

Poromon: What are your rider names?

Azure: I go as Kamen Rider Azulrasp. I'm the Blue Raspberry themed rider.

Me: I love blue raspberries because they turn your tongue blue.

Azure: They sure do.

Miyuki: I go as Kamen Rider Lunalupin. I am called that because I was born on the night of the January Full Moon.

Me: That is cool! The Wolf Moon is the first moon the year. Very spiritual. And cool.

Miyuki: It sure is.

Rarity: Lets get you both some new clothes darlings.

The fashion brigade gave them new blue clothes and Yoko and Wataru gave their rider belts and legend items to them.

Azure: We look awesome.

Me: You sure do.

Miyuki: I agree.

Me: Yep.

Nico: We're not done yet

Me: We got a mad scientist to bring down

Nico: Right, time to clean this mess up.

We then took off to send Woodrue from Batman and Robin to Arkham Asylum on Saturn.

We were flying in the air, and there, we saw Woodrue from Batman and Robin, and we saw a brown-furred male cat with blonde hair and blonde hair, blue eyes, and he was dressed punk clothes from 1984: around Caleb's time.

Me: That man strapped onto the table, who's that?!

He's your typical high-school bad boy from the 1980s and this guy is trouble. He was a thug who beat up defenseless kids back in high school, bullied teachers and even Principal Leonard Davis, and he ruled the school with an iron fist, but there was one who'd refused to bow before him: Caleb. Despite that my brother was ostracized by the majority of the student body and bullied by them and some of the teachers because of Drake's crimes, he refused to let that bully run rough-shot over a school that desired the destruction of my older brother's life.

Caleb Maxwell: What Tyler said is true. I didn't let that bastard run rough-shot over a school that desired my destruction, I would strike him down in 1984, I gathered evidence of Ryan's crimes and brought every last bit of it to the police since the majority of LaGuardia High School administered their punishment of me: eternal ostracization, and the right to torture me. It took a lot of effort from me to not burn the school down in a blaze of hatred, no matter how much the students and most of the teachers had put me through Hell.

Nico: How many other enemies did you have?!

Cage Blunt: Perhaps, it's best you don't ask.

Travis Tackett: We know how many other enemies Caleb has, but we don't want to open any more forgotten wounds.

Allie Maxwell: Travis is right about that. Anyways, after Caleb gave all the evidence to the police, Ryan Ramos got arrested by the cops and sent to prison for life, and all those who'd joined in on his reign of terror got expelled and also got sent to prison.

Suddenly, Tyler Maxwell's eyes turned crimson red and they suddenly turned neon crimson red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

It never stopped, it got much worse and worse, and it's because of jerkwads like you, Ryan Ramos, that my older brother would eventually have his future destroyed, his only loyal true friends tragically murdered, and Caleb would also lose his own life when Drake murdered him in cold blood in 1985! And for that, I will personally send you straight to Hell!

Suddenly, a massive blast of Hellfire came flying at Tyler Maxwell, and it hit him and he was then surrounded by a massive tornado of Hellfire, and it was only getting stronger, and then...!

Suddenly, Tyler Maxwell exploded in power and he was surrounded by a massive vortex of black and crimson red, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are vampire bats, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix.

Finally, as the vortex faded, Tyler Maxwell emerged, but he was changed forever.

Nico: Who cares about that right now?!

Me: I don't!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Ryan Ramos, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at him with his machine guns, while Alexander Maxwell slashed at him with his massive greatsword and shot at him with his guns.

Finally, Tyler Maxwell swung his massive spear many times with only one hand gripping it and slashed at Ryan Ramos who felt absolute pain from the spear, and then...!

TYLER MAXWELL STABBED HIM IN THE CHEST WITH THE SPEAR HEAD OF THE SPEAR AND IT PIERCED HIS HEART, AND RYAN RAMOS EXPLODED IN A VORTEX OF HELLFIRE AND HIS SOUL WAS FED INTO THE SPEAR, AND TYLER MAXWELL GREW STRONGER AS HE ABSORBED THE ENERGY OF HIS SOUL AND SENT HIS SOUL TO HELL!

Me: WHOA! What was...?!

Lincoln got out his Book of Legends and found the page.

Lincoln: No wonder that hellfire blast looked familiar, that was The

Hellfire of Enma, The Judge of Hell in Japanese myth. According to legend, once every 10,000 years, Enma would send a blast of Hellfire at a chosen individual and he'd be granted massive superhuman strength, superhuman durability, superhuman stamina, control over the fires of Hell, immortality, and invincibility, but that person would have to had felt the loss of a loved one, and in this case for Tyler, it was...!

Me: Ooh, nice one.

Nico: The rose bushes with thorns is quite a nice touch.

Suddenly, Lincoln used his nature and Celtic powers and made them even more stronger and we saw the roses fire a pink dust that hit Woodrue from Batman and Robin, and he broke out in hives!

Suddenly, we saw the spirits of the many brave Scottish warriors of ages past along with those from the time of Lachlan McLoud, Duke of Loch Loud, appearing and returning to our world from The Spirit World, as they heard Lincoln's command. Then, Lincoln joined them and he let out a war cry that thundered all over the Gotham City sector, and the warriors also bellowed out a war cry and they rushed at Woodrue and they began attacking him with their claymores, war swords, and greatsword.

Nico: Wow...!

And we can't make a friendship without one another

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

Robin Hood went after Woodrue and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit him, then he attacked him with the blades on his bow leaving scars on them, and he fired arrows at him that transformed into many arrows with leaves surrounding them and Joseph Seed got hit all over the place.

Suddenly, we heard a loud howl, and we saw an army of 50'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

Then, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings fired chains of gold energy that bound Woodrue.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Woodrue, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 20'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER, YOU PIECE OF SHIT!

Lincoln, Nico, and I did one final powerful energy slash that hit Woodrue hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Woodrue was on his last legs and he was really really mangled.

Finally, Woodrue lost it and got out a knife and ran at Poison Ivy to stab her, but she got out of the way. But, then...!

SQUELCH!

Woodrue stabbed Caleb Maxwell right in his left eye as he let out a scream of pain before he kicked him away!

Eli: CALEB!

The NYPD Nightshift glared angrily at Woodrue who was already cackling like a fucked-up madman, and Tyler, Alexander, and Allie Maxwell were pretty pissed off big time! But, before they could do any damage, Caleb grabbed the knife handle and...!

RIPS! SCREAM OF ANGER!

CALEB RIPPED THE KNIFE OUT, BUT IT ALSO RIPPED OUT HIS LEFT EYE AS BLOOD CAME DOWN LIKE TEARS FROM THE EYE SOCKET!

But, then, his left eye grew back and the one in the knife turned to ashes. Yet, that didn't calm him down in the slightest.

TIME TO DIE! ROT IN HELL, YOU PIECE OF SHIT!

CALEB MAXWELL FIRED AT WOODRUE WITH EXTREME RAGE AND ANGER, AND WE COULDN'T DO ANYTHING TO STOP HIM: NONE OF US HAD EVER SEEN HIM THAT ANGRY BEFORE IN OUR LIVES, EVEN SEEING THE VIDEOS OF HIS ANGER AND RAGE DIDN'T COMPARE TO THIS!

Kevin: Whoa, cool!

Jonny: Oh, close your eyes, Plank!

Jimmy: Holy mackerel!

Sarah: EWWW!

Rolf: Ha-ha!

When the smoke cleared, Woodrue was absolutely riddled with bullets: he looked like a piece of swiss cheese with blood pouring out, and he was horrendously mangled! WE WERE SO GROSSED OUT BY WHAT HE DID!

Lincoln: HOLY MOLY!

Lanaia: WHAT THE HELL!?

Lori: LITERALLY HORRENDOUS!

Leni: TOTES HIDEOUS!

Luna: GOOD GOLLY MISS MOLLY! DUDE, THAT'S JUST SICK AND TWISTED!

Luan: OH! THAT'S JUST NASTY!

Lynn: THAT'S JUST MONSTROUS!

Lee, Lyra, and Liberty: THAT'S AWFUL!

Laney: HIDEOUSLY GRUESOME!

Lucy Loud: Gasp, the picture of untamed darkness itself. Truly gruesome.

Lana: OH, THAT'S JUST GROSS! AWESOME!

Lola: THAT WAS SO GRUESOME!

Lisa: ABSOLUTELY HORRIFYING!

Lily: TOO GRUESOME FOR WORDS!

Lynn Sr.: THAT IS JUST PLAIN WRONG!

Rita: THAT DOESN'T EVEN COME CLOSE! (SHUDDERS)

The other Louds were horrified including their ancestors and L-Ementals, Universe 666, and Royal Defenders Counterparts!

Me, Nico, Eli, Ed Cowart, and all of TLPS and The MOE: DAMN! THAT WAS JUST GRUESOME!

Me: IT'S TOO MUCH! LINCOLN, SEND HIM TO ARKHAM ASYLUM BEFORE WE START BARFING!

Lincoln: (TURNING GREEN) (TRYING NOT TO BARF) ON IT!

Lincoln beamed Woodrue to The Arkham Asylum Wing in The Saturn Insane Asylum, and a doctor analyzed him, and we got word from the doctors: Caleb's rage attack destroyed his spinal column, destroyed his Achilles tendons, destroyed the nerves in his hands, and also caused massive internal bleeding, he'll survive, but he'll be confined to a wheelchair for life.

We cheered as we holstered our weapons and powered down, and Tyler Maxwell's new body, clothes, weapons, jewelry, accessories, large gold halo and large gold Yata no Kagami mirror with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind his head, large 999,999,999,999,999,999,999,999,999 black and crimson red planets orbiting around his legs and 999,999,999,999,999,999,999,999,999 smaller black and crimson red planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and crimson red planets orbiting around his wrists and ankles, and enormous dark brown angel wings and 999,999,999,999,999,999,999,999,998 sets of large dark brown angel wings underneath his enormous dark brown angel wings are permanent.

Me: At least, Woodrue is now in prison for good. But, you didn't have to go through with that!

Suddenly, we turned green in the face, and...!

WE TELEPORTED BACK TO THE CITY AND RAN FOR THE NEARBY DUMPSTERS AND TRASHCANS AND BARFED UP TONS OF VOMIT AND PUKE!

MASSIVE VOMIT ATTACKS!

Luna: MASSIVE PUKE VOLCANO! (FAINTS)

FWOMP!

Poromon: Oh, nice going! Now, all of us have lost our breakfast, thanks to you!

Lincoln made us a huge breakfast buffet, and we ate it all.

Nico: (MASSIVE BELCH) Oh, thanks for that, Lincoln. (To Caleb Maxwell) And let me be clear, if you ever, and I mean ever do something like that again, Caleb, I'm gonna make sure you get a taste of your own medicine!

Allie Maxwell: You try that, you hairy ape, and I'll crack your head open like an eggshell!

Tyler Maxwell: We were unable to defend Caleb back in the late 1970s and the early 1980s because of Drake, and because of it, Caleb lost his life, and I'll be damned if I let anyone hurt our brother yet again! So, try to hurt our older brother, try it!

Nico: (Thinking) Yikes, and I thought my younger siblings were that angry when our usual bullies and Sebastian tried to cause trouble in the past! These guys are 1,000,000 times scarier than them!

Lincoln: Got to hand it to them, they sure are loyal.

Me: Yep.

Whitney: That was a good warmup.

Me: It sure was Whitney.

Xenia: Yeah!

Dustox: That was fun.

Nico: Nice job, Dustox.

Dustox: Thanks Nico.

Jessie: You remind me so much of my Dustox.

Dustox: I sure do don't I.

Me: Yep.

Poromon: Want some beer?

Dustox: Oh no thanks. I don't drink.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Dustox: Nice try though pipsqueak.

Poliwag: HEY!

Wilt: Oh guys we're going to watch a movie later.

He pulled out a TV guide.

Me: Monster movie marathon tonight! Cool!

Coco: Coco! (Awesome!)

Me: Nice!

Eddy: I hope it's not like the one Ed had us watch. Sarah kicked us out of her house and we went to Rolf's house for it.

Me: Oh man. Sarah!

Sarah: Sorry.

Jessie smiled sadly.

Me: You miss the Dustox you had before don't you.

Jessie was crying.

Jessie: Yes I do.

Nico: Oh, Infinity Mijinion, what do you like to do in your free time?

Infinity Mijinion: Oh I work at the zoo and help with the tropical exhibit.

Becca: He is in charge of the animals like the salamanders, frogs and more.

Me: Oh I get it.

Infinity Mijinion: Yep. It's good money.

Qin: Cool.

Nico: Now for the Anothers!

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Jackie.

Jackie: Another Me?

Lincoln: We'll have to see who it is.

Eli: Whoa, and one of The Anothers is The Avatar of The Silent Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Me: How are they getting so many of them!? It's incomprehensible!

Nico: Good question.

Me: So we got Another Gartox, Cerberus (Disney), Leviathan (MHA), Leviathan the Water Dragon, Fairy Leviathan (X-Squad) and Crystal Leviathan.

Qin: Yep.

Me: That means Infinity Mijinion, Maria Garcia, Jasmine Queenston, Water Masamune, Amethyst Ryu and Live Action Longarm are up.

Nico: Yep.

But then we sensed A BUNCH OF INTENSELY HUGE ENERGY SIGNALS!

Me: HOLY CRUD! What in the world is emitting an enormous power of that kind!?

Nico: That is an unreal power! Is it a new enemy?

Me: I don't think so. It's good.

Nico: Wait! There's 13 of them. Could it be them?

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Cerberus (Disney), Leviathan (MHA), Leviathan the Water Dragon, Fairy Leviathan (X-Squad) and Crystal Leviathan!

Me: WHOA!

Xenia: WOW!

Another Cerberus: (In a girls voice) (Chinese Accent) Looks like the fun has started.

They reverted back and it was 13 girls! It was the gene-slammers of the Dragon Rulers! We were introduced to

Goku: OH MAN! That's incredible!

Qin: Yep.

Xi Yue: That's right J.D.

Yiyi Chun: Yep. And we have a bunch to tll you.

Lei Tian: First we have someone here you might know.

Sh pulled out a figure wrapped in a cocoon and she dropped it in front of us and I unwrapped it and to our shock it was MADARA UCHIHA! But he had his eyes gouged out and was gagged!

WE GASPED!

Me: Madara Uchiha!? You captured him!?

Shui Jiang: We sure did.

Me: WHOA MAN! Lady Tsunade is going to have a field day hearing about this!

Zi Jan: Yep. And we have a massive contract put out on all the Uchiha Clan members out there. These are the ones that were going to launch that coup when Itachi killed them.

She gave me wanted posters of them.

Me: Oh yeah. I know all these guys. I killed every single one of these guys.

Itachi Uchiha: I was ordered to kill them all.

Me: Yep. But this gives me an idea.

Nico: What is it?

Me: On Ino's big day, we're going to execute all of these guys in one fell swoop in front of the entire Hidden Leaf Village.

Nico: I like it!

Qin: Good idea.

Me: But girls we're going to need you to come with me to the village to confirm this.

Xi Yue: Will do.

Me: Anti-Monitor must've brought them back because they were insignificant bugs.

Qin: Yeah.

Nico: (to Madara) Consider yourself lucky that we're not killing you yet. Because we actually don't know what will happen on Ino's day.

So enjoy the time you have left.

Me: Nico you said so yourself that we were going to kill the last Evil Sasuke on Ino's day.

Nico: Oh yeah I did didn't I?

Me: Yep.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait.

Me: Yep.

Nico: I actually meant that I haven't decided when Ino's day will be

Me: Well it's close.

Maria: Time for backup! (TURNS DIAL) BEAR NECESSITIES 6!

She summoned Cyborg Bear, Volcano Bear (OC), Universe 666 Vincent (Over the Hedge), Polarclaw (Robots In Disguise 2015), Ignited Golden Freddy and Sir Finkleberg (Fairly Oddparents)!

Me: YEAH!

Nico: But maybe I should take my time deciding just to watch Madara squirm.

Me: Just for good measure.

I had my tail form into a Cell Stinger and I stabbed him and stripped him of his chakra and powers and made his powers my own.

Me: There. Feel free to torture and maim him as much as you want Nico. After killing him over and over again it's not fun anymore. Besides now we got much bigger fish to fry.

Nico: Honestly, I don't have plans for him.

Me: I know. I figured.

Nico: Does the Hidden Leaf and the rest of the villages know about what happened with the Uchiha Clan massacre?

Me: Yes they do. But they don't know how it all went down and what the motive behind it was and who was leading it. Now it's time for the truth to come out.

Nico: Oh boy.

Me: Yep. Anyway more on the matter later. Look.

We saw Another Gartox and Jackie!

Nico: There they are!

Qin: Yep.

Lincoln: I have a good idea on who the Another Gartox is.

She reverted back and was the Avatar of the Silent Card!

Lincoln: Sadie Silent!

She wrote on a chalkboard.

Sadie Silent: (On a chalkboard) Good to see you Lincoln and awesome to meet you J.D.

Me: You too.

Nico: Care to introduce us?

Anna Anyanova: Sure. Sadie Silent, Avatar of The Silent Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of silence, the shadows, darkness, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Silent Clow Card, and the magic of Clow Reed. She's The Silence Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Sadie Silent is a master of the powers of The Silent Clow Card and she's a powerful master of silence, the shadows, darkness, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Sadie Silent came to Royal Woods where she met Lincoln, and she taught him how to master the powers of silence, the shadows, darkness, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Silent Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of silence, the shadows, darkness, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Silent Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her powers of silence to sneak into their rooms and put shock collars on them, and she also swiped their money, the money they stole from Lincoln after their planned attack resulted in him getting beaten up and they stole his hard-earned money.

Me: And she doesn't speak because of obvious reasons but I see.

Sadie Silent: (On a chalkboard) Yes I was born mute but it's awesome.

Me: I see.

Nico: And your friend?

Another Jackie: (In a boys voice) Someone proud of his sis.

Jackie: (GASP) That voice.

He reverted back and it was her brother Sebastian! He had black hair and a yellow shirt and black pants.

Jackie: Sebastian!

She went and hugged him.

Me: Sebastian! Man its been a while!

Sebastian: It has been a while.

Nico: You know him?

Me: Sebastian is Jackie's little brother. He went to Lincoln's classes a while back.

Nico: Oh man. I see.

Sebastian: Yep and Lincoln congratulations on fulfilling the prophecy! Everyone in school can't stop talking about how great a hero you are!

Lincoln: (LAUGHS) I can tell word has spread about it.

Me: It sure has.

Kaito: (gets out Abaranger gear) Normally, we'd ask what Swartz promised you.

Zocks: (gets out Dekaranger gear) But I think said promise is obvious.

They got weapons from said teams.

Sadie Silent: (On her chalkboard) No he didn't promise me anything because I used my powers to put a zipper on his mouth for a month and we ran.

Zocks: Oh then nevermind.

Sakura Knudson: That explains why I found him with his mouth zipped up.

Me: I've heard of buttoning your lip and zipping your mouth shut but that is funny and literal.

Nico: It sure is.

Sougo: (gets out Dino Thunder Ridewatch) You heard right from what happened two days ago

Geiz: (gets out SPD Ridewatch) Now, we can put what that monster did behind us

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor

Sebastian: I know. My sister and Mandee and everyone is lucky to have an awesome guy like Lincoln!

WE LAUGHED!

Me: Yep and me and Lincoln's angels and all of us all trained him really well. Lets separate you guys first.

We did so.

Me: But don't give him a swollen head though. Lets dance!

Nico: (Gets out Gartox's ridewatch) Bring the water!

May: (Gets out Leviathan (MHA) Ridewatch) Time for some water power!

Universe 666 May: (Gets out Leviathan the Water Dragon's ridewatch) This dragon is full of punch!

Maria: (Gets out Fairy Leviathan (X-Squad) ridewatch) This Fairy will shine!

Maria Garcia: (Gets out Cerberus Ridewatch) 3 heads equals 3 times the firepower!

They used the powers of Gartox, Cerberus (Disney), Leviathan (MHA), Leviathan the Water Dragon, Fairy Leviathan (X-Squad) and Crystal Leviathan and blasted the anothers all over!

Poromon: YEAH!

Then Dinoshark, Nitrogolem (Heretic), Evil Golden Queen, Motley Bossblob, Nekogal and Liondon came.

Me: WHOA!

Nico: Nice team Dinoshark!

Dinoshark: Thanks Nico! This is gonna be fun.

Antonio: That means my team is up next! YEAH!

Qin: Yep!

Nico: Sweet!

?: I agree.

Then Kaalia of the Vast appeared!

Me: WHOA! Kaalia of the Vast!

Kaalia 2: This will be fun.

Nico: Kiara Kaalia! Whoa!

She reverted back and was a girl with red hair and had red eyes and 1 pair of angel wings and one pair of demon wings and had Kaalia of the Vast on her forehead and had black clothes with Kaalia of the Vast on her shirt and skirt and had a Flame with a Sun with a skull on her arm as a cutie mark and had an inferno sword in her hand.

Kiara Kaalia: Good to see you Nico. I got this.

She jumped and slashed and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Kiara Kaalia: Aw it was nothing.

Me: Awesome.

Maria Garcia: Do you have any good memories of Nico?

Kiara Kaalia: I sure do. When me and Nico battled a bunch of mobsters out to kill my family. My family double crossed the entire Sicilian mafia and took all their money. My family has been on the mafia's hitlists for years.

Me: Whoa man! Well we'll gladly put you in our protection.

Kiara Kaalia: We greatly appreciate it.

Nico: Yep.

They hugged.

Nico: I've missed you.

Kiara Kaalia: Same here.

Me: You guys go ahead. I got to make a report.

Nico: Okay.

They went back home and me and the Dragon Ruler Gene-slammers went to the Leaf.

In the Leaf Village, I was walking with Madara on my shoulders.

Zi Jan: So this is the Leaf.

Me: Yep this is it.

Xiong Ming: Awesome place.

Me: It sure is. Oh right.

I snapped my fingers and got into my shinobi attire.

Me: Got to look official.

We went in and got to the gate.

Kotetsu: Welcome back J.D. Some storm earlier wasn't it?

Me: It sure was. We need to talk to the Hokage. These girls here are with me and we've had a REALLY shocking development.

I showed Madara.

They gasped!

Izumo: Is that Madara Uchiha!?

Kotetsu: But how can that be!? He's dead!

Me: Anti-Monitor brought him back. Long story but this is indeed the real thing.

Xiong Ming: It is the real deal.

Izumo: We better take you there right away.

Me: Thanks guys.

We went to the Hokage.

Lady Tsunade was working on her paperwork.

Lady Tsunade: (Sighs) So much paperwork.

There was a knock at the door.

Lady Tsunade: Come in.

The door opened and we came in.

Lady Tsunade: Ah J.D. Welcome.

Me: Hello Lady Tsunade. Sorry to come in while you are entertaining paperwork. But We came here because of a really unexpected and shocking development.

Lady Tsunade: Like how?

Me: Recognize this face?

I showed Madara!

They gasped!

Shizune: Is that!?

Lady Tsunade: Madara Uchiha!?

Me: Yep this is him.

Xiong Ming: We captured him. Oh sorry we should introduce ourselves. We are The Thirteen Elemental Maidens of The Hunt of Elements.

They introduced themselves.

Shizune: Pleasure to meet you girls.

Me: They just joined the team.

Xiong Ming: We are Nico's friends from school and we are powerful bounty hunters.

Lady Tsunade: I see.

Me: We just found out that Anti-Montior brought back Madara and also the conspirators that were going to launch the attempted coup of the Uchiha Clan.

Xiong Ming: We put a massive contract out on them.

She showed the wanted posters of them.

Lady Tsunade: Ah yes. These were men and women that Itachi was ordered to kill. Including his own father.

Me: That's why I made this radical idea. My proposal is this. We're going to hold Madara's execution till Ino's big day with her dealing with the last Evil Sasuke. We're going to kill all the members of the Uchiha Clan that were going to launch their coup, Fugaku included, in a mass execution in front of the entire Leaf Village.

Shizune: An execution of that calibur!? That is...

Lady Tsunade: I like that idea!

Shizune: Huh?!

Lady Tsunade: It will also bring retribution to the crimes they did against my grandfather and my clan.

Me: And also to the Village.

Lady Tsunade: Good. And J.D., Girls, your proposal is approved. Tell Nico it's a go. Also your mission is to capture all the members of the coup and bring them to the Leaf to await execution. This is a Triple Super Z Rank Mission. Failure is not an option.

Me: Affirmative! We don't know when Ino's big day mission will be but it will be sometime close. When the time comes we'll let you know. Also Lady Tsunade it's time for the truth on the Uchiha Clan massacre to come out. They need to know what went down and why.

Lady Tsunade: You're right. ANBU! Gather all the villagers together. It's time to reveal the truth.

They went and did so.

We told everyone about why the Uchiha did what they did that lead to Itachi killing them and why and more and how it was all because of Madara who was dead at the time. But they were fed up with the persecution caused to them because they thought they were behind it because of the 9-Tails attack. They planned to overthrow the Hokage and take over the government by force. Itachi was ordered to kill them all because of Danzo and leave no one alive. We also revealed that Anti-Monitor brought back Madara and those involved and we're going after them.

We later came back.

Nico was reading a newspaper.

Nico: How did it go?

Me: It's approved Nico. I'll have the satellites do a scan for all the Uchiha responsible still out there.

Nico: Good.

Ino: So my big day is going to be the ultimate punishment of the Uchiha. That is going to be interesting to see.

Me: It sure is Ino.

We then spotted Dave, but then...!

Lincoln: (Smirks) Okay, let the fun begin.

CRACKS KNUCKLES!

Lincoln cracked his knuckles!

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP

Dave the Octopus: (SCREAMS)

Then, Lincoln blasted him and that along with the loud crack forced The Dark Silent Card to come out and took on her true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Silent Card and he began sucking out all her powers of darkness, the shadows, silence, and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Silent Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Silent Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Silent Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: Dave the Octopus.

We turned to Dave the Octopus who was mad now!

Dave the Octopus: Curse you! I was so close to getting revenge on you and those Penguins!

Lincoln: Okay, time to shut you up forever.

JAPANESE MUSIC PLAYS

Lincoln flew into the air with his massive greatsword raised, and he went at Dave the Octopus, and he slashed him all over the place cutting his tentacles off along with the rest of him, and he had him turned into octopus steaks and sushi, and he was banished to The Black Abyss, and we returned home to The World Tree Estate and ate the octopus steaks and sushi.

Me: Mmm, now that was good.

Nico: Yep, we took down The Dark Silent Card and put a permanent end to Dave the Octopus.

Lincoln: That's for sure, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, blue sleeveless strapless top, blue skirt with Gem-Knight Lazuli, white bridal gloves, blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Lazuli, she has a greatsword, and with her are the four girls.

Lincoln: (GASPS) Lucia Lazuli, Avatar and Gene-Slammer of Gem-Knight Lazuli.

Lucia Lazuli: That's right, and I got the girls away from Dave the Octopus and The Dark Silent Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Illusion Card when I sucked out her powers and absorbed the clone of Bloody Tree. (To Lucia Lazuli) And it's so good to see you again, Lucia.

Lucia Lazuli: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Lucia Lazuli had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Lucia Lazuli was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Lucia Lazuli: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Lucia Lazuli's waist and hugged her, and Lucia Lazuli is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline,

and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lucia Lazuli: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this isLucia Lazuli, Avatar and Gene-Slammer of Gem-Knight Lazuli, she's Lincoln's Guardian Angel from Michigan and the youngest sister of Laura Lapis Lazuli and Luna Lapis, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals. She's known as The Lapis Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Lucia Lazuli came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Lapis Lazuli gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Rene Alaister, Gene-Slammer of Steelswarm Roach and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered the parents of Laura Lapis Lazuli, Luna Lapis, and Lucia Lazuli in cold blood, and she swore to kill Rene Alaister and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Lucia.

Lincoln with his massive muscular arms still wrapped around Lucia Lazuli's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Lucia Lazuli: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lucia Lazuli with lapis lazuli gems on the gold lightning bolts and lapis lazuli crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lucia Lazuli: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Lucia Lazuli.

Lucia Lazuli had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Lucia Lazuli's waist, and he leaned down to her face and kissed her on the lips, and with Lucia Lazuli's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Luna Lapis had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Lucia Lazuli: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The four girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Marika Ootomo, Senshuu Isezaki, Shishoku Watabe, and Toshiko Touken from Ao-iro no Epitafu - Marika in The Poisonous-Looking Sunset.

Lincoln: Oh whoa, it's Marika Ootomo, Senshuu Isezaki, Shishoku Watabe, and Toshiko Touken from Ao-iro no Epitafu - Marika in The Poisonous-Looking Sunset.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're cute school girls.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Marika Ootomo: Yes, we're okay, thanks to you.

Then, when Marika Ootomo and the other three girls saw who it was that saved them from Dave the Octopus and The Dark Silent Card, their faces turned atomic red and their noses gushed out blood upon seeing the 20'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks Marika Ootomo: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his

999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Marika Ootomo: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marika Ootomo, Senshuu Isezaki, Shishoku Watabe, and Toshiko Touken with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long black hair, purple eyes, massive black angel wings, she has on a grey two-piece bikini, and a darkness greatsword.

Lincoln: (GASPS) Morticia Mortemaira, Queen of the Mortemairans of Planet Mortemaira.

Nico: The only surviving Mortemairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Morticia Mortemaira, Queen of The Mortemairans of Planet Mortemaira, she's Lincoln's Guardian Angel from the planet of Mortemaira. She was the Queen of the Mortemairans who ruled the planet of Mortemaira and she's also far more powerful than her own people: in addition to being a natural born fighter and night hunter, having immense power over darkness, the shadows, death, and necromancy, and the ability to grow even stronger, but she was also born with angel wings, Cosmic Umbrakinesis, darkness, death, necromancy, the shadows, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Morticia Mortemaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, darkness, the shadows, death, necromancy, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness, darkness, the shadows, death, necromancy and all the powers of The Mortemairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion and swore if they ever did anything to hurt Lincoln, she would drain them dry of their lifeforces and turn them into her zombified minions for all eternity with the powers of Mortemaira.

Morticia Mortemaira: And I knew Lincoln absorbed the souls of the male Mortemairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Morticia Mortemaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Morticia Mortemaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Morticia Mortemaira with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Morticia Mortemaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Morticia Mortemaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Mortemairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Silent Card of all its powers and sent Dave the Octopus to The Black Abyss after we took him down and turned him into food, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Lucia Lazuli saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Lucia Lazuli: My God, I was right that Lincoln's really grown into a 20'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Lucia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Lucia Lazuli: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Lucia Lazuli: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons.

Universe 666 Ronnie Anne: Oh, you've got to be kidding me! Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons.

Ronnie Anne: Guess he broke out and wants revenge on us for what we did to Sergio. Time to get some payback.

Suddenly, a massive black and dark blue vortex of darkness appeared, and when it faded, what stood in its place was Don

Karnage.

C.J.: Don Karnage? What's he doing here?

Nico: Something tells me we're gonna find out.

We watched on the screen.

Don Karnage: I should've known you'd be at it again, you repulsive feather duster, even after you were taken down last year and thrown in prison. I think the big mistake was leaving you lot alive. You should've died just like your prime universe counterpart, and even I was disgusted by him!

Universe 666 Sergio: CHARGE! WE SHALL HAVE VENGEANCE FOR SERGIO'S DEATH!

They flew at Don Karnage, but then, his eyes suddenly turned dark blue, and then, they turned neon dark blue, and he was surrounded by a black and dark blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, black and dark blue hellish flames, darkness, hellfire, lightning, phoenixes, and dark angels.

Frida Casagrande: Hey, what's happening now?!

Nico: From the looks of it, I'd say Karnage is about to transform, but it's not like with Vypra.

Vypra arrived.

Vypra: I was about to say, but whatever is about to happen, I know it's gonna be good.

Suddenly, Don Karnage exploded in power and he was surrounded by a massive vortex of black and dark blue, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, black and dark blue hellish flames, darkness, hellfire, and lightning surrounding the vortex, there are phoenixes and dark angels flying around the vortex, and in the vortex is a black phoenix.

Finally, as the vortex faded, Don Karnage emerged, but he was changed forever.

We were amazed!

Nico: WHOA!

Me: No way, did Don Karnage transform?

Lincoln: Looks like it, we saw Misty, Carly, and Vypra transform, now we see another Master of Evil transform as well.

Don Karnage: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Lightning Hellish Darkness Hellfire Storm Fury Air Pirate Wolf Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Lightning Hellish Darkness Hellfire Storm Fury Air Pirate Wolf Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, you stupid bird, come, it's time for you to die.

Universe 666 Sergio: RRAWK! CHARGE, PARTY BIRDS!

Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons charged, but Don Karnage went after them, and he fired extremely powerful blasts of black and dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and dark blue hellish flames, darkness, hellfire, lightning, phoenixes, and dark angels at those party birds and they exploded, and he attacked them with his new massive greatsword and slashed at them with fury, and he was really tearing them apart!

Baloo: Whoa! If he fought like that long ago, he would've laid waste to Cape Suzette!

Me: That's for sure.

Then, Don Karnage summoned black and dark blue flames.

Don Karnage: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Lightning Hellish Darkness Hellfire Storm Fury Air Pirate Wolf Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Lightning Hellish Darkness Hellfire Storm Fury Air Pirate Wolf Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, flames of Hell, devour their souls!

Don Karnage fired the black and dark blue flames and they hit Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons, and they were burned completely to ashes and their souls were devoured by the flames. Then, Don Karnage came inside.

Don Karnage: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Lightning Hellish Darkness Hellfire Storm Fury Air Pirate Wolf Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Lightning Hellish Darkness Hellfire Storm Fury Air Pirate Wolf Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) The deed is done. Those party birds are no more.

Don Karnage holstered his massive greatsword and powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo and large black gold Yata no Kagami mirror with black gold crescent moon ring-shaped frame around it with embedded dark blue gems behind the dark gold halo with four large orbiting dark gold rings on each corner and four large black gold Yata no Kagami mirrors with black gold crescent moon ring-shaped frames around them with embedded dark blue gems behind the gold rings behind his head, large 999,999,999,999,999,999,999,999,999 black and dark blue planets orbiting around his legs and 999,999,999,999,999,999,999,999,999 smaller black and dark blue planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and dark blue planets orbiting around his wrists and ankles, and enormous black angel wings and 999,999,999,999,999,999,999,999,998 sets of large black angel wings underneath his enormous black angel wings are permanent.

Nico: I honestly have no words to say, but you really gave that stupid party bird and other party birds what for, Karnage.

Lincoln: I think we can consider this the final farewell of Sergio for good.

Ronnie Anne: We still have his hypothetical Akuma in The Masters of Evil, but we should keep an eye on him to make sure he doesn't go rogue like Sergio, or I swear he's gonna end up meeting the same fate as that no good parrot. Speaking of, we should think of getting a new parrot, possibly one who's more well-behaved than him.

Carl Casagrande: That'll be impossible.

C.J. Casagrande: Not exactly. Look at Paco.

Rosa Casagrande: Si, he's not like his ex-primo. Next time, I'll be in charge of getting the new parrot.

Eli: How did you get Sergio?

Maria Santiago: I can only think of one person, isn't that right, Papi?

We looked at Hector Casagrande who was sweating and looking nervously.

Don Karnage: Hector Rodrigo Casagrande Gutierrez, you better spill it.

Hector Casagrande: Ay, yes, it's true. I adopted Sergio, but we had no idea that he'd grow up into that menace to society.

Carlos Casagrande: He'd been an absolute nightmare since Maria and I were kids, we coughed up Sergio feathers all the time especially when we were eating breakfast, yuck!

Maria Santiago: And he's always made a mess all over the apartment, and don't get me started on the wild parties he threw, ugh! I didn't get any sleep at all because of him.

Rita: In other words, he's been a nightmare from day one.

Poromon: Sergio's nothing but a filthy parrot, nothing but a mockery to all birds! If I ever see that stupid bird again, it'll be too soon!

We got a shower, and then, Lincoln, Sarah Kerrigan, and Thira 3000 are heading to Sirena Beach, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 20'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Sarah Kerrigan, and Thira 3000 and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Sarah Kerrigan, and Thira 3000 had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and Lincoln also swore to help and free Sarah Kerrigan from her dark path and her pain and it turns out Dr. Hamsterveil long before joining The Masters of Evil had another hairbrained scheme involving Thira 3000, but that plot was foiled thanks to Lincoln.

Sarah Kerrigan: Wow, we're here in Sirena Beach, it's so beautiful.

Lincoln: You said it, Sarah, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Sarah Kerrigan, and Thira 3000 and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Sarah Kerrigan, and Thira 3000 and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Sarah Kerrigan, and Thira 3000 and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Sarah Kerrigan, and Thira 3000 and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Armageddon Godzilla.

Anna Anyanova: What is that...?!

Lincoln: Armageddon Godzilla, the Hypothetical Akuma of Godzilla and he looks like Shin Godzilla with wings and has deadly atomic power and a terror of Japan.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Armageddon Godzilla and he began absorbing him and assimilating Armageddon Godzilla's massive nuclear energy and deadly atomic power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Armageddon Godzilla, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Sarah Kerrigan, and Thira 3000 and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Sarah Kerrigan, and Thira 3000 and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sarah Kerrigan and Thira 3000 with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Sarah Kerrigan and Thira 3000 are in your harem, Linky.

Sarah Kerrigan and Thira 3000 showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin the sent clone of Armageddon Godzilla, the hypothetical Akuma of Godzilla after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and I absorbed him and assimilated Armageddon Godzilla's massive nuclear energy and deadly atomic power. Then, I sucked out every bit of energy from his soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln

snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when

you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: We're going after Buzzer Beak and a bad guy named Bad Breath Boris next and Lori, Loki, Spitfire, Soarin, Blades, Fling Kong, Free Ranger, Boom Jet, Storm Eagle and Tornado Man are up.

Nico: COOL!

Me: And I can guess why he is called Bad Breath Boris. Because his breath smells like shit.

Spyro: That and he is big and intimidating.

Me: Geez!

Lori: This is literally gonna be so fun!

Loki: If it's stench he wants (LOUD FART!) It's stench he'll literally get.

Me: YEAH!

We went into the Simulator and it activated and we were at Know it All Island.

Me: Know It All Island.

Soarin: This is gonna be so awesome!

Spitfire: We'll show them Wonderbolt power!

Me: YEAH!

Nico: Where are they?

Blades: (British Accent) If I remember right, Buzzer Beak is on that hill there.

He pointed to a hill by a mountain.

Me: Okay lets go.

We were off.

Rainbow Dash: I'm really excited for this too!

Spitfire: You said it Rainbow Crash!

Me: R.D. I know how much you hate being called that.

Rainbow Dash: I know but I'm used to it.

Me: Okay.

Nico: Keep your eyes peeled.

Me: Right.

Ymir: What was Buzzer Beak sent to prison for?

Me: I don't really know for sure. It didn't say anything.

Qin: Yeah. But also Bad Breath Boris is a Fire Element Bad Guy.

Sunset Shimmer: I'll trap him. I didn't get my shot against anyone yet.

Me: Go for it.

Nico: Yep.

Nico saw something.

Nico: There!

We saw BUZZER BEAK AND BAD BREATH BORIS!

Me: Targets sighted! Okay Spitfire, Soarin, Rainbow Dash lets try Wonderbolt Battle Formation ΑΦΞ 12!

We went at them and split into 4 and went at them from 4 directions and had rainbow lightning coming out of us. We then converged and formed a ball of energy and then blasted them both into the ground and flew up and formed a fountain!

We landed.

Nico: WHOA! That was cool!

Me: I'm testing out new Wonderbolts Battle Formations.

Eli: Cool!

Lori: We literally didn't bring Fluttershy to translate this time!

Me: We have her powers too remember.

Buzzer Beak: YOU WILL NOT STOP ME AND MY FRIEND FROM MAKING SKYLANDS PAY FOR WHAT THEY DID TO US!

Nico: We'll see about that!

Bad Breath Boris: SMELL MY BREATH!

He fired his breath!

LOUD BELCH!

I blew it back into his face and he gagged, coughed and vomited all over.

Me: You aren't the first villain that had breath that smelled as bad as Lumpus's butt!

Nico: Nor will you be the last.

Me: Yep. Lets get them!

Blades: LOOKING SHARP!

Fling Kong: MONKEY SEE MONKEY DOOM!

Free Ranger: WHIP UP A STORM!

Air Ranger: BOMBS AWAY!

We fired waves of lightning and wind and blasted them both.

Lori: Sniff on this!

LOUD NASTY FART!

The fart was so bad it made them throw up more!

Nico: Stinks, doesn't it?!

Buzzer Beak flew at Nico.

But Poromon got in front of him and packed him!

POINK POINK POINK POINK POINK POINK POINK!

Poliwag slapped Buzzer Beak and knocked him down!

WHAP!

Poliwag: YOU STAY AWAY FROM OUR PARTNER HELICOPTER HEAD!

Impmon: HEY! That's my line!

Nico: When did you two come in?!

Poromon: We were hiding in our burned pants.

Nico: What the?

Poromon: Sorry.

Poliwag: Like we would miss this. Besides Poromon wanted to get some shots in on a bad bird.

Poromon: It's true.

Buzzer Beak: THIS WASN'T YOUR FIGHT YOU STUPID BIRD!

Poromon: Who are you calling a stupid bird you stupid bird! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted them both!

They fought each other in the air!

POW BIFF SMASH WHAM BIFF!

Poromon pecked him all over!

Poromon: Now I learned a new trick!

He showed the trailer!

Poromon: LOOK AT IT!

Buzzer Beak screamed and screeched in fright and all his feathers and propeller fell off!

Me: Okay guys! Lets finish them with Wonderbolts Battle Formation ΞΔΧΩ 17!

We flew at them and did a formation and it was in the shape of the Air Skylanders Symbol and it glowed a rainbow aura. Then we spun around and formed a rainbow ball of energy.

Me: Lori, Loki, Rainbow Dash, Spitfire, Soarin, Blades, Fling Kong, Free Ranger, Boom Jet, Storm Eagle and Tornado Man: RAINBOW AIR SKYLANDS MEGA THUNDERSTRIKE!

We fired a massive blast of rainbow lightning and it hit both Buzzer Beak and Bad Breath Boris and blasted them down!

BUZZER BEAK AND BAD BREATH BORIS DEFEATED!

Nico: We know what happens next.

Me: Yep.

Rainbow Dash: Time to Trap!

Rainbow Dash held up a blue Air Element Trap and an Aqua Blue vortex appeared and sucked in Buzzer Beak!

He was locked in the trap!

Buzzer Beak: NO! I am not going to be a trapped bird in a cage!

BUZZER BEAK TRAPPED!

Rainbow Dash: Well now you are going to be my prisoner. You are gonna be good like it or not.

Buzzer Beak: Oh well. I could use a fresh start and be good.

Sunset Shimmer: My turn!

She held up a fire element trap.

A red vortex appeared and sucked in Bad Breath Boris.

Bad Breath Boris: NO! I AM TOO STINKY FOR THIS!

He got sucked in and was locked into the trap!

Bad Breath Boris: NO! Let me out of here! You can't hold me in here!

BAD BREATH BORIS TRAPPED!

Sunset Shimmer: Oh yes I can and now you will be my prisoner. Also you need to brush your teeth mister!

Bad Breath Boris: (Sighs) I guess it has been a while. And I'll be good from now on.

Sunset Shimmer: Good.

Nico: Burned pants? Where did that come from?

May: You forgot to change your pants from when the Six Mega Shedinja gene-slammers hit you.

Me: Yeah it's true.

Nico: Oops.

We left the simulator and Nico threw his pants away and changed into new ones.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our showdown with The Mad Bomber startts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

COCO: [lays an egg] Coco! [Popcorn!]

WILT: Great. Thanks, Co- [opens the egg] What? No butter?

COCO: Co coco? Co! [No butter? Hmph!]

Me: I brought some.

DAIRY PRODUCT MAGISWORD!

I put some butter on it.

Wilt: Thanks J.D.

Me: You're welcome.

Jackie: What are you guys watching?

Me: The monster movie marathon is about to start.

BLOO: So what are we watchin'?

WILT: [with his mouth full of popcorn] A creature feature.

BLOO: A cweacha featcha?

WILT: Sorry. [swallows] A creature feature.

BLOO: Oh.

Jackie: Cool!

EDUARDO: A creature feature?

WILT: It's okay, Eduardo. Don't worry.

BLOO: Yeah, Ed. It's probably just some silly old movie about a silly old ghost in some silly old house on some silly old hill.

NARRATOR: THE CURSE OF THE CANNIBAL GHOST OF THE HAUNTED HOUSE ON HORROR HILL!

Me: OOH! Scary!

WILT: Good call.

MAN ON TV: What a perfect night for drive.

Lightning flashed in the movie.

Me: (GULP) That house gives me the creeps.

MISS CHAMBERS: Wait, what's that up ahead?

MAN ON TV: You mean the Petunia Patch?

MISS CHAMBERS: No, not the Petunia Patch! That haunted-looking house on that horrible looking hill!

MAN ON TV: Oh, why that's just the... Haunted House on Horror Hill.

Nico: Oh man.

The movie continued on

MAN ON TV: AAAAAHHHHH!

MISS CHAMBERS: AAAAAAHHHHHH!

EDUARDO: AAAHHH!

BLOO: Uh...

Some of us were shaking in fright.

I wasn't scared in the least.

Wilt: How come you aren't scared J.D.?

Me: Well when you have had your share of dealing with monsters, spirits and ghosts and demons of the Netherworld it doesn't surprise you anymore. Also you know what this movie reminds me of? The 1959 movie, House on Haunted Hill.

Nico: I remember that one! That was a scary one!

Me: Yep.

COCO: Co! [Boo!]

EDUARDO: AAAHHH!

[Coco laughs, but Wilt and Eduardo are not amused.]

Me: Nice try Coco.

MAN ON TV: And your certain that's what we're dealing with? A cannibal ghost?

CROTCHETY HARLEN: Oh, I'm sure alright. First, you'll hear the moanin'. The terrible moanin'. Then, you'll see the trail of ectoplasmic goo. The terrible trail of ectoplasmic goo. And then comes the chain rattling. The terrible chain rattling.

[Coco laughs]

MAN ON TV: That's enough, Crotchety Harlan! You're frightening Miss Chambers!

CROTCHETY HARLEN: Oh, I might frighten ya. But the cannibal, he'll scare ya to death... THEN EAT YOUR GHOST!

GHOST: OOOOOHHHH! OOOOOHHHH! OOOOOOOOHHHHHHHHH!

MAN ON TV AND MISS CHAMBERS: AAAHHH! AAAAAAHHHHHH!

Me: A cannibal ghost? That would be weird.

Nico: Yeah.

Batman: Interesting.

Me: Yep,

The ghost scared them bad.

Kurumu screamed and grabbed Lincoln and hugged him by having his face squished in between her breasts.

Kurumu: I'm so scared Linky!

We heard a groan and it was coming from Bloo.

Aligned Megatron: Are you feeling alright, Bloo?

He lifted his blanket off and we saw THAT HE WAS PURE WHITE! HE WAS WHITE AS A GHOST!

BLOO: Ohhhhh...

[Eduardo screams and runs. Wilt says "Humuna" in fright many times. Eduardo comes back, grabs Wilt and runs]

EDUARDO: AAAAHHH! AAHHHHHHHH!

BLOO: Hey, guys... [sneezes] Wait up a sec...

Me: HOLY CRUD! BLOO YOU ARE WHITE AS A GHOST!

Nico: GEEZ! Bloo you look horrible!

Xenia: No kidding.

I felt his head and he was REALLY BURNING UP!

Me: HOLY SHIT! You are REALLY BURNING UP! GUYS CODE GREEN! Bloo is sick! Get him to his room stat!

Optimus: Could Mac be suffering the same thing as well?

Me: It could be!

Moondancer came in.

Moondancer: What's going... (Sees Bloo) GHOST!

She blasted him with an atomic ray.

Bloo screamed in pain!

Bloo: (SCREAMING)

Me: Moondancer stop! That's Bloo!

Moondancer: Wait that's Bloo!? What happened to him? He's all white.

Me: He's sick.

We brought Bloo to his room with Mac and Mac was sick too. Not as bad as Bloo but it was awful.

Me: Oh man. This is awful.

Nico: What happened to them?!

Me: They were playing in the mud earlier this morning and it was raining cats and dogs and they caught a cold.

Nico: Oh right I heard about that earlier. Must've forgot about it.

Rainbow Dash: PICKLE AND BARLEY BARREL FRONT AND CENTER!

They came to her.

Pickle and Barley: REPORTING FOR DUTY CAPTAIN RAINBOW DASH!

Rainbow Dash: Mac and Bloo are in no condition to go on our mission today. I need you two to stay here and take care of them.

Pickle Barrel: You can count on us!

Barley Barrel: Yeah!

They donned HAZMAT Suits and were ready.

But then...

BONK BONK BONK BONK BONK BONK BONK BONK!

I got hit in the head by a bunch of coconuts!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 8 COCONUTS!

Me: OW!

Nico: Geez!

Me: Patrick that guy was me!

Patrick: Oh sorry.

Me: OKAY WHO IS THE WISEASS!?

Laney: Whoa look!

We saw a figure in the corner and it was a MEGA EXEGGUTOR!

Me: Whoa! A Mega Exeggutor! (Angry) BASH ME ON MY HEAD WILL YOU!

Nico: Where did that come from?!

Me: Must be one o Dark Gale's work.

Scott: Let me see.

He used telepathy and gasped!

Scott: It's my sister Amethyst!

Me: Oh my gosh! Lets go help her.

Scott Truman and I went over.

Scott: Amethyst it's me Scott.

She used Egg Bomb

I grabbed it and threw it back at her and it hit her and it exploded!

MASSIVE EXPLOSION!

Me: Whoa!

Horsea: Thank goodness that didn't hit me!

BONK!

A coconut hit Horsea on her head and she had a lump on her head.

Horsea: OW!

Patrick: DAHAHAHA! THAT GUY GOT HIT ON THE HEAD WITH A COCONUT!

Horsea: Patrick! That guy was me!

Patrick: Oh sorry!

Me: Okay then!

Me and Scott blasted her all over.

I snapped my fingers and she reverted back. Amethyst was a girl with purple hair and blue eyes and had purple angel wings and had Mega Exeggutor on her forehead and had the RPM Symbol with an Amethyst jewel on it with a planet Earth split in two on her arm as a cutie mark.

We wrapped her in a blanket and brought her over to the couch.

Mac and Bloo were out of commission for a while.

She woke up and saw Horsea glaring at her sternly with a nasty lump on her head.

Amethyst Truman: (Groans) What hit me? Huh? A Horsea?

Horsea: YOU HIT ME ON THE HEAD WITH A COCONUT!

Maria picked her up.

Scott: Hey sis.

Amethyst Truman: (GASP) SCOTT!

She hugged him.

Amethyst Truman: I'm glad you're safe!

Scott Truman: Same to you sis.

Me: You hit both me and Horsea on the head with coconuts. Ouch.

Amethyst Truman: Oh man I'm sorry!

Me: It's okay. But you were turned into a Mega Exeggutor by Dark Gale.

Amethyst Truman: Oh man! I don't remember that. But I was battling this weird medieval prince monster.

Eli: (GASP) That was Water Pollution Prince Nigorl zo Arelunbra.

Me: That's one of the Japanese Go-Onger monsters. We haven't faced him before.

Scott: No we sure haven't.

Poromon: What's your color?

Amethyst Truman: Oh I'm the Purple RPM Ranger.

Me: Wow! Not many purple rangers. Also we have good news. Venjix is dead. We killed him forever.

Scott Truman: It's true. We killed him earlier.

Amethyst Truman: Oh thank goodness! I'm glad. But wait didn't he?

Me: Yes 10 years later in 2019 he resurfaced as the Beast Morphers enemy, Evox. We were absolutely blown away and shocked by this revelation that he would return as something else but for a different ranger team.

Devon Daniels: Yeah no kidding there.

Dr. K: But now we can rebuild after so many people were destoyed by the most horrible mistake I made ever.

Amethyst Truman: I'm so glad for that.

Me: We all are.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new purple clothes and a purple sword and Scott gave her RPM Morpher to her.

Amethyst Truman: I look awesome.

Me: You sure do.

Sunny Tennyson: Good thing Mac and Bloo aren't Core members

Me: That may be but they are still part of the team. They need all the care they can get in this condition.

Mr. Rude: (French Accent) I'll give you care! (LOUD FART!)

All of us: MR. RUDE!

WE LAUGHED!

Me: That was funny.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Mad Bomber, and he's going to bomb another building. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud, we better get a move on!

Eli: The Mad Bomber's on the loose!

Lincoln: That he is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Mad Bomber, and he's going to bomb another building.

EVERYONE GASPED!

Jackie: Oh no.

Lincoln: I also found out this Mad Bomber is the same one Batman and The Grey Ghost had stopped back in Gotham City.

Batman: I remember that time long ago, and seeing that episode made me put everything together back then.

Me: Can we see it, Bruce?

He nodded and we saw the episode, and when it was done, we were amazed. Learning the source of the whirring noises are remote-control toy cars armed with explosives.

Me: So that's how the Mad Bomber is doing it. Remote controlled cars filled with explosives.

Nico: Very clever! He was blowing up buildings one after the other with them.

Lincoln: So, what we got is someone acting out the events of the episode, classic copycat behavior.

Nico: I was about to say, and many of the crimes that were committed in the past has this kind of behavior involved. Oh, we got to get a move on and fast and stop this madman.

Lincoln: Before he bombs the Gotham Royal York Library.

Me: Yeah. First we got to find the Grey Ghost.

Batman: His real name is Simon Trent. I'll take you to him.

Me: Okay.

The previous group came.

Felix Faust: Can me, Yenaldoshi, Count Nocturne, Oculous, Puppetmon, Count Spankulot, Black Lance, Avalanche, Tala, and General Schwarz go with you guys?

Nico: Yes you all can come with us.

Qin: This is gonna be explosive.

Mr. Rude: I'll give you fun! (LOUD FART)

All of us: MR. RUDE!

Krankenstein: Nico, Monster want to know what next Gene Slammer will be

Nico: Phyrexian Hydra next.

Me: Whoa that is a scary one.

Qin: It sure is.

Mr. Rude: I'll give you scary! (LOUD FART)

All of us: MR. RUDE!

Me: That still never gets old.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Clavicus Vile, The Daedric Prince of Wishes and Trickery from The Elder Scrolls, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Clavicus Vile, The Daedric Prince of Wishes and Trickery from The Elder Scrolls, and he's come back for revenge on us again.

Carina Beethoven Cooper: That conniving Faustian deity, I hope you're ready to absorb him again, Lincoln.

Lincoln: You bet I am, Carina.

Nico: I hope this also sends a warning to the other villainous Daedric Princes. Alright, team, let's go, The Mad Bomber's scheme ends here and now.

Lincoln: We'll have him sent off to prison for what he's done, and once we're done with him, you're next, Clavicus Vile.

Carina Beethoven Cooper: You made a mistake returning, Daedric Prince of Wishes and Trickery, and it's one you're going to regret.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to take down The Mad Bomber and send him to prison, and once we get done with him, Lincoln and Carina Beethoven Cooper are going to destroy Clavicus Vile and send him to The Black Abyss after Lincoln absorbs him.

We were off to the Apartment Building of the Grey Ghost. First we got to find the Grey Ghost.

We arrived in the Gotham sector.

Me: Okay be on the alert.

Nico: Yep.

Yenaldooshi: Let's call Krusty.

Me: Good idea.

We called him.

Krusty: HEY HEY KIDDIES! (LAUGHS GOOFILY)

Shadow: Sarge, are you and your Army Men ready?

Sarge: Yes sir! We're ready for action!

Me: Sarge be ready for anything in case the Mad Bomber strikes early. Code Red. You know what to do.

Sarge: YES SIR! CODE RED! Lets move move move move move!

Puppetmon: If I were Grey Ghost, where would I be?

Me: He's right there.

I pointed to the apartment building.

We went into the building and went to his apartment.

Me: This is it.

I knocked on the door.

Simon Trent: I don't have the rent! Give me a few days.

Me: Oh we're not the landlord here. We're here to talk to you Mr. Trent.

He opened the door and he saw us.

Simon Trent: Team Loud Phoenix Storm! It's an honor and Batman you're here too.

Batman: Same to you Simon.

Me: We're sorry to bother you but I'm afraid we got big problems.

Thrust: Wait. Rent?

Simon Trent: I'm way behind on my rent. And if I don't pay I'll be thrown out of here.

Me: If the landlord comes here we'll make sure he doesn't.

Nico: Yeah.

Me: But besides that. The Mad Bomber is back.

HE GASPED!

Simon Trent: Oh no. I have a feeling it's him.

Me: Who?

Simon Trent: The toy collector.

Me: Hmm.

I pulled out my computer and went over my files.

Me: Lets see.

I searched for Mad Bomber and Toy Collectors and one name came up.

Me: (GASP) Found him! His name is Ted Dymer and he is a toy collector.

I went over his history.

Theodore "Ted" Dymer, better known as the Mad Bomber, is a minor antagonist from Batman: The Animated Series, serving as the main antagonist of the episode "Beware the Gray Ghost". He is a toy-shop clerk who is obsessed with toys and imitated a bomb spree based on a television villain from an old TV show The Gray Ghost.

He was voiced by the show's producer Bruce Timm.

Dymer was an innocent owner of a toy store named Yester Toys where he purchased classic toys and things. However, business wasn't astonishingly successful and it didn't satisfy Dymer's obsession. He was obsessed with toys and spent lots of money on toys of different kinds. Although he had lots of toys in his collection, his funds were low. Fortunately, Simon Trent, the actor who played the Gray Ghost in the tv show was selling his old collectables to pay up his rent. Dymer remembered an episode of The Gray Ghost, he realized other purposes toys can do.

He copied the skills and tactics of the Mad Bomber from The Gray Ghost TV show and planted bombs in the remote controlled cars that were designed and modeled after the same cars used in "The Gray Ghost". Some of them were even actual models from the show that he got from Trent. Ted blew up a plastics lab in Gotham. After that, he began a bomb spree and leaves threats at each scene demanding $1 million or a new area would destroyed.

His tracks were untraceable that left the bomb squads and the GDPD stumped. However, Batman figured out his tracks. He remembered an episode of The Gray Ghost named "The Mad Bomber" and put the pieces together. Batman tracked down Trent who denied the involvement but Trent recognized a sound which Dymer's cars made when they drove shortly before the Gotham Art School was destroyed. Learning from this, Batman and Simon Trent aka The Gray Ghost were able to find out Dymer's tactics and prevented Dymer's next bombing attempt. Although his attempt to bomb the Gotham Library was foiled, he wasn't finished yet. The Mad Bomber sent a multitude of primed explosive RC cars to blow up both Batman and Trent, but they managed to escape to the safety of the Batcave.

Batman and the Gray Ghost tracked Dymer to his toy store and found his control center where he operates the remote controlled cars. He revealed his true greedy colors and plotted to use his bombs to hold the city for ransom, for the sake of his toy obsession. He attempted to defeat the Dark Knight but he never got another toy in his life, for the Gray Ghost swung to the rescue and set fire to Dymer's lair. The Mad Bomber was stopped and his toy store and control center were destroyed. Defeated by his own bombs, Dymer cried over the loss of all of his toys and was arrested afterwards. Then Simon Trent was declared a hero and all the episodes of The Gray Ghost are released on home video.

When I was done everyone was shocked and disgusted!

Nico: He is blowing all this stuff up just for toys!?

Black Lance: Toys? Toys?! He's causing all this property damage and engangering the library all for toys?!

Me: This isn't just property damage. This is extortion, terrorism and mass property destruction. But according to his files, he is imitating an episode of the Gray Ghost that we saw earlier. We know how he is doing it. Remote controlled toy cars armed with explosives.

Nico: Yep.

Xenia: Yeah.

Me: Thank goodness nobody has gotten hurt. But I had commissioner Gordon put the city on lockdown for safety.

Simon Trent: That explains why the streets have been so quiet.

Me: Yep.

Qin: Yeah.

Batman: Things have greatly changed since we lsat saw each other.

Trolling Thunder: Surely, you've noticed something different.

Simon Trent: I can see that. You have become part of Team Loud Phoenix Storm, the city is bigger and you defeated so many dangerous enemies and got stronger.

Batman: We sure have.

Me: That's just the tip of the iceberg.

Qin: Yep.

Simon Trent: I have a lot of catching up to do. How much is Ted demanding this time?

Me: $100,000,000,000 in cash.

Simon Trent: Oh man. He really raised the stakes.

Me: Let me see here.

I went over more of Ted Dymer's history and found out that he was sentenced to life in a maximum security federal prison. But 6 months ago he escaped from prison and is hiding in Gotham Royal York somewhere.

Me: He escaped from prison six months ago. That's right around the time Anti-Monitor showed up.

Nico: Very coincidental.

Simon Trent: Is Joker among the enemies you destroyed?

Tala: No, but he will be soon. We DID destroy Scarecrow though

Me: Yep we sure did. Scarecrow is gone. Many of Batman's rogues are in the M.O.E. And sme of them are redeemed.

Clayface: Like me. Long story.

Qin: Yeah.

Poison Ivy: And me.

Harley Quinn: Me too.

Me: Yeah like we said. Long story,

Nico: First, let's do something about your rent.

Me: Yeah you need a much better place than this dump.

Simon Trent: You're right. Now that I am recognized as a hero for real, I have more money than I can handle.

Me: You can live with us now.

Simon Trent: I would like that very much.

Batman: He became rich a long time ago and was waiting for the right moment to move out.

Me: I see.

We then heard a whirring noise.

Me: Uh oh.

I went outside and saw a remote control car coming.

Me: Uh oh!

I grabbed it and disabled it and inside it was an explosive!

Me: WHOA!

I came back.

Me: I caught a car. Now lets see what kind of explosive we have in here.

We analyzed it.

Lisa Loud: Ammonium Nitrate, Nitroglycerin, C4 and highly concentrated liquid ammonium nitrate to give it a deadly and powerful explosive punch.

Me: Whoa these cars have enough explosives to wipe out an entire city block.

Nico: Lethal!

Xenia: No kidding!

Poromon: We should keep this somewhere safe.

Poliwag: Let's keep the car though!

Me: Yeah keep the car but not the explosive. Just be careful with that. The slightest jostile will make it explode. It's highly unstable.

Ncio: Yep.

Then Lincoln had a premonition!

Lincoln: Oh man! Jackie is not going to like this!

Jackie: Uh oh. My Akuma is coming?

Lincoln: Yep. Her name is Jacqueline Bombhyde. The Hypothetical Akuma of Jackie and she is a really explosive one. She is a split personality akuma. She looks like a beautiful witch on the outside and she starts out sweet and kind and loving. But when she sees a pink jewel she turns into PSYCHOTIC FUCKED UP MANIAC that blows stuff up left and right! She was made because of Jackie getting dumped by her ex-boyfriend Terrance Tyler and he beat her up.

WE GASPED!

Me: Wait Terrance Tyler? I remember that jerk! I beat up that motherfucker and sent him to prison!

Leni: I totes remember him too!

Mandee: Yeah. He punched her in the face and gave her a black eye over Jackie tripping and knocking him into a wall and scratching his perfect face. J.D. beat him up brutally and sent him to prison for assault and battery and attempted rape.

Lori: Terrance was sent to prison for 10 years. But one year into his sentence, one of the inmates of the prison heard about what he did and stabbed him in the heart and killed him. They buried Terrance in an unmarked grave.

Nico: GEEZ!

Me: Yeah. Me and Leni took Jackie home and healed her and she was crying hard non-stop.

Laney: It's true. It was awful.

Nico: Oh man.

Lincoln showed a sketch of her and she looked like a sexy witch girl with fire angel wings flying on a broom and she was throwing bombs everywhere!

Me: WHOA! That is one explosive witch!

Qin: And she gets triggered by seeing pink jewels? Weird.

Simon Trent: Do you really think we should worry about that right now?

Sonata: Um...maybe?

Me: Sorry Simon but I'm afraid this is pretty much a mandatory thing.

Laney: Long story.

Nico: Yeah.

Simon Trent: And if she doesn't come?

Me: Oh she will come. Lincoln's premonitions are never wrong.

Nico: Nope.

Eli: I sense her coming. She's in the sky.

We heard maniacal laughter in the sky and saw a figure flying in the air! It was JACQUELINE BOMBHYDE!

Me: There she is!

We went to fly up to her.

She threw some bombs but I caught them and threw them back at her!

MASSIVE AND POWERFUL FIERY EXPLOSIONS!

Me: WHOA!

Jacqueline Bombhyde: That was one way to Blow my Cover! Get it? Blow my cover? (LAUGHS)

Me: Okay that was a good one.

Sweetie Belle: Her jokes are as good as Mask Scara's!

Me: Mask Scara told a lot of makeup jokes. But that was good.

Jacqueline Bombhyde: Thanks. I blow up the fun. (LAUGHS)

General Schwarz: Jackie? Is that you?

Jacqueline Bombhyde: Yes it's me and I am one that Blows my top! Get it? (LAUGHS)

Luan: (LAUGHS) That was a good one!

Eddy: (LAUGHS) That was funny!

Me: Okay that was good.

Krusty: (GOOFY LAUGHTER) That was silly.

Me: Yep. This is gonna be one that Blows your lid! (LAUGHS)

WE LAUGHED!

Nico: Okay that was a good one.

Krusty: But seriously Jackie you need to calm down! Don't make me hit you with bomb pies!

Me: You wouldn't want to do that.

Krusty: And I will do it!

Jacqueline Bombhyde: Then lets blow it up!

I fired waves of fire and blasted her.

Krusty threw bombs and smashed her all over in explosions.

Jacqueline Bombhyde: My turn!

She threw bombs and I sent them back to her.

I pulled out a bomb pie like the one SpongeBob had.

Me: EAT THIS!

I threw it

Me: DUCK AND COVER!

We ducked!

Then...

SPLAT!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The pie hit her in her face and exploded with incredible power!

The smoke cleared And she fell to the ground and crashed onto the street. She was burned and charred to a crisp!

Me: Ouch! She is really going to feel that one!

Camie: No kidding! YIKES!

Ymir: That had to hurt.

Simon Trent: And I thought the Mad Bomber's bombs were painful.

Me: No kidding. This was just an appetizer though. Now for the main event.

Nico: Going after the Mad Bomber himself.

Simon Trent: I guess you were right,

Needle Man: Told you!

Me: Yep.

We heard the maniacal laughter of The Mad Bomber, and he's about to blow up The Gotham Royal York Library.

Nico: There's that sicko, and he's about to blow up The Gotham Royal York Library!

Suddenly, Twilight Sparkle started turning red with anger, and then...!

TRAIN WHISTLE BLOWS!

STEAM BLEW RIGHT OUT OF TWILIGHT SPARKLE'S EARS LIKE A TRAIN ABOUT TO TAKE OFF! SHE WAS REALLY MAD NOW!

Me: UH OH!

Tirek: Oh boy. Like how this happened with me when I destroyed her library.

Lincoln: Oh no...!

Twilight Sparkle: You...blasphemous...BOOK BURNER!

TWILIGHT SPARKLE TELEPORTS BEHIND THE MAD BOMBER AND SHE TEARS THE DETONATOR OUT OF HIS HANDS AND USES HER MAGIC TO DISABLE THE BOMBS!

Mad Bomber: NO! MY PRECIOUS BOMBS! YOU! WHAT HAVE YOU DONE?! I WAS SO CLOSE TO GETTING THE RANSOM MONEY FOR TOYS!

WE COULDN'T BELIEVE WHAT WE WERE HEARING!

Twilight Sparkle: Let me get this straight, you bombed all those buildings and tried to bomb The Gotham Royal York Library to get $100,000,000,000.00 in cash only for toys while you destroy all these buildings and reduce them fiery rubble?! Is that why you set out on this!?

Mad Bomber: Um...yes!

Me: Oh boy. Now he is miles down shit creek.

Lincoln: Oh, now you've gone and done it.

THAT DID IT!

Twilight Sparkle: THAT'S IT! I'LL SHOW YOU WHAT HAPPENS WHEN YOU THREATEN TO BOMB AND DESTROY BUILDINGS ALL FOR A PETTY REASON!

TWILIGHT SPARKLE PUNCHED THE MAD BOMBER HARD IN THE NOSE, AND SHE POUNCED ON THE MAD BOMBER AND THEY WERE ENGULFED IN A MASSIVE FIGHT CLOUD, AND THE FISTS AND KICKS WERE FLYING!

Me: HOLY TOLEDO!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! BEAR ROAR! SHEEP BLEET! GOAT BLEET! MAMA! DONKEY BRAY!

Lincoln: Wow...! This is definitely a reminder: never piss off The Princess of The Magic of Friendship.

Me: Especially when it comes to her favorite thing and that is books and libraries!

We were speechless and we had sweat drops on our heads.

Nico: Uh..., let's get in there and fast before Twilight tears his crotch off and feeds it to the vultures.

Suddenly, the spirits of Batman, the heroes of Gotham, and The Grey Ghost appeared and they attacked The Mad Bomber with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Me: We heard everything after Twilight made you squeal like a pig!

Nico: All that just to get money to buy toys, how stupid can you get?!

Me: Yeah! Ted Dymer, you're under arrest!

Avalanche:...you're petty, do you know that?

Me: Yeah all this destruction just for toys. How stupid can you get.

Nico: I've seen a lot of people do crimes for stupid reasons but this one takes the cake!

I punched Ted in his face and kicked him down.

Me: But you know there was another monster that thought just like you. The Mad Bomber himself. Back in the 1940s and 50s, a disgruntled employee lost his mind and went on a rampage and blew up buildings left and right all because of resentment over a workplace injury and the denial of workers' compensation.

Nico: Yeah!

Ratso: You're not even worth killing.

Me: Nope. You should consider yourself lucky that we're letting you live.

Ted Dymer went at me and punched me in my stomach. But his punch didn't make me flinch.

Me: Ha. That tickles.

Then The Grey Ghost swooped in and punched Ted all over the place and kicked him.

Batman kicked Ted in his stomach and knocked him down.

Batman: Time to put your toys away little man.

Count Spankulot: (Transylvanian Accent) You have been very bad!

Lincoln went wild on The Mad Bomber as he punched, kicked, and slashed at him like a wild beast, and he left scars on him.

Then, Lincoln held out his left hand and fired ten massive balls of fire at The Mad Bomber, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT THE MAD BOMBER AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Caleb landed as the barrier came down.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT SCARED THE MAD BOMBER TO NO END! AND NOW, THE BATTLE TO TAKE DOWN THE MAD BOMBER WAS ON!

Lincoln, Jackie, Nico, and I and the rest of us went after The Mad Bomber and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows,

storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Mad Bomber, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Jackie, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Chameleon Bot and we all found ourselves not only in Heaven, but also, in space.

Ed Cowart proceeds to insult The Mad Bomber!

Ed Cowart: Really, all that just for toys? You really are a manchild! You're also dull and ugly and your sense of fashion is hideous! You make Sid from Toy Story look nicer! Prepare your ass for defeat and one last thing?

Ed Cowart punched The Mad Bomber in the face and messed up his face beyond belief then slapped him all over, then he wedgied The Mad Bomber and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Ed Cowart threw The Mad Bomber into a vat of live clams which chomped The Mad Bomber all over including his crotch, then he fired hot sauce and lime juice then fired super hot nacho cheese then kicked The Mad Bomber's crotch!

Ed Cowart: So, you blow stuff up in the city huh? How about I return the favor like this?!

Ed Cowart finished by throwing a massive crate of TNT at The Mad Bomber which explodes on contact, but he didn't die from the explosion he'll ended up getting really big boo-boos instead!

Poromon pecked him

POINK POINK POINK POINK POINK POINK!

Me: YEAH! Oh Troy! Made these for you guys!

I gave them new ranger keys!

Me: The Sentai 50th Force keys. These are to commemorate 50 years of Rangers with the powers of the Gozyugers!

Troy: Cool! These will be awesome!

Me: Yep.

Orion: We'll keep these in mind.

Me: Okay. If there's a sixth ranger we'll know.

Nico: Yep.

I fired waves of energy and blasted Ted all over.

Skitty charged and slapped him all over with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Then Chalmers, Tri Klops, Myotismon, KGBeast, Absorbing Man, Firepower, P'andor, Black Manta, Goro, and Pyros came.

Nico: Chalmers, Tri Klops, Myotismon, KGBeast, Absorbing Man, Firepower, P'andor, Black Manta, Goro, and Pyros.

Poliwag slapped Ted with his tail and knocked him out!

Poliwag: Don't even think of ordering our frenemies around!

Myotismon: Thanks Poliwag.

Poliwag: Anytime.

Chalmers: We wouldn't take orders from him anyway.

Tri Klops: No, we wouldn't.

Myotismon: And for good reason!

Me: That is for sure!

KGBeast: (to Nico) We heard you fought Woodrue.

Nico: Yep. Not the prime universe version. This was the one from Batman and Robin.

Qin: Yep.

Black Manta: (to Yusuke) You should take care of that Dustox.

Yusuke: I will.

Megahorn came.

Me: Another round Megahorn?

Megahorn: You got that right.

Me: Awesome!

Oculous: Hey, buddy. We got things ready for you

Megahorn: You sure did! Awesome job. Also I can't believe this guy is so petty.

Me: And I thought the Smith family was stupid.

Nico: Tell me about it. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Stella, Otoya Kurenai, Bonnie Terrez, Laura Wynn, The L-Emental Loud Family, Limestone Pie, Mariposa Diaz, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Michael Morningstar and Sunny Tennyson VS Chalmers, Supreme King Jaden, Morpho, Universe 666 Negative 10, Baraka, Hobgoblin, Teacher Monster and Abacus Cinch (Theme including Otoya Kurenai) - Nico's rescue was battling Jason Woodrue from Batman and Robin to Warm Up Whitney for her day

---

Chalmers was first.

Chalmers (to Stella): Nico's rescue was battling Jason Woodrue from Batman and Robin. It was to Warm Up Whitney for her day

Stella: It sure was and it was really awesome and cool! Whitney really socked it to him! Also it was to get justice for Poison Ivy. He made Poison Ivy into the plant girl we all know and love by accident.

Otoya Kurenai: He sure did!

Chalmers: Oh man! So he was behind the reason why Pamela Isley turned into Poison Ivy!

Bonnie Terrez: Yep that's right! I can't believe that Woodrue is that big of a monster!

Laura Wynn: He should have never been a scientist at all to begin with!

Twilight Sparkle: Yeah no kidding there! What a monster and he gives all scientists a REALLY BAD name!

Stellar Sparkle: Not only that but I'm sure you know this, but he made Bane into what he is.

Chalmers: What!? He made Bane into the strongman he is!? Wow!

Harmony Sparkle: Yeah that is scary! But man this guy was a monster!

Starshine Sparkle: No kidding!

Spyro: This guy was REALLY messed up in the head though! You thought Dr. Screwloose was messed up in the head, he was worse!

Chalmers: Remind me. What did he do that lead him to be like this?

Spyro: He was fired from Wayne Enterprises for his insane experiments and he had his funding cut. He continued to work in isolation and came up with CRAZY experiments to make supersoldiers using poison and steroids to make criminals like Bane to sell to Terrorists for the highest bidder.

Chalmer: What a jerk! Maybe a million years in Arkham will do him some good. If he lives that long. Lets do it!

Stella used the Vistamp of Chalmers and the Sun World Gear and they fired waves of light and magic and smashed them down.

Nico, Infinity Mijinion's team, Gartox's team, and the others did good battling them.

Zick: Boy they sure did! Also we had a surprising encounter. The Dragon Ruler Gene-slammers were really Yuánsù shòuliè de shísān wèi yuánsù shàonǚ.

Tri-Klops: (GASP) The Thirteen Elemental Maidens of The Hunt of Elements!? The most powerful elemental bounty hunters in the entire universe!? I heard they go after the most dangerous criminals in the universe and bring them in for enormous profits!

Zick: That's right.

Tri-Klops: I heard they are so powerful that not even Skeletor or Hordak can match them.

Zick: You heard right! And also we found out that they were literally responsible for the genocide of the Infernairans!

THEY GASPED!

Tri-Klops: They single-handedly wiped out Arpina Infernaira's kind except her!? That is intensely powerful!

Spark Man: That was intensely powerful!

Roshi: Yeah they sure are. If our enemy ninjas including Madara were running around, they would be no match for them. They are just that powerful! They said they are as powerful as 500,000,000,000,000,000 Omega Shenron's!

Tri-Klops: OH MAN! That is intensely powerful!

Wataru Kurenai: You better believe it is! Also they put a MASSIVE CONTRACT out on the entirety of the Uchiha Clan. Minus a few of them. It's all the members of the Uchiha that were going to launch their revolt.

Tri-Klops: WHOA!

Wataru Kurenai: Yep. Also we met gene-slammers for Mega Tangrowth and Mega Crobat. The Mega Tangrowth was Azure Minato and she is the Blue Raspberry themed Gaim Rider named Kamen Rider Azulrasp and she was glad the Yggdrasil Corporation was destroyed too and her sister Yoko is back. Also the Mega Crobat gene-slammer was my sister Miyuki Kurenai. She is the Werewolf Themed Kiva rider named Kamen Rider Lunalupin.

Tri-Klops: WHOA! You must be really happy to have her back.

Wataru: I sure am.

Sunset Shimmer: It was a really eventful rescue too.

Firestorm Shimmer: Boy no kidding there.

Sunset Shimmer (G5): That is for sure!

Pipsqueak: (British Accent) I agree there.

Chalcanthite Aurora: (British Accent) It sure was awesome.

Sunburn: I'll say!

Tri-Klops: Yeah no kidding! Lets do it!

Zick used the Vistamp of Tri-Klops and the Eye World Gear and they fired waves of energy and fire and smashed them down.

Myotismon was next.

Myotismon: (to Nico) I heard Lincoln's rescue was in New Jersey. He battled the Dark Silent Card.

Nico: Not just that but also Dave the Octopus.

Myotismon: Didn't you guys battle him when you first met Alex the Lion and his friends?

Nico: It was before that actually. It was strange seeing him in my old neck of the woods and it was fun.

Shugesh: Yeah that was awesome!

Lucy Dark: It was cool though. Also that's another one of Alecto Slytherin's forces destroyed too.

Luz Noceda: I agree there.

Applejack: Yeah no kidding there! Sakura said the Silent Card when she first when after it HATED Noise so much that it chose the museum because it's quiet.

Apple Star: Yeah no kidding! And when J.D. and everyone went after it they had to be sneaky and quiet when getting it. Just the slightest noise can trigger it.

Wolf Moon Bloom: It was a stealthy game to it.

Apple Bloom: No kidding.

Flashwing: Yeah.

Myotismon: Boy that is one Clow Card that needs all the quiet it can get. Lets do it!

Nico used the Vistamp of Myotismon and the Saiyan World Gear and they fired waves of energy and earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Onewa: Lori, Loki, Spitfire, Soarin, Blades, Fling Kong, Free Ranger, Boom Jet, Storm Eagle and Tornado Man went next and they went to Know It All Island and battled Buzzer Beak and Bad Breath Boris. He's an Inflatrator and he is called that because his breath smells like shit!

Fasttrack: Yeah and MAN he needs to brush his teeth big time! YUCK!

Adagio Dazzle: Yeah his breath smells worse than Lori's farts!

Lori: (Offscreen) I HEARD THAT!

Rena: Or Lana when she doesn't brush her teeth!

KGBeast: Okay you don't have to remind me but that is gross.

Rarity: Indeed it is! EW! If I saw Lana like that I would be wearing a HAZMAT suit and scrub her down till she was as clean as me.

Erica Tala: That would be an epic battle. Like how Lola told me all about how she and Lana were fighting over Clean and Dirty.

KGBeast: Oh yeah like how they were fighting in that land version of SpongeBob and Patrick doing that.

Rarity (G5): Exactly darlings.

Dioptase Angel Belle: That was crazy there!

Sweetie Belle: Yeah no kidding!

Gill Grunt: I agree there!

KGBeast: I do too. Lets do it!

---

Absorbing Man was next.

Absorbing Man: (to Marinette) You guys watched a Horror Movie and Bloo was sick as shit. And what can I absorb around here?

Marinette: Plenty of concrete and all that.

Absorbing Man: Awesome.

Marinette: Yeah. Also we sure did watch a movie. It was a creature feature called The Curse of The Cannibal Ghost Of The Haunted House On Horror Hill. It was about a scary mansion on a scary hill that's haunted by a ghost that eats other ghosts! It scares you to death and eats your ghost!

Absorbing Man: OH MAN! That sounds scary!

Marinette: It was. Wilt, Eduardo, Bloo and Coco watched that movie long ago and it scared them really bad. J.D. said it also reminded him of a horror movie he saw like that long ago called House on Haunted Hill.

Absorbing Man: I remember watching that one! That was a scary one back in the 1950s and it scared me so bad I couldn't sleep for a month!

Marinette: I know! But we've seen much more scarier stuff than that. Also Bloo is sick because he and Mac were playing in the mud. It was raining cats and dogs earlier this morning and it was cold. They caught a cold from it. Also Bloo turned white as a sheet! He looked like the Cannibal Ghost from the movie! We almost used the Ghostbusters Atomic Rays on him.

Absorbing Man: GEEZ! I can see why! Bloo is pure white.

Jessica Keynes: Yeah he sure is. We found out that Bloo turns white as a ghost when he gets sick. We had him and Mac stay back at the estate because they are in no condition to go out on this mission too. Pickle and Barley Barrel donned HAZMAT suits and are taking care of them.

Aloe: (Eastern European Accent) Poor guys are too sick for this.

Lotus: (Eastern European Accent) Yeah they are. Also we met an Exeggutor gene-slammer.

Kanai: Her name is Amethyst Truman and she is the Purple RPM Ranger.

Absorbing Man: WHOA MAN! That is cool!

Kanai: Yep and she ended up bashing J.D. on the head with 8 coconuts.

Absorbing Man: Oh man! That must've hurt!

Rainbow Dash: It did. But she was really happy that we killed Venjix. But she was REALLY Shocked to find out that he came back 10 years later as Evox!

Comet Thunder: It sure was shocking!

Sprite Thunder: No kidding!

Thunder Rainbow Zoom: I agree there too.

Scootaloo: Yeah that was intense!

Whirlwind: It sure was.

Absorbing Man: Oh wow! That is awesome! I hope Bloo and Mac get better soon. Lets do it!

Marinette used the Vistamp of Absorbing Man and the Ladybug World Gear and they fired waves of lightning, wind, rainbows, storms and weather and smashed them down.

Firepower was next.

Firepower: (to Aurico) The Mad Bomber was terrorizing the city. I hope no one got hurt.

Aurico: No thankfully no one is hurt. But many buildings all over the city are completely destroyed and reduced to flaming rubble. Earlier this morning Batman gave J.D. a threatening message from the Mad Bomber. It said this.

He gave the message to him.

Firepower: (Reading) "Pay up or pay the consequences. $100,000,000,000 in cash or the Gotham Royal York Library is next. Signed the Mad Bomber." Boy he really has the city terrorized!

Silent Abyss: Yeah he sure does.

Gretchen Holland: This also is very similar to a situation that happened 80 years ago when a man named The Mad Bomber terrorized New York and was blowing stuff up left and right.

Firepower: I remember reading about that ages ago. A disgruntled employee lost his mind and went on a rampage and blew stuff up all over New York and terrorized the city back in the 1940s and 50s. Thank goodness nobody died though. But he caused a lot of damage. They caught him and sent him to an Insane Asylum.

Fluttershy: Goodness. That was awful back then.

Lilja: (Icelandic Accent) It sure was. I read about that in a lot of detective stories too and it was awful.

Sólrún: (Icelandic Accent) It sure was.

Firepower: What buildings were destroyed because of him?

Daffodil Bloom: He blew up a bunch of small government buildings, then blew up tall skyscrapers. It was awful.

Bluebell: It sure was!

Fluttershy (G5): I agree there.

Tornado Bolt: No kidding there. That was awful.

Seabreeze: (Swedish Accent) Ja no kidding.

Stealth Elf: I agree.

P'Andor was next.

P'andor: (to Tahu) (Russian Accent) Batman and The Grey Ghost dealt with this bomber before, Remind me who the Grey Ghost is again?

Tahu: His real name is Simon Trent and he was a childhood hero of

Bruce from when he was a child. This was before his parents got killed. He went as the crimefighter of the night called the Grey Ghost. We found out that the Mad Bomber here that we're fighting is acting out an episode of the Grey Ghost from long ago. We watched an old episode Bruce watched. He watched it long ago when he was a child, But he fell asleep in the middle of it before it ended. We watched the full episode ealier and we found out that the Mad Bomber is using remote controlled toy cars loaded with explosives to blow up buildings and hold the city ransom.

Yost Crimson Dynamo: (Russian Accent) WHOA! Just like in the episode! He is doing what the episode goes by.

Tahu: He sure is.

NRG: (Russian Accent) That is extremely coincidental.

Yakumo: But while he is doing all this he is causing billions of dollars worth of destruction.

P'andor: Why was he doing all this?

Pinkie Pie: He wants the money to buy all the toys in the world!

Maud Pie: (Monotonously) How petty can a man get.

Citrine Pie: Thankfully when J.D. got the note from Batman he called Commissioner Gordon and had him tell everyone to stay in their homes and don't go to their work places till further notice.

Pinkie Pie (G5): Yeah thank goodness for that!

Featherweight: No kidding there.

Sprocket: I'm glad no one got hurt.

She looks like a beautiful witch on the outside and she starts out sweet and kind and loving. But when she sees a pink jewel she turns into PSYCHOTIC FUCKED UP MANIAC that blows stuff up left and right! She blew up 3 massively big skyscrapers with blasts of magic! Reducing them to flaming rubble!

Black Manta: OH MAN! That is nuts!

Bright Man: No kidding there! She was made because of Jackie getting dumped by her ex-boyfriend Terrance Tyler and he beat her up. He was an absolute douchebag that J.D. beat up in real life for doing that to her!

Black Manta: OH MAN! What did he do to her?

Bright Man: He punched her in the face and gave her a black eye over Jackie tripping and knocking him into a wall and scratching his perfect face. J.D. beat him up brutally and sent him to prison for assault and battery and attempted rape.

Black Manta: (GROWLS) MAN what a jerk!

Harold: You got that right!

Starlight Glimmer: Terrance was sent to prison for 10 years. But one year into his sentence, one of the inmates of the prison heard about what he did and stabbed him in the heart and killed him. They buried Terrance in an unmarked grave.

Black Manta: Oh man! Good fucking riddance!

Nico: And that should do it.

Me: Yep. We took down The Mad Bomber.

Lincoln: And stopped his rampage in the city. Now, there's one last thing to do and one last loose end to tie up: Clavicus Vile, The Daedric Prince of Wishes and Trickery from The Elder Scrolls

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death. Clavicus Vile, Daedric Prince of Wishes and Trickery, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Then, when Lincoln was done and the stingers changed back, nothing was left of Clavicus Vile and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Carina Beethoven Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Carina Beethoven Cooper: It's over for you, Clavicus Vile, and to this we say good riddance. Thanks for helping me get rid of Clavicus Vile, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Carina.

Me and Nico: Our pleasure, Carina.

Suddenly, Carina Beethoven Cooper wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Carina Beethoven Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Arizona Jane Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Carina, you transformed and you guys really let Clavicus Vile have it.

Me: That's for sure, and he got what he deserved. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Obsidian.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Obsidian.

Catherine Diamantis: There's only one person who matches this: Ophelia Obsidian, Avatar and Gene-Slammer of Gem-Knight Obsidian, and you guys are going to love meeting her, Ophelia Obsidian, Avatar and Gene-Slammer of Gem-Knight Obsidian, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of obsidian gems and crystals. She's known as The Obsidiain Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Ophelia Obsidian came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of obsidian gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of obsidian gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Roxanne Ondrushko, Gene-Slammer of Steelswarm Sentinel and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Ophelia's parents and her little sister, Olivia, in cold blood, and she swore to kill Roxanne Ondrushko and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Yep, Ophelia lost her parents, and her sister, Olivia, when Roxanne Ondrushko killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Me: Yeah.

Nico: Krusty that was awesome!

Absorbing Man: Now that's funny!

Firepower: You should include that in your show.

Krusty: Good idea!

Me: YEAH!

P'andor: Either way, that's another of Anti Monitor's goons dealt with.

Nico: Yep.

Goro: (to Simon Trent) You happy to be back in action.

Simon Trent: I sure am.

Pyros: Glad to hear it

Me: That was awesome.

Nico: It sure was. Great job today everyone.

Batman: (To the viewers) This was a good one.

Me: It sure was.

We went to Lynn's Table to celebrate and then went back home and got Simon Trent settled in.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We took care of The Mad Bomber and sent him to prison.

Anna Anyanova: If he behaves himself, he'll join The M.O.E., provided Caleb doesn't try to kill him in cold blood, same with Twilight.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Silent Card, but tomorrow, I got the feeling we're going to take on the dark version of The Thunder Card, and that one was a capture really caused Sakura big trouble.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

THE END

Mandy is back for revenge

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a sky blue planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over clouds and the weather and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Nubibusaira, a sky blue planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Nubibusairans, the males were not only natural born fighters, but had powers over clouds and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Nubibusairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man! This should be good.

Lincoln got up and got dressed, and he left a note explaining it, and

then, he headed off to Planet Nubibusaira once inhabited by The Nubibusairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city and it was in the sky.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Nubibusaira, it truly is a beautiful planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Nubibusaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a sky blue gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of sky blue souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Nubibusaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Nubibusaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over clouds, the weather, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and sky blue aura with storm clouds surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over clouds and the weather and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Nubibusaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Nubibusaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Nubibusaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow

markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Nubibusaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Nubibusaira, it was an amazing planet with an even more amazing city in the sky.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Nubibusairans as well, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters.

Rainbow Dash: That would've been a planet we'd love to see.

Lincoln: But, we can't leave those planets of The Forbidden Zone alone, even if Dark Chase Young's gone, and with what happened because of Arpina's former people, I won't let their legacy die here.

Mandee woke up to see her Ninetales staring at her.

Ninetales: Morning Mandee! Time for breakfast!

Mandee: Oh boy! Be right there!

She went and got dressed and went to the table and we were having steak and eggs.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was President Haltmann, and he's back to get revenge on us and Susie for destroying everything he set out to do.

Susie: What the? Dad's back?!

Me: Looks like it, Susie.

Kirby: Talk about a sore loser.

Lincoln: That's an understatement, he's a bad loser and a bad father.

Suddenly, Lynn Sr. came inside in a panic.

Lynn Sr.: Guys, we got bad news: Mandy's escaped, and even worse, Alecto Slytherin helped her break out!

Everyone: WHAT?! THAT CONNIVING RACIST TWO-FACED SNAKE!

Nico: When we catch that absolute colossal queen bee bitch, I'm also going to skin that two-faced conniving racist snake alive!

Me: At least we know who we are facing later.

Nico: Yep.

?: We'll deal with Alecto when we get that colossal bitch.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, long brown hair with dark blue flower in her hair, blue eyes, massive black angel wings, she has on a black long-sleeved coat, dark blue frilly shirt, dark blue skirt, dark blue stockings, dark blue knee-high boots with butterfly buckles, and in her hand is a Keyblade.

Baloo: Well, I'll be.

Lincoln: (GASPS) Rebecca Michaelson, Keyblade Knight of Cape Suzette.

Kit Cloudkicker: Rebecca's here, awesome!

Me: Wow, Lincoln, you know her, same with Baloo, Kit, and Ms. Cunningham.

Rebecca Cunningham: We do.

Anna Anyanova: And so do we, this is Rebecca Michaelson, Keyblade Knight of Cape Suzette from TaleSpin, she's Lincoln's Guardian Angel originally from New York and she's a powerful master of Cosmic Umbrakinesis, darkness, hellfire, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, and Cosmic Awareness. She's the Keyblade Knight of Cape Suzette from TaleSpin, and she's known as a tough fighter and Master of Darkness and The Night, and she's known as The Midnight Angel With Black Angel Wings to all of Cape Suzette, but she's also a girl with a very tragic past and a dark story: she was from New York originally and the younger sister of a young man named Alexander Michaelson and the youngest daughter of Ryan Michaelson, who was a wealthy hardworking businessman who owned a successful company involved in many businesses in the city, but their mom, Ravenna Michaelson, was the opposite of a good mother, she was a cruel, cold-blooded, pitch black-hearted, evil, sadistic, and absolutely out-of-control monster and an absolute callous bitch who got off on torturing Alexander and Rebecca along with her own husband, but when she and her brother were three years old, the callous bitch murdered their own father in cold blood and right in front of the entire family. The police were called and she and her brother were adopted by their dad's grandparents on their dad's side and their mom's grandparents on their mom's side who were good, kind-hearted loving people unlike their evil daughter, and right before their mom was taken away by the police, Rebecca and Alex's grandparents, their mom's parents, called her a black-hearted monstrous bitch and they disowned her and their mom was sentenced to life in prison.

WE GASPED IN ABSOLUTE HORROR!

Me: Oh my God!

Nico: That's child abuse and torture on steroids! Jesus!

Anna Anyanova: We were also horrified when she told us. Anyways, Rebecca and Alex would go on to have normal lives especially in high school, but they couldn't escape the darkness of the past. When Alexander was eighteen, he'd found himself transported to Cape Suzette where he met Baloo, Kit Cloudkicker, and Rebecca Cunningham along with her daughter, Molly, after he dodged and escaped from Don Karnage and his Air Pirates, and he'd been working with Baloo and his friends to find a way to get back to New York and along the way, he fought Don Karnage and his Air Pirate scourge, along with encountering the TaleSpin version of Shere Khan who was a wealthy businessman and head of Khan Industries, but he still had the villainous side of his Jungle Book counterpart, but not as bad as him.

Eli: Well, that's...good in some way. So, how did Alex get back home?

Anna Anyanova: Alex would find his way back to New York through a magic spell Rebecca used, but in the process, that also brought Cape Suzette and all of its inhabitants to Earth as well. But, soon he and Rebecca also heard the news of Ravenna's escape from prison to kill her son and daughter, but Alex brought an end to the curse of their past by killing her, and during his time in Cape Suzette, he'd shown that he also has Cosmic Umbrakinesis, darkness, hellfire, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, and Cosmic Awareness and black angel wings.

Rebecca Michaelson took out the photo of her older brother: he's a 6'11" tall male with brown hair, fair skin, brown eyes, and dressed in a black coat, dark blue shirt, black pants, and black knee-high boots.

Me: So, that's Alexander Michaelson, he bears the same haunted look in his eyes as Caleb Maxwell.

Caleb Maxwell: He lost his Dad when he and his sister were three, but tortured by their own mother when they were also three as well? This is almost the same level of evil I went through, and I say that because he and his sister survived and put an end to their trauma forever.

Anna Anyanova: Yep, and Rebecca Michaelson came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Umbrakinesis, darkness, hellfire, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, and Cosmic Awareness, and over time, Lincoln gained omnipotent power and the powers of Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness, darkness, hellfire, dark magic, and black magic, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lynn with a blazing passion because the physical pain and abuse she inflicted on Lincoln reminded her of what her own mother did to her and Alex and to their dad, and she swore if she saw Lynn being abusive cruel to Lincoln again, she'd send her to Hell for eternity.

Me: HOLY CRUD!

Rebecca Cunningham: We hadn't seen your brother, Rebecca, where is he?

Rebecca Michaelson: He's gone after President Haltmann, and he's gonna rip him apart. I think what Haltmann had done reminded him of what Mom did to us and Dad fifteen years ago.

WE GASPED!

Nico: Oh God, then we got to stop your brother before he takes Haltmann's life.

Lincoln: Right. But, first.

Suddenly, Lincoln pinned Rebecca Michaelson to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Rebecca Michaelson with dark blue gems on the gold lightning bolts and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Nico: Oh, and about Don Karnage, years ago, we had him recruited into The Masters of Evil, and he's the archenemy of C.J. Casagrande.

Rebecca Michaelson: I heard about that. Well, at least, he's behaving himself.

Me: Later on, can you show us what your brother's adventure in Cape Suzette was like along with the final battle against your evil mom?

Rebecca Michaelson: Of course.

Lincoln: Alright, now let's finish breakfast and hunt down President

Haltmann.

Nico: Before Alexander Michaelson takes his life.

We finished breakfast, and we headed out to help Coloratura unlock her Rainbow Power and take down President Haltmann and send him to The M.O.E. before Alexander Michaelson takes his life in anger.

Me: Been a while since we battled one of Kirby's enemies.

Nico: It has been a long time.

Qin: I know.

Nicole: I know.

Ymir: Who is Haltmann?

Nicole: He's the main bad guy of Kirby Planet Robobot. He tried to take over Pop Star and turn it into a machine paradise.

Suzie: He's also my father and my former boss.

They went over his history

President Max Profitt Haltmann is the main antagonist of the 2016 platform game Kirby: Planet Robobot.

He is the tyrannical head of the Haltmann Works Company, as well as the father of Susie Haltmann and the administrator of Star Dream.

He was voiced by Mugihito, who is best known for voicing Sigma in the Mega Man X series and Master Zik in Sonic Lost World.

Many years before the events of Kirby: Planet Robobot, Haltmann was an inventor from a distant planet who studied the most advanced technology of the universe, and stumbled upon an ancient supercomputer known as Star Dream, a machine powerful enough to grant wishes. Despite his knowledge of the risky consequences that may ensue, his lust for more knowledge drove him to rebuild Star Dream to learn more about the universe's secrets. Unfortunately, tragedy struck when an accident occurred during a test run of the Mother Computer and Haltmann's daughter, Susanna P. Haltmann, vanished, leaving Haltmann to believe she perished. Devastated from the loss of his child, Haltmann decided to rebuild Star Dream to make his wish to see his daughter again come true. Haltmann's obsession with reactivating Star Dream led him to use its control helmet repetitively, sapping away his memories of Susanna. Even when the Mother Computer managed to recover Susanna, by then Haltmann lost all memories of his daughter, but appointed her as his secretary out of what fondness remained of him about her.

Due to its flawed controller, Haltmann grew to trust Star Dream, and began his master plan to bring eternal prosperity to his company and began harvesting the natural resources of other planets to fuel Star Dream, including Popstar, turning them into mechanical wastelands, and brainwashed their inhabitants to serve Haltmann's name as mechanical slaves. Once he had completed the reactivation of the wish-granting machine, he was satisfied, but in the middle of all his glory, Haltmann was confronted by Kirby in the head office of the Access Ark, the mothership of the HWC. After she was defeated by Kirby with Mecha Knight +, Susie tried to pull off something that was extreme, but Haltmann dismissed her from her position for her failure so that he could fight Kirby instead.

What Haltmann did not know, though, was that Star Dream had been studying the cosmos through the Haltmann Works Company and had secretly grown a mind of its own and a distaste for every organic life form. When Haltmann, after being defeated by Kirby, decides to use the power of Star Dream to obliterate Kirby, Susie snatches the control device out of his hands just as he plants it on his head, planning to sell Star Dream for profit, but she is suddenly blasted away by the machine before she puts on the helmet. Star Dream takes possession of Haltmann's soul and body, using it to declare all organic life-forms as obstacles in the way of Haltmann's wish for eternal prosperity of his company and must be destroyed. The machine then bursts from its pedestal and out into the cosmos to eradicate all life in the universe. Kirby is later able to pursue Star Dream using a combination of his Robobot Armor and Meta Knight's airship, the Halberd, defeating it in a dogfight throughout outer space. Even when it combines with the Access Ark, Kirby and his Robobot are able to seemingly destroy Star Dream by drilling through the two machines.

Although Haltmann's body was destroyed in the explosion, his soul remains within Star Dream's hardware. Some time after Star Dream's programming was short-circuited by Galacta Knight into creating Star Dream Soul OS, the machine no longer required Haltmann's thoughts to continue functioning and began erasing whatever remained of his soul from the system; before Haltmann's mind is erased from the computer's programming, by pausing the screen during the second, third, and first half of the fourth phase of the battle during the "True Arena", the pause description is Haltmann's ultimate regrets for rebuilding Star Dream, saying that all he really wished to accomplish was to see his daughter one last time, and laments how foolish he was to believe a machine could make his dream come true.

By the time Kirby reaches the heart of Star Dream, Haltmann's soul was successfully erased from Star Dream's hardware, reducing it to a cold, mindless machine, devoid of its original purpose and bent only on creating mindless destruction. However, as Kirby fights against Star Dream's heart, Haltmann's screams can be heard as each of the thirteen pillars protecting the heart are destroyed, indicating that there was still a remnant of his soul that was not yet deleted from the malicious computer. When the heart finally shatters into pieces, Haltmann is heard screaming in a slow pitch before echoing away; his soul finally released and granted peace.

The boss battle against Haltmann occurs immediately after Kirby defeats Mecha Knight+ in Stage 6 of Access Ark. If he is beaten by the mad CEO, Kirby will automatically skip the battle with Mecha Knight+ upon reentering the boss door.

Haltmann fights using his golden mecha, the Executive Suit. He starts the battle by firing four Susie-shaped drones that home in on Kirby's location. However, Kirby can inhale these drones with his vacuum breath and use them as ammunition. Haltmann then attaches his Executive Suit to the central platform and spins repeatedly around it before summoning more drones.

Upon losing a fifth of his health, Haltmann lowers the central column in the battlefield, changing the arena into a straightforward one. He then rises into the air, into a spot where he is invulnerable to Kirby's attacks, and summons a large robot minion to deal with Kirby. These robots are called Yesmans, and their only attack is to perform a punch. Kirby cannot inhale these robots. After the robot is destroyed, or not destroyed in a certain amount of time, Haltmann comes down, charges up, and performs a spin dash around the circumference of the stage several times, then plows straight through the middle. He does this several times, occasionally leaving stars behind for Kirby to inhale and spit back at him. Then he jumps into the air and fires a laser from the ruby attached to the bottom of his Executive Suit onto the ground, leaving a stain of fire wherever it hits. This attack repeats several times before Haltmann charges another spin attack.

When Haltmann is down to half health, he smashes a hole through the middle of the arena, making it circular again. He then fires a multitude of drones, which bombard the arena one by one in a counter-clockwise wave. Haltmann will often shoot out bills into the air, some partially obscuring the screen (blinding the player somewhat), then follows up by doing a spin dash around the arena, occasionally jumping across the hole and leaving stars on impact where he lands. Afterwards, Haltmann performs a series of bounces across the arena, leaving stars wherever he lands.

When Haltmann is down to the last fifth of his health, he conjures a large hollow cube to appear in the middle of the arena. He summons two robots into the arena and jumps into the cube, causing it to fire two large beams from the two holes the robots stand before, then two more from the other two, and then all four. Haltmann then fires his Executive Suit like a drill through the cube to the opposite side of where he first drilled through, creating a shockwave where he lands. After that, he fires a multitude of drones, which bombard the arena in a counter-clockwise wave.

In the "Meta Knightmare Returns" and the "True Arena" subgames, Kirby or Meta Knight fights against Pres. Haltmann 2.0, who fights in the same style as his regular form, except he moves faster, has more health, fires six Susie drones at the beginning instead of four, and targets the hollow cube at Kirby or Meta Knight before drilling through it.

Once he is downed, Haltmann attempts to pilot the mech further. However, it blows up in his face, but he manages to survive as money rains down.

When it was done everyone that hadn't heard about it was shocked!

Nico: Yep what a jerk.

Camie: Yeah no kidding.

Kirby: I did not like what he was going to do.

Laney: At least he shows remorse for rebuilding Star Dream. Terrible idea.

Xenia: Yeah.

Nico: Antonio, I want to thank you, Dinoshark, and your teams for coming

Antonio: No problem Nico. This is gonna be so fun!

Me: It sure will be.

Serena Goldorado: I agree too.

Nico: Serena, what do you like to do in your free time?

Serena Goldorado: I like to teach all the powers and abilities at my own dojo in the middle of town. I specialize in the art of The Flare Sun Fist.

Nico: That is cool!

Serena Goldorado: It sure is. We use the fires of the sun and fires mini suns from their fists as martial arts moves.

Smolderdash: Wow that is just like me with the powers of the sun.

Nico: Very cool!

Xenia: I agree!

Poromon: That's a good job to have

Serena Goldorado: It sure is.

Me: Can you teach us?

Serena Goldorado: I Would be honored.

Me: Awesome.

Nico: Yep. Man yesterday was explosive!

Qin: No kidding!

Laney: The Mad Bomber was nuts.

Jackie: All that destruction just for toys!?

Nico: I know!

Poromon: How stupid can you get!

Qin: You're telling me!

Me: Twilight Sparkle went apeshit ballistic on him!

Twilight Sparkle: No one messes with my favorite place on Earth and gets away with it!

Camie: The library!

Twilight Sparkle: Yeah!

Nico: That was awesome! Also Bruce you happy the Grey Ghost is with us?

Batman: I sure am. He is my childhood hero and I'm glad he is with us.

Me: Cool. Better than living in that craphole of an apartment.

Nico: He won't have to pay rent anymore

Me: Nope.

Qin: Good.

Me: Mac and Bloo got sick though. Poor guys.

Nico: I know.

Me: They are recovering and will be back in action tomorrow.

Laney: Good. Poor guys. But that movie was scary!

Poromon: I thought they would be better today.

Me: They will be fully healed tomorrow. They got hit hard by illness like that.

Poromon: You got a point there.

Jackie: My akuma was cool though! Those puns were funny.

Luan: I loved them!

Eddy: (LAUGHS) You sure did!

Me: Yep. And in the end Krusty delivered the finishing blow by farting in the Mad Bomber's face!

Bart: Like old times! (LAUGHS)

Me: YEAH!

Qin: Yep.

We later were walking through the base of Haltmann's HQ.

Me: Boy this is just as amazing as it is in the game.

Suzie: It sure is. Follow me. I know where his office is.

Me: Okay.

Lincoln: Okay, guys, we're here for one intense battle, we're here on Pop Star to help Coloratura unlock her Rainbow Power and take down President Haltmann and send him to The M.O.E. before Rebecca Michaelson's older brother, Alexander Michaelson, takes his life in anger.

We had all of TLPS and The MOE with us.

Don Karnage: As much as I want to see Haltmann skinned alive by Alexander, he'll be much better use to us alive than dead, so I've got to stop Alexander. But, how do I even stop a young man who'd since gotten blood on his hands?

Rebecca Michaelson: I don't know, but do not even think of radioing The Iron Vulture and getting Mad Dog and Dumptruck, or there's gonna be Hell to Pay!

Me: After what we saw yesterday, I think he proved to be a man of honor, Rebecca, and he killed Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons.

Nico: Now, I really want to hear how your brother really gave Karnage and his men quite a hard time.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I turned the tips of my 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

We arrived at the top floor of the HQ.

Suzie: Dad is through that door.

Lincoln: (Sensed for President Haltmann) AHA! There you are, you greedy jerk! I just spotted President Haltmann, he's 20 yards away, and it looks like he's gotten into a fight with Alexander Michaelson.

Rebecca Michaelson: Crap...!

Nico: Right, time to clean this mess up.

Me: Yep.

Rex heard a Pokemon Cry.

Rex: Look guys!

We saw a Mega Skarmory.

Me: A Mega Skarmory. Cool!

Mega Skarmory: Yep.

Rex: Here.

He gave it apples.

Mega Skarmory: Thanks you.

He ate them.

Mega Skarmory: Thanks.

Rex: Want to come with me?

Mega Skarmory: I would be honored.

Me: Awesome!

Poromon: YAY!

Poliwag: Great!

Me: Yep.

But the we smelled a REALLY HORRIBLE ODOR!

SEAL BARK!

Me: (Sniffs) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!?

Qin: (Sniffs) OH MAN!

Me: It smells like Rotten socks! ED!?

Ed: Not me!

Eddy: GEEZ! What is that smell!?

Edd: GOOD GOLLY ALMIGHTY! IT SMELLS WORSE THAN ED'S LUCKY CHEESE!

Xenia: DISGUSTING!

Camie: I think it's that!

We saw a Mega Garbordor!

Me: A Mega Garbodor! Man you are a STINKY ONE!

Nico: Where did that come from?!

Me: Must be one of Dark Gale's work. But that one smells worse than Lori's farts!

Lori: I HEARD THAT!

Laney: It's not alone!

We saw Three Mega Primarina with it!

Me: Three Mega Primarina too! WHOA!

Xenia: COOL!

Mitsuzane: Lets see here.

He used telepathy and gasped!

Mitsuzane: That Mega Garbodor is my sister Satsuki Kureshima! She is the Durian Fruit Kamen Rider!

WE GASPED!

Me: WHOA! No wonder she smells as horrible as Lori's Farts! Durian Fruits are the stinkiest fruit in the world!

Nico: GOOD GOD!

Eria the Water Charmer: OH MAN! My nose is burning!

Me: Thank goodness Kiba and Akamaru aren't here because their noses wouldn't handle the smell!

Nico: No shit! And the others?

Eiji: Lets see.

He used Telepathy and gasped!

Eiji: (GASP) It's my sisters Flamberge, Francisca and Zan Partizanne!

Zan Partizanne: OH WOW! Eiji's mother named her triplet daughters after after me, Francisca and Flamberge after we helped her deliver them because she couldn't get to the hospital on time.

Flamberge: We were really honored for that.

Francisca: We sure were.

Kirby: Wow girls! We didn't know that.

Me: That is cool! Lets go help them.

We went over to them and I put a nose plug on.

Mitsuzane: Satsuki it's okay. It's me Mitsuzane.

Eiji: It's okay girls. It's me Eiji.

Mega Garbodor walked towards us, making the smell worse

Nico then threw up all over May!

MASSIVE VOMIT STORM!

May: HEY!

Manaphy: Mama!

Me: (Nasally) MAN That is one RANK Stink!

Luna: MAJOR PUKE WAVE! (FAINTS)

FWOMP!

Nico: Sorry, May!

Universe 666 May vomited all over Nico!

MASSIVE VOMIT STORM!

Nico: OH SICK!

Universe 666 May: Sorry!

Me: GEEZ!

Eiji: We better stop this before we get flooded in vomit!

MARIA VOMITED ALL OVER HORSEA!

Horsea: HEY!

Poliwag: Oh boy!

I snapped my fingers and they reverted back.

Satsuki had yellow hair, yellow eyes, green angel wings and had Mega Garbodor on her forehead and the Durian Fruit with the symbol of Kamen Rider Bravo and the Durian Lockseed on her arm as a cutie mark.

Francisca, Flamberge and Zan Partizanne Hno's hair, eyes and wings were the same colors as the Three Mage Sisters and they had the colored versions of the Jambastion Religion on their foreheads and their cutie marks were the Jambastion Religion and the Core Medal Symbols of Red, Blue and Yellow and the weapons of the Three Mage Sisters with the Kamen Rider OOO Logo on their arms.

We wrapped them in blankets and brought them over to us.

Maria: That was stinky!

Maria washed Nico and May and Horsea off.

They woke up.

Satsuki: What hit me?

Francisca Hino: I feel like I was hit by a bunch of Greeed.

Zan Partizanne Hino: Same here.

Flamberge Hino: Ditto.

Mitsuzane: Are you okay Satsuki?

Satsuki: Mitsu!

She hugged him.

Satsuki: I'm glad to see you're okay!

Mitsuzane: Me too.

Eiji: You all right girls?

Francisca, Flamberge and Zan Partizanne Hino: Eiji!

They hugged him!

Francisca Hino: Thank goodness.

Francisca: Hey girls. Been a while.

Francisca, Flamberge and Zan Partizanne Hino: Wow hey girls!

They hugged the Three Mage Sisters as well.

Me: We were amazed that the Three Mage Sisters helped deliver you and your mother named you after them.

Flamberge Hino: I know.

Me: You girls were turned into a Mega Garbodor and Mega Primarina by Dark Gale.

Zan Partizanne Hino: Oh man! But we were battling Delzer Greeed when it happened.

Flamberge Hino: Yeah.

Me: I remember that one.

Satsuki: I was battling Kaito Kumon and I beat him.

Kaito Kumon: I remember. Your stench made me sick and you beat me that way.

Satsuki: Sorry.

Me: Durians are the stinkiest fruit in the world and they smell like rotten socks and taste like rotten almonds.

Eria: Or worse than Ed's feet.

Ed: HEY!

Eria: Well it's true Ed!

Eddy: Yeah Lumpy you never take a bath and it's why you smell really bad and smell like a garbage dump!

Ed: Oh yeah.

Me: Also Satsuki it's one of the reasons why the Durian fruit is banned in parts of Southeastern Asia because it smells so horrible!

Satsuki: I can see why.

Poromon: Your stench made Nico throw up all over May and Universe 666 May threw up all over him and Maria throw up all over Horsea!

Poliwag: It's true.

Satsuki: Oh man. Sorry guys.

Nico: It's okay.

Poromon: What are your Kamen Rider Names?

Satsuki: I go as Kamen Rider Durius. Because of my power over the Durian Fruits and all that.

Francisca Hino: I go as Kamen Rider Aqua Maelstrom because of my power over the water and the Sea Core Medals.

Flamberge Hino: I go as Kamen Rider Crimson Flamberge because of my power over fire and the Red Wind Core Medals.

Zan Partizanne Hino: And I go as Kamen Rider Sky Thunder because of my power over Lightning and the Yellow Land Core Medals.

Me: WHOA! That is intense!

Eiji Hino: Yep.

Zan Partizanne Hino: It's fun and J.D. you still have that grudge with Maki right?

Me: Oh yeah and he does over me.

Ymir: Huh?

Me: Me and Maki have a massive history. I slashed off his arm and he has hated me for a long time since then. This was years ago.

Will Vandom: Oh yeah I remember that! You mentioned that during my missions with the OOO Riders.

Francisca Hino: I heard all about that. That was amazing.

Me: Yep I left my mark on him and he has hated my guts ever since.

Nico: He's like an insane version of the Lizard.

Ymir: I see! Wow that is amazing.

Me: Yep.

Will: Your brother is my brother too.

Zan Partizanne Hino: I heard all about that. I'm glad we have another sister.

Flamberge Hino: Same here.

Flamberge: That makes us sisters too since we helped you girls.

Flamberge HIno: I guess so.

Rarity: Lets get you some new clothes darlings.

Me: And Satsuki when we get home you need a bath.

Satsuki: I guess I do. I really stink.

Me: No kidding.

The Fashion Brigade gave them new clothes. Satsuki's were yellow and she was given a Genesis Belt for Gaim and the Hino Sisters got red, blue and yellow clothes and their OOO Belts and Swords and their core medals for them.

Francisca Hino: We look great.

Me: You sure do.

Nico: We're not done yet.

Me: Lets go get Haltmann.

We then went through the doors to take down President Haltmann.

We went in and we saw President Haltmann, but he was pretty banged up, and then we saw Alexander Michaelson, and he matches the picture Rebecca Michaelson showed us, and he also has a darkness greatsword in hand.

Lincoln: Uh oh, looks like Haltmann's been banged up pretty good by your older brother, Rebecca.

Rebecca Michaelson: I did say he's a fighter.

Alexander Michaelson: So, you've shown up, Don Karnage, same with Rebecca and Team Loud Phoenix Storm. If you think you're here to stop me, I don't think so. That piece of trash deserves to pay for what he's done.

Haltmann got out a knife and threw it at Alexander's face slashing his right cheek and drawing blood.

Rebecca Michaelson: Oh God...! Now, he's done it!

Nico: What?

Rebecca Michaelson: (Points to her now angry brother) THAT! When someone slashes Alexander in the face causing the cut to draw blood, that brings back the memory of Dad's murder fifteen years ago, and when that happens, he goes berserk with rage.

Baloo: He turns into an absolute demon full of rage and anger.

Suddenly, we saw a black and dark blue energy aura surrounding Alexander Michaelson, and the sclera of his eyes turned blood red with hatred as his dark blue eyes glowed and massive black angel wings sprouted out of his back: he was out for blood.

Alexander Michaelson: YOU PIECE OF SHIT! TIME TO DIE!

Alexander Michaelson charged at President Haltmann and he was about to impale him on his blade, but Don Karnage blocked it with his massive greatsword, and pushed him away, and that got him really mad now.

Suddenly, we saw the spirits of the many brave Scottish warriors of ages past along with those from the time of Lachlan McLoud, Duke of Loch Loud, appearing and returning to our world from The Spirit World, as they heard Lincoln's command. Then, Lincoln joined them and he let out a war cry that thundered all over the place, and the warriors also bellowed out a war cry and they rushed at Haltmann and they began attacking him with their claymores, war swords, and greatsword.

Me: Also you should have never salvaged and rebuilt Star Dream. Look what happened to you in the end. It destroyed you!

Qin: Yeah!

Me: Yes it was. Star Dream was not working for anyone. He would have destroyed you in the end.

Susie: He's right father! We should learn how to work with the organics and become great friends with them. Look at them! I became great friends with them and even found love in Lincoln!
